1. Tax-Exempt Status

The Grantee hereby agrees: (i.) to provide current and appropriate documentation if the organization is a government, supported agency, such as school, museum, library or government agency or department; and (ii.) to provide the Foundation with immediate written notification of any changes in the Grantee’s tax-exempt status.

Expenditures of Grant funds must adhere to the specific line items in the attached Grant budget. Changes to Grant budget that represent more than 10% of the total award or that seek to move funds between budget categories shall be requested in writing to the Grantee’s program officer at the Foundation and shall be subject to approval in writing by Foundation staff.

If the Grant is intended to support a specific project or for a specific period, any portion of the Grant unexpended at the completion of the project or the end of the period specified above on Page 1 (the “Grant Period”) shall be returned immediately to the Foundation. With prior written approval from the Foundation, the Grant Period may be extended in order to meet the anticipated objectives. Requests shall be submitted in writing to the Grantee’s program officer at the Foundation and shall be subject to approval in writing by Foundation staff.

3. Prohibited Use of Funds

The Grantee will not permit any Grant funds or income derived from such funds to be used for “political expenditures” as defined in [Section 4955 of the IRS Tax Code](#), including, but not limited to, participation or intervention in a political campaign for a public office.

The Grant is not in any way earmarked to support or carry on any lobbying or voter registration drive. The Grantee hereby reaffirms that the project’s approved budget, attached to this Agreement, accurately reflects Grantee’s present intention to expend at least the amount of the Grant on project non-lobbying and non-voter registration activities.

The Grantee represents that it is knowledgeable about Executive Order 13224 and the USA Patriot Act of 2001, and the Grantee will not permit any Grant funds or income derived from such funds to be expended or re-granted so as to benefit any person or organization with ties to terrorists.

4. Anti-Discrimination Expectations

The Grantee will not willfully discriminate against a particular class of individuals and will abide by all applicable local, state, and federal anti-discrimination laws in hiring, employment practices and when providing services.

5. No Assignment or Delegation

The Grantee may not assign or otherwise transfer its rights or delegate any of its obligations under this Agreement without the prior written approval of the Foundation.

6. Records and Reports

The Grantee shall keep a record of all receipts and expenditures relating to this Agreement and to provide the Foundation with a written report summarizing the project promptly following the end of the Grant Period. The Foundation may also require interim reports. The Grantee's reports should describe progress achieving the Grant Purposes (including progress toward measurable results and Objectives outlined above on Page 1) and include a detailed accounting of the uses or expenditure of all Grant funds. The Grantee also agrees to provide any other information reasonably requested by the Foundation. If the Grantee obtains any audited financial statements covering any part of the period of this Agreement, copies of such statements shall be provided to the Foundation promptly after receipt. The Grantee must keep the financial records with respect to the Grant and this Agreement, along with copies of any reports submitted to the Foundation, for at least four years following the year in which all Grant funds are fully expended.

7. Required Notification

The Grantee must provide the Foundation with immediate written notification of: (1) its inability to expend the Grant funds for the Grant Purposes; or (2) any expenditure of Grant funds for any purpose other than the Grant Purposes; and, (3) any other breach by the Grantee of this Agreement.

8. Reasonable Access for Evaluation and Oversight

The Foundation incorporates evaluation into its charitable grant-making as a technical assistance service so that it and the Grantee can understand the impact of the Grant and how to improve the impact of the charitable grant-making moving forward, and for the benefit of other grantees and for the City and County of Denver. As a condition to the receipt of the Grant, the Grantee agrees to be a participatory partner in any requests from the Foundation to conduct an evaluation of the effectiveness of the Grant (the "Evaluation"), either individually with the Grantee or with multiple grantees as part of a broader strategy of the Foundation, including, but not limited to, follow-up reporting and/or additional activities above and beyond those listed in the Payment and Requirements section of this Agreement.

The Grantee will permit the Foundation and its representatives, at its request, to have reasonable access during regular business hours to its files, records, accounts, personnel and clients, or other beneficiaries for the purpose of making such financial audits, verifications, or program evaluations as the Foundation deems necessary or appropriate concerning the Grant and to discuss the Grantee's programs, procedures and operations with the Grantee's personnel.

9. Research Involving Human Subjects

If the Grant is to be used, in whole or in part, for research involving human subjects, the Grantee hereby certifies that the Grantee, applying the ethical standards and the criteria for approval of grants set forth in its [Internal Review Boards](#) and professional oaths, has determined that the human subjects involved in the Grant will not experience risk over and above that involved in the normal process of care and are likely to benefit from the proposed research program.

The Foundation welcomes any photographs relevant to the Grant for the Foundation's use. Photos must have prior client releases (if applicable) for publication purposes.

Without further notice to or consent from the Grantee, The Foundation may include information regarding this Agreement and/or the Grant, the amount and purpose of the Grant and photographs, logo or trademark, and other published/printed information or materials (provided by the Grantee) and its activities, in the Foundation's periodic public reports, newsletters, Website and news releases.

The Grantee represents that it is aware of and in compliance with the [Colorado Charitable Solicitations Act](#) governing fundraising in Colorado.

12. Right to Modify or Revoke

The Foundation reserves the right to discontinue, modify or withhold any payments to be made under this Agreement or to require a total or partial refund of any Grant funds if, in the Foundation's sole judgment, such action is necessary or prudent: (1) because the Grantee has not fully complied with the terms and conditions of this Agreement; (2) to protect the purpose and objectives of this Agreement or any other charitable interest of the Foundation; or (3) to comply with the requirements of any law or regulation applicable to the Grantee, the Foundation, or the Grant.

13. Termination

The Foundation's obligations under this Agreement shall automatically terminate in the event of the insolvency, receivership, bankruptcy filing, or dissolution of the Grantee.

In addition to its right of revocation under Paragraph 12, Either party may terminate this Agreement at any time by giving the other party at least 30 days' prior written notice. Upon termination of this Agreement for any reason, all payments by the Foundation to the Grantee shall cease at such time as may be determined by the Foundation.

Termination or revocation of this Agreement by the Foundation will not terminate the Grantee's obligations under this Agreement with respect to Grant funds expended or otherwise not returned to the Foundation. The Grantee's obligations under Paragraphs 6, 8, 10 and 16 shall also survive termination of this Agreement.

14. Special Conditions and Reporting

The Grantee will submit reports to the Foundation according to the reporting schedule set forth on Page One of this Agreement.

The Foundation requires grantees to share any public opinion research conducted with Foundation funds. Public opinion research includes both qualitative and quantitative methods to learn about

the thoughts, perceptions, or beliefs of the general public, including, but not limited, to focus groups, ethnography, online surveys, and telephone polling. The Grantee should plan to share the results of such research, including findings and reports, with the Foundation. The Foundation will not share the research without permission from the Grantee.

This Agreement may be amended, supplemented or extended only by written communication by the Foundation and the Grantee. Amendment requests shall be submitted in writing to the Grantee's program officer at the Foundation and shall be subject to approval in writing by Foundation staff.

16. No Partnership or Agency or Third-Party Beneficiaries

Nothing contained in this Agreement shall create or be deemed to create a partnership or agency between The Foundation and the Grantee, and nothing contained in this Agreement shall be deemed to give rise to any rights or benefits to third parties not a party to this Agreement.

Grantee shall perform or cause to be performed all operations in full compliance with all applicable Federal, State, and City laws, rules, ordinances, codes, regulations, executive orders, and policies whether or not specifically referenced herein. All employees of the Grantee shall be authorized to work in the United States of America.

18. Intellectual Property

(b) All works and matters created or discovered through the performance of this Agreement, including, but not limited to, implementation methodologies, best practices guides and training curricula (the "Work"), are owned by the Grantee; provided, however, that the Work may be used by the Grantee only in furtherance of charitable purposes (i.e., activities recognized by the IRS as charitable and not resulting in "unrelated business taxable income" as defined in [Section 512 of the IRS Tax Code](#)), unless otherwise agreed in writing by the Foundation.

(c) The Grantee hereby grants to the Foundation a nonexclusive, revocable, worldwide, non-transferable, royalty-free license to the Work, and any other intellectual property incorporated into or used in connection with the Work to the extent required to perform its obligations under this Agreement. The license herein granted to the Foundation shall vest without any further action on the part of the Grantee.

19. Disclaimer

Nothing contained herein, including the required reporting and review procedures, shall be construed as a warranty, representation, or approval by the Foundation that the services rendered by the Grantee are adequately or properly rendered on either an individual or program-wide basis. The Grantee shall have sole responsibility for all damages, costs, fines, attorneys' fees, or liabilities of any kind or nature arising from any claims, demands or suits resulting from the Grantee's performance or failure to perform under this Agreement.

20. Controlling Document

The terms and conditions of this Agreement shall be the controlling document between the Foundation and the Grantee. All verbal communication, notes, minutes or other documentation of the Foundation shall be deemed merged into this Agreement. In making the Grant, the Foundation has relied on the information and representations submitted to the Foundation by the Grantee, and the Grantee represents that all such information and representations are true and complete.

21. Future Funding

Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
