(2) The City's payment obligation, whether direct or contingent, extends only to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of the Agreement. The City does not by this Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. The Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

5. **STATUS OF CONTRACTOR:** The Contractor is an independent contractor retained to perform professional or technical services for limited periods of time. Neither the Contractor nor any of its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever.

6. **TERMINATION:**

a. The City has the right to terminate the Agreement with cause upon written notice effective immediately, and without cause upon twenty (20) days prior written notice to the Contractor. However, nothing gives the Contractor the right to perform services under the Agreement beyond the time when its services become unsatisfactory to the Executive Director.

b. Notwithstanding the preceding paragraph, the City may terminate the Agreement if the Contractor or any of its officers or employees are convicted, plead *nolo contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty or

otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with Contractor's business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

c. Upon termination of the Agreement, with or without cause, the Contractor shall have no claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in the Agreement.

d. If the Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools and facilities it owns that are in the Contractor's possession, custody, or control by whatever method the City deems expedient. The Contractor shall cooperate with Federal and City representatives and such representatives shall be granted access to the foregoing documents and information during reasonable business hours and until the latter of five (5) years after the final payment under the Agreement or expiration of the applicable statute of limitations. When conducting an audit of the use of ARPA Funds, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an

audit. No examination of records and audits pursuant to this section shall require the Contractor to make disclosures in violation of state or federal privacy laws. The Contractor shall at all times comply with D.R.M.C. 20-276.

**8. WHEN RIGHTS AND REMEDIES NOT WAIVED:** In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

**9. INSURANCE:**

**a. General Conditions:** Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, or any extension thereof, during any warranty period. Each policy shall require notification to the City in the event any of the above-described policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement and shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, Contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City's contract number. Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

**b. Proof of Insurance:** Contractor may not commence services or work relating to the Agreement prior to placement of coverages required under this Agreement. Contractor certifies that the certificate of insurance attached as **Exhibit B** preferably an ACORD certificate, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the Certificate. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

**c. Additional Insureds:** For Commercial General Liability, Contractor and subcontractor's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

**d. Waiver of Subrogation:** For all coverages required under this Agreement, with the exception of Professional Liability, if required, Contractor's insurer shall waive subrogation rights against the City.

This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Contractor or its subcontractors either passive or active, irrespective of fault, including City's concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

**b.** Contractor's duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. Contractor's duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City's negligence or willful misconduct was the sole cause of claimant's damages.

c. Contractor will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City's exclusive remedy.

d. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

e. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

**11. TAXES, CHARGES AND PENALTIES:** The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City's prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Contractor shall promptly pay when due, all taxes, bills, debts and obligations it incurs performing the services under the Agreement and shall not allow any lien, mortgage, judgment or execution to be filed against City property.

**12. ASSIGNMENT; SUBCONTRACTING:** The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this Agreement without obtaining the Executive Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void, and will be cause for termination of this Agreement by the City. The Executive Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate the Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any sub-consultant, subcontractor or assign.

**13. INUREMENT:** The rights and obligations of the parties to the Agreement inure to the benefit of and shall be binding upon the parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of the Agreement.

**14. NO THIRD-PARTY BENEFICIARY:** Enforcement of the terms of the Agreement and all rights of action relating to enforcement are strictly reserved to the parties. Nothing contained in the Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to the Agreement is an incidental beneficiary only.

**15. NO AUTHORITY TO BIND CITY TO CONTRACTS:** The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

**16. SEVERABILITY:** Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of the Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the parties can be fulfilled.

**17. CONFLICT OF INTEREST:**

**a.** No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement. The Contractor shall not hire, or contract for services with, any employee or officer of the City that would be in violation of the City's Code of Ethics, D.R.M.C. §2-51, et seq. or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

**b.** The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement if it determines a conflict exists, after it has given the Contractor written notice describing the conflict.

**19. CONFIRMATION OF LAWFUL EMPLOYMENT:**

**a.** This Agreement is subject to Division 5 of Article IV of Chapter 20 of the Denver Revised Municipal Code, and any amendments (the "Certification Ordinance").

**b.** The Contractor certifies that:

**(1)** At the time of its execution of this Agreement, it does not knowingly employ or contract with a worker without authorization who will perform work under this Agreement.

**(2)** It will participate in the E-Verify Program, as defined in § 8-17.5-101(3.7), C.R.S., to confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.

**c.** The Contractor also agrees and represents that:

**(1)** It shall not knowingly employ or contract with a worker without authorization to perform work under the Agreement.

**(2)** It shall not enter into a contract with a subconsultant or subcontractor that fails to certify to the Contractor that it shall not knowingly employ or contract with a worker without authorization to perform work under the Agreement.

(3) It has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement, through participation in either the E-Verify Program.

(4) It is prohibited from using either the E-Verify Program procedures to undertake pre-employment screening of job applicants while performing its obligations under the Agreement, and it is required to comply with any and all federal requirements related to use of the E-Verify Program including, by way of example, all program requirements related to employee notification and preservation of employee rights.

(5) If it obtains actual knowledge that a subconsultant or subcontractor performing work under the Agreement knowingly employs or contracts with a worker without authorization, it will notify such subconsultant or subcontractor and the City within three (3) days. The Contractor shall also terminate such subconsultant or subcontractor if within three (3) days after such notice the subconsultant or subcontractor does not stop employing or contracting with the worker without authorization, unless during such three-day period the subconsultant or subcontractor provides information to establish that the subconsultant or subcontractor has not knowingly employed or contracted with a worker without authorization.

(6) It will comply with any reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of § 8-17.5-102(5), C.R.S., or the City Auditor, under authority of D.R.M.C. 20-90.3.

**d.** The Contractor is liable for any violations as provided in the Certification Ordinance. If Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the City. Any such termination of a contract due to a violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying Contractor from submitting bids or proposals for future contracts with the City.

**20. DISPUTES:** All disputes between the City and Contractor arising out of or regarding the Agreement will be resolved by administrative hearing pursuant to the procedure established by D.R.M.C. § 56-106(b)-(f). For the purposes of that administrative procedure, the City official rendering a final determination shall be the Executive Director as defined in this Agreement.

**21. GOVERNING LAW; VENUE:** The Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of Denver, which are expressly incorporated into the Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders, or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to the Agreement will be in the District Court of the State of Colorado, Second Judicial District (Denver District Court).

**22. NO DISCRIMINATION IN EMPLOYMENT:** In connection with the performance of work under this Agreement, the Contractor may not refuse to hire, discharge, promote or demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, gender identity or gender expression, marital status, protective hairstyles, or physical or mental disability. The Contractor shall insert the foregoing provision in all subcontracts.

**23. COMPLIANCE WITH ALL LAWS:** Contractor shall perform or cause to be performed all services in full compliance with all applicable laws, rules, regulations and codes of the United States, the State of Colorado; and with the Charter, ordinances, rules, regulations and Executive Orders of the City and County of Denver.

**24. LEGAL AUTHORITY:** Contractor represents and warrants that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into the Agreement. Each person signing and executing the Agreement on behalf of Contractor represents and warrants that he has been fully authorized by Contractor to execute the Agreement on behalf of Contractor and to validly and legally bind Contractor to all the terms, performances and provisions of the Agreement. The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate the Agreement if there is a dispute as to

the legal authority of either Contractor or the person signing the Agreement to enter into the Agreement.

**25. NO CONSTRUCTION AGAINST DRAFTING PARTY:** The parties and their respective counsel have had the opportunity to review the Agreement, and the Agreement will not be construed against any party merely because any provisions of the Agreement were prepared by a particular party.

**26. ORDER OF PRECEDENCE:** In the event of any conflicts between the language of the Agreement and the exhibits, the language of the Agreement controls.

**27. INTELLECTUAL PROPERTY RIGHTS:** The City and Contractor intend that all property rights to any and all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information created by the Contractor and paid for by the City pursuant to this Agreement, in preliminary or final form and on any media whatsoever (collectively, “Materials”), shall belong to the City. The Contractor shall disclose all such items to the City and shall assign such rights over to the City upon completion of the Project. To the extent permitted by the U.S. Copyright Act, 17 USC § 101, *et seq.*, the Materials are a “work made for hire” and all ownership of copyright in the Materials shall vest in the City at the time the Materials are created. To the extent that the Materials are not a “work made for hire,” the Contractor (by this Agreement) sells, assigns and transfers all right, title and interest in and to the Materials to the City, including the right to secure copyright, patent, trademark, and other intellectual property rights throughout the world and to have and to hold such rights in perpetuity.

**28. ARPA FUNDS:** The Contractor agrees and acknowledges that some or all of the funds encumbered by the City to pay for the services described herein have been provided in accordance with Section 603(b) of the Social Security Act, as added by Section 9901 of the American Rescue Plan Act, Public Law No. 117-2 (March 11, 2021) (along with all rules and regulations promulgated thereunder, “ARPA”). The Parties acknowledge that all funding from ARPA (collectively, “ARPA Funds”) may only be used to cover those eligible costs incurred by the City during the period that begins on March 3, 2021 and ends on December 31, 2024:

**a.** To respond to the public health emergency with respect to the Coronavirus Disease 2019 (“COVID- 19”) or its negative economic impacts, including

assistance to households, small businesses, and nonprofits, or to aid impacted industries such as tourism, travel and hospitality;

**b.** To respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers of the City that are performing such essential work, or by providing grants to eligible employers that have eligible workers who perform essential work;

**c.** For the provision of government services to the extent of the reduction in revenue of the City due to the COVID-19 public health emergency relative to the revenues collected in the most recent full fiscal year of the City prior to the emergency; or

**d.** To make necessary investments in water, sewer, or broadband infrastructure.

The Contractor shall only utilize ARPA Funds for the purposes described in the Scope of Services attached as **Exhibit A**. The Contractor agrees and acknowledges that, as a condition to receiving the ARPA Funds, it shall strictly follow the Coronavirus Local Fiscal Recovery Fund Award Terms and Conditions attached hereto and incorporated herein as **Exhibit C**. All invoices submitted by the Contractor to the City pursuant to this Agreement shall use “COVID-19” or “Coronavirus” as a descriptor for those costs that are paid by ARPA Funds to facilitate the tracking of Agreement-related spending related to COVID-19. The Contractor shall segregate and specifically identify the time and expenditures billed to the City on each invoice to allow for future review and analysis of COVID-19 related expenses. To avoid an unlawful duplication of federal benefits, the Parties agree and acknowledge that the services and/or goods provided by the Contractor for which ARPA Funds are used shall not, to the extent that ARPA Funds are used, also be paid for or reimbursed by monies provided under any other federal program.

The Contractor agrees and acknowledges that all services performed and/or goods provided by the Contractor using CRF Funds must be performed and/or provided by the Contractor no later than December 31, 2021. Further, the Contractor agrees and acknowledges that payment for all services performed and/or goods provided by the Contractor using CRF Funds must be provided by the City to the Contractor no later than March 30, 2022. As such, the Contractor shall invoice the City not later than February 28, 2022 for all work performed pursuant to this Agreement for which CRF Funds will be used to enable sufficient time for the City to review, process, and pay

such invoice by the March 30, 2022 deadline prescribed in the CARES Act (the “Invoice Deadline Date”). Any invoice submitted by the Contractor after the Invoice Deadline Date for services performed and/or goods provided on or prior to December 31, 2021 may not be eligible to be paid by CRF Funds, and, to the extent that CRF Funds are not available to pay such invoice, partially or in total, such invoice shall only be paid subject to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of this Agreement.

The City agrees and acknowledges that it shall obligate the use of ARPA funds for the services performed and/or good provided by the Contractor under this Agreement no later than December 31, 2024. The Contractor agrees and acknowledges that all services performed and/or goods provided by the Contractor using ARPA Funds must be performed and/or provided, respectively, by the Contractor no later than December 31, 2026. Further, the Contractor agrees and acknowledges that payment for all services performed and/or goods provided by the Contractor using ARPA Funds must be provided by the City to the Contractor no later than December 31, 2026. As such, the Contractor shall invoice the City not later than November 1, 2026 for all work performed pursuant to this Agreement for which ARPA Funds will be used to enable sufficient time for the City to review, process, and pay such invoice no later than the performance deadline prescribed in ARPA (the “Invoice Deadline Date”). Any invoice submitted by the Contractor after the Invoice Deadline Date for services performed and/or goods provided on or prior to December 31, 2026 may not be eligible to be paid by ARPA Funds, and, to the extent that ARPA Funds are not available to pay such invoice, partially or in total, such invoice shall only be paid subject to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of this Agreement.

To the extent that the Contractor’s services hereunder contemplate the spending of ARPA Funds, the Contractor shall provide to the City information responsive to mandatory performance measures, including programmatic data sufficient to conduct oversight as well as understand aggregate program outcomes. Further, in providing the ARPA-required information to the City, to the extent possible, Contractor shall provide this programmatic data related to such services disaggregated by race, ethnicity, gender, income, and other relevant demographic factors as may be determined by the City. The Contractor shall insert the

foregoing requirement into all subcontracts related to this Agreement, thereby obligating all subcontractors to the same reporting requirement as the Contractor.

**29. SURVIVAL OF CERTAIN PROVISIONS:** The terms of the Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of the Agreement survive the Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Contractor's obligations to provide insurance and to indemnify the City will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

**30. ADVERTISING AND PUBLIC DISCLOSURE:** The Contractor shall not include any reference to the Agreement or to services performed pursuant to the Agreement in any of the Contractor's advertising or public relations materials without first obtaining the written approval of the Executive Director. Any oral presentation or written materials related to services performed under the Agreement will be limited to services that have been accepted by the City. The Contractor shall notify the Executive Director in advance of the date and time of any presentation. Nothing in this provision precludes the transmittal of any information to City officials.

**31. PROTECTED INFORMATION AND DATA PROTECTION:**

**a. Compliance with Data Protection Laws:** The Contractor shall comply with all applicable international, federal, state, local laws, rules, regulations, directives, and policies relating to data protection, use, collection, disclosures, processing, and privacy as they apply to the Contractor under this Agreement, including, without limitation, applicable industry standards or guidelines based on the data's classification relevant to the Contractor's performance hereunder and, when applicable, the most recent iterations of § 24-73-101, *et seq.*, C.R.S., IRS Publication 1075, the Health Information Portability and Accountability Act (HIPAA), the U.S. Department of Justice, Federal Bureau of Investigation, Criminal Justice Information Services Security Policy for all Criminal Justice Information, the Colorado Consumer Protection Act, and the Payment Card Industry Data Security Standard (PCI-DSS), (collectively, "Data Protection Laws"). If the Contractor becomes aware that it cannot reasonably comply with the terms or conditions contained herein due to a conflicting law or policy, the Contractor shall promptly notify the City.

**b. Safeguarding Protected Information:** “Protected Information” means data, regardless of form, that has been designated as private, proprietary, protected, or confidential by law, policy, or the City. Protected Information includes, but is not limited to, employment records, protected health information, student records, education records, criminal justice information, personal financial records, research data, trade secrets, classified government information, other regulated data, and personally identifiable information as defined by §§ 24-73-101(4)(b) and 6-1-716(1)(g)(I)(A), C.R.S., as amended. Protected Information shall not include public records that by law must be made available to the public pursuant to the Colorado Open Records Act § 24-72-201, *et seq.*, C.R.S. To the extent there is any uncertainty as to whether data constitutes Protected Information, the data in question shall be treated as Protected Information until a determination is made by the City or an appropriate legal authority. Unless the City provides security protection for the information it discloses to the Contractor, the Contractor shall implement and maintain reasonable security procedures and practices that are both appropriate to the nature of the Protected Information disclosed and that are reasonably designed to help safeguard Protected Information from unauthorized access, use, modification, disclosure, or destruction. Disclosure of Protected Information does not include disclosure to a third party under circumstances where the City retains primary responsibility for implementing and maintaining reasonable security procedures and practices appropriate to the nature of the Protected Information, and the City implements and maintains technical controls reasonably designed to safeguard Protected Information from unauthorized access, modification, disclosure, or destruction or effectively eliminate the third party's ability to access Protected Information, notwithstanding the third party's physical possession of Protected Information. If the Contractor has been contracted to maintain, store, or process personal information on the City's behalf, the Contractor is a “Third-Party Service Provider” as defined by § 24-73-103(1)(i), C.R.S.

**c. Data Access and Integrity:** The Contractor shall implement and maintain all appropriate administrative, physical, technical, and procedural safeguards necessary and appropriate to ensure compliance with the standards, guidelines, and Data Protection Laws applicable to the Contractor's performance hereunder to ensure the security and confidentiality of all data. The Contractor shall protect against threats or hazards to the security or integrity of data; protect against unauthorized disclosure, access to, or use of any data; restrict access to data as necessary; and ensure the proper use of data. The Contractor shall not engage in “data mining”

except as specifically and expressly required by law or authorized in writing by the City. All data and Protected Information shall be maintained and securely transferred in accordance with industry standards. Unless otherwise required by law, the City has exclusive ownership of all data it discloses under the Agreement, and the Contractor shall have no right, title, or interest in data obtained in connection with the services provided herein.

**d. Data Retention, Transfer, Litigation Holds, and Destruction:** Using appropriate and reliable storage media, the Contractor shall regularly backup data used in connection with this Agreement and retain such backup copies consistent with the Contractor's data retention policies. Upon termination of the Agreement, the Contractor shall securely delete or securely transfer all data, including Protected Information, to the City in an industry standard format as directed by the City; however, this requirement shall not apply to the extent the Contractor is required by law to retain data, including Protected Information. Upon the City's request, the Contractor shall confirm the data disposed of, the date disposed of, and the method of disposal. With respect to any data in the Contractor's exclusive custody, the City may request that the Contractor preserve such data outside of its usual record retention policies. The City will promptly coordinate with the Contractor regarding the preservation and disposition of any data and records relevant to any current or anticipated litigation, and the Contractor shall continue to preserve the records until further notice by the City. Unless otherwise required by law or regulation, when paper or electronic documents are no longer needed, the Contractor shall destroy or arrange for the destruction of such documents within its custody or control that contain Protected Information by shredding, erasing, or otherwise modifying the Protected Information in the paper or electronic documents to make it unreadable or indecipherable.

**e. Software and Computing Systems:** At its reasonable discretion, the City may prohibit the Contractor from the use of certain software programs, databases, and computing systems with known vulnerabilities to collect, use, process, store, or generate data and information, with Protected Information, received as a result of the Contractor's services under this Agreement. The Contractor shall fully comply with all requirements and conditions, if any, associated with the use of software programs, databases, and computing systems as reasonably directed by the City. The Contractor shall not use funds paid by the City for the acquisition, operation, or maintenance of software in violation of any copyright laws or licensing restrictions. The Contractor shall maintain commercially reasonable network security that, at a minimum, includes network

firewalls, intrusion detection/prevention, enhancements or updates consistent with evolving industry standards, and periodic penetration testing.

**f. Background Checks:** The Contractor will ensure that, prior to being granted access to Protected Information, the Contractor's agents, employees, subcontractors, volunteers, or assigns who perform work under this Agreement have all undergone and passed all necessary criminal background screenings, have successfully completed annual instruction of a nature sufficient to enable them to effectively comply with all data protection provisions of this Agreement and Data Protection Laws, and possess all qualifications appropriate to the nature of the employees' duties and the sensitivity of the data.

**g. Subcontractors and Employees:** If the Contractor engages a subcontractor under this Agreement, the Contractor shall impose data protection terms that provide at least the same level of data protection as in this Agreement and to the extent appropriate to the nature of the services provided. The Contractor shall monitor the compliance with such obligations and remain responsible for its subcontractor's compliance with the obligations of this Agreement and for any of its subcontractors acts or omissions that cause the Contractor to breach any of its obligations under this Agreement. Unless the Contractor provides its own security protection for the information it discloses to a third party, the Contractor shall require the third party to implement and maintain reasonable security procedures and practices that are appropriate to the nature of the Protected Information disclosed and that are reasonably designed to protect it from unauthorized access, use, modification, disclosure, or destruction. Any term or condition within this Agreement relating to the protection and confidentiality of any disclosed data shall apply equally to both the Contractor and any of its subcontractors, agents, assigns, employees, or volunteers. Upon request, the Contractor shall provide the City copies of its record retention, data privacy, and information security policies.

**h. Security Breach:** If the Contractor becomes aware of an unauthorized acquisition or disclosure of unencrypted data, in any form, that compromises the security, access, confidentiality, or integrity of Protected Information or data maintained or provided by the City ("Security Breach"), the Contractor shall notify the City in the most expedient time and without unreasonable delay. The Contractor shall fully cooperate with the City regarding recovery, lawful notices, investigations, remediation, and the necessity to involve law enforcement, as determined

by the City and Data Protection Laws. The Contractor shall preserve and provide all information relevant to the Security Breach to the City; provided, however, the Contractor shall not be obligated to disclose confidential business information or trade secrets. The Contractor shall indemnify, defend, and hold harmless the City for any and all claims, including reasonable attorneys' fees, costs, and expenses incidental thereto, which may be suffered by, accrued against, charged to, or recoverable from the City in connection with a Security Breach or lawful notices.

i. **Request for Additional Protections and Survival:** In addition to the terms contained herein, the City may reasonably request that the Contractor protect the confidentiality of certain Protected Information or other data in specific ways to ensure compliance with Data Protection Laws and any changes thereto. Unless a request for additional protections is mandated by a change in law, the Contractor may reasonably decline the City's request to provide additional protections. If such a request requires the Contractor to take steps beyond those contained herein, the Contractor shall notify the City with the anticipated cost of compliance, and the City may thereafter, in its sole discretion, direct the Contractor to comply with the request at the City's expense; provided, however, that any increase in costs that would increase the Maximum Contract Amount must first be memorialized in a written amendment complying with City procedures. Obligations contained in this Agreement relating to the protection and confidentiality of any disclosed data shall survive termination of the Agreement, and the Contractor shall continue to safeguard all data for so long as the data remains confidential or protected and in the Contractor's possession or control.

**32. CONFIDENTIAL INFORMATION:**

a. **City Information:** Contractor acknowledges and accepts that, in performance of all work under the terms of this Agreement, Contractor may have access to Proprietary Data or confidential information that may be owned or controlled by the City, and that the disclosure of such Proprietary Data or information may be damaging to the City or third parties. Contractor agrees that all Proprietary Data, confidential information or any other data or information provided or otherwise disclosed by the City to Contractor shall be held in confidence and used only in the performance of its obligations under this Agreement. Contractor shall exercise the same standard of care to protect such Proprietary Data and information as a reasonably prudent contractor would to protect its own proprietary or confidential data. "Proprietary Data" shall mean any materials or information which may be designated or marked "Proprietary" or "Confidential",

or which would not be documents subject to disclosure pursuant to the Colorado Open Records Act or City ordinance, and provided or made available to Contractor by the City. Such Proprietary Data may be in hardcopy, printed, digital or electronic format.

**33. CITY EXECUTION OF AGREEMENT:** The Agreement will not be effective or binding on the City until it has been fully executed by all required signatories of the City and County of Denver, and if required by Charter, approved by the City Council.

**34. AGREEMENT AS COMPLETE INTEGRATION-AMENDMENTS:** The Agreement is the complete integration of all understandings between the parties as to the subject matter of the Agreement. No prior, contemporaneous or subsequent addition, deletion, or other modification has any force or effect, unless embodied in the Agreement in writing. No oral representation by any officer or employee of the City at variance with the terms of the Agreement or any written amendment to the Agreement will have any force or effect or bind the City.

**35. USE, POSSESSION OR SALE OF ALCOHOL OR DRUGS:** Contractor shall cooperate and comply with the provisions of Executive Order 94 and its Attachment A concerning the use, possession or sale of alcohol or drugs. Violation of these provisions or refusal to cooperate with implementation of the policy can result in contract personnel being barred from City facilities and from participating in City operations.

**36. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS:** Contractor consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature under the Agreement, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

OMB Approved No. 1505-0271

Expiration Date: November 30, 2021

**ASSURANCES OF COMPLIANCE WITH CIVIL RIGHTS REQUIREMENTS**  
**ASSURANCES OF COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT OF 1964**

As a condition of receipt of federal financial assistance from the Department of the Treasury, the recipient named below (hereinafter referred to as the "Recipient") provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the Recipient's beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The assurances apply to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Recipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of the Recipient's program(s) and activity(ies), so long as any portion of the Recipient's program(s) or activity(ies) is federally assisted in the manner prescribed above.

1. Recipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
2. Recipient acknowledges that Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency," seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Recipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury's implementing regulations. Accordingly, Recipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient's programs, services, and activities.
3. Recipient agrees to consider the need for language services for LEP persons when Recipient develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>.
