Team Leadership

Skilled in leading high-performing teams to achieve business objectives and drive success.

Innovative Solutions

Ability to innovate and develop new solutions to meet market demands and challenges.

Optimization Expertise

Experienced in optimizing operations and channel strategies to improve efficiency and profitability.

Tim Felkner has been in the hospitality industry for 20+ years. He has opened 6 restaurants, mostly in the San Francisco Bay Area. Six years ago he moved to Denver to start a distillery, which produces a bottled craft cocktail called Uncle Tim's Cocktails, and has a tasting room called Broderick in Wash Park. They do mobile bartending, farmer's markets, and events all over Denver. Tim has served on the board and planning committees of several non-profits both in CA and CO, including serving on the board of Ruby Hill Neighborhood Organization, in Denver, where he and his family live. Tim would make a great candidate for the Old South Gaylord BID because he owns a business there, and is invested in making both that street and greater Denver a great place to live and own a business.
