RE: Zoning Map Amendment Application #2011I-00040
4239 Tejon Street
Rezoning from U-MS-2 to U-TU-C

Staff Report and Recommendation

Based on the criteria for review including legal basis evaluation and compliance with adopted City plans, Staff recommends approval for application #2011I-00049 for a rezoning from U-MS-2 to U-TU-C.

I. Scope of Rezoning

Application:	#2011I-00049
Address:	4239 Tejon Street
Neighborhood/Council District:	Sunnyside / Council District #9
RNOs:	Sunnyside United Neighbors Northwest Neighbors Coalition Northwest Quadrant Association Inter-neighborhood Cooperation
Area of Property:	0.11 Acres / 5,075 SF
Current Zoning:	U-MS-2
Proposed Zoning:	U-TU-C
Applicant/Owner:	Owners, Keith Hagan and Susan Kang
Contact Person:	Susan Kang

II. Summary of Proposal and Existing Conditions

This proposal will rezone the subject property from U-MS-2 to U-TU-C. No change is proposed to the existing residential structure. The intent of the rezoning is to remove the property from a commercial zone district to a residential one. The impetus for the change is the impending sale of the adjacent property on the south side of the subject property. The adjacent property is zoned U-MS-2 and if the property were to redevelop there would be no side setback required between the two properties. By rezoning to U-TU-C the owner of the subject property ensures that a ten foot side setback will be required in any new development

The site is located on Tejon Street, mid-block between 42nd and 43rd Avenues. In the vicinity of the site is Smedley Elementary School one block west and 1/2 block north is Chaffee Park. The existing structure was built in 1891. The site is surrounded by single family land uses on the east south and west and low-rise multi-unit residential land uses on the north. The local block pattern consists primarily of rectilinear blocks with a traditional grid pattern of streets and alleys, and with detached sidewalks and tree lawns.

III. Legal Justification for Rezoning

Changed Conditions

Rezoning to U-TU-C will affirm the residential land use of the property by taking the property from a commercial zone district to a residential one. The U-TU-C district is a protected zone district. As such, the effect of the rezoning will be to impose a new ten feet side setback on any redevelopment of the adjacent southern property which will retain the U-MS-2 zone district.

IV. Existing Context

	Existing Zoning	Existing Land Use	Blueprint Denver
Site	U-MS-2	Single Family Residential	Area of Stability Single Family Residential
North	U-TU-C	Vacant and Low-rise Multi-unit	Area of Stability Single Family Residential
South	U-MS-2	Single Family Residential	Area of Stability Single Family Residential
West	U-TU-C	Single Family and Low-rise Multi-unit Residential	Area of Stability Single Family Residential
East	U-TU-C	Single Family Residential	Area of Stability Single Family Residential

Tejon Street Property North of the Subject Property

Tejon Street Property South of the Subject Property

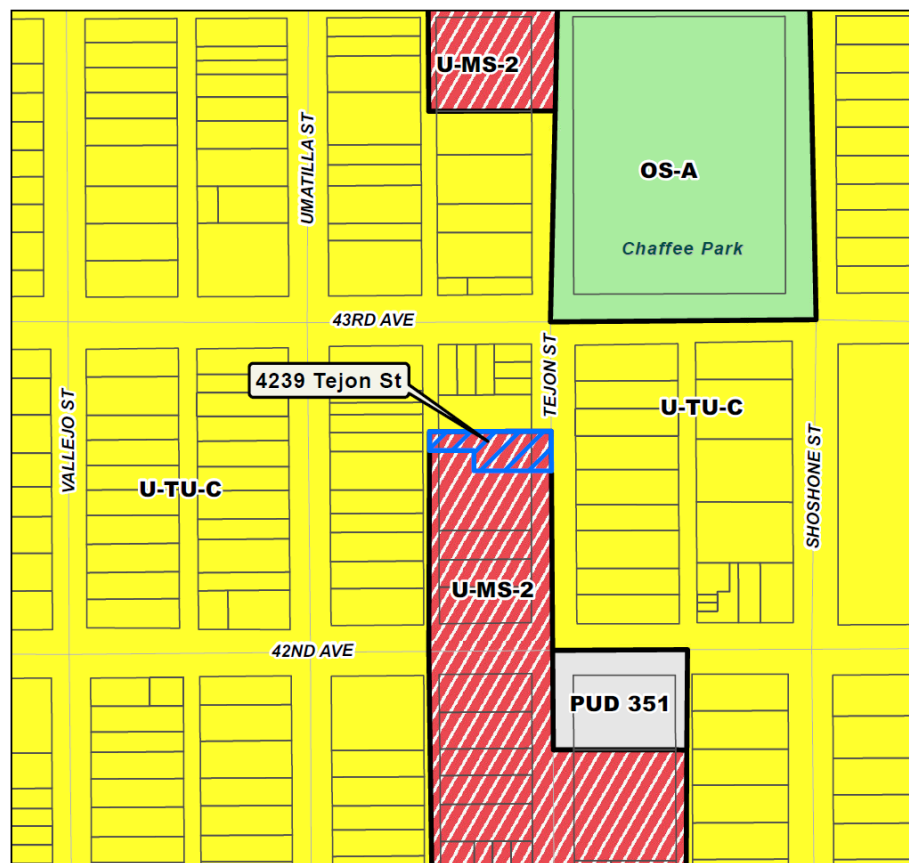

Subject Property

Tejon Street Property East of the Subject Property

Umatilla Street Property West of the Subject Property

V. Summary of Legal Notice and Public Process

Written notification of the Planning Board Meeting was sent to all affected Registered Neighborhood Associations and notification signs were posted on the property fifteen days prior to the meeting.

VI. Summary of Agency Referral Responses

This rezoning has been reviewed concurrently within the context of the Denver Zoning Code and other applicable City Codes as utilized by the referral agencies listed below.

Asset Management:	Approve, No Comments
Denver Fire Department:	Approve Rezoning Only
Denver Parks:	No Comments Received
Development Services-City Survey:	Approve
Development Services-Transportation:	Approve Rezoning Only
Development Services-Wastewater:	No Comments Received

VII. Community Response

The applicant contacted all affected Registered Neighborhood Associations. The applicant has collected signatures of support from nearby neighbors and those are attached. To date, no other comment has been received from the community.

VIII. Criteria for Review

The criteria for review of this rezoning application include conformance with adopted regulations, and with the Comprehensive Plan and applicable supplements. Applicable documents are:

- *Denver Comprehensive Plan 2000*
- *Blueprint Denver*
- *Sunnyside Neighborhood Plan (1992, Re-adopted 2000)*
- *Denver Zoning Code*

A. Denver Comprehensive Plan 2000

The proposal is consistent with and positively addresses many Denver Comprehensive Plan objectives, including:

- Land Use chapter, Objective 3 is to “*Preserve and enhance the individuality, diversity and livability of Denver’s neighborhoods and expand the vitality of Denver’s business centers.*” (p.59).
- Housing chapter, Objective 2 is to “*Encourage preservation and modernization of Denver’s existing housing stock and established neighborhoods...*” (p.114).
- Neighborhoods chapter, Objective 1 is to “*Strengthen the positive attributes and distinctive character of each neighborhood to help sustain Denver as a healthy, vital city.*” (p. 149)

B. Blueprint Denver

Blueprint Denver, the City’s Land Use and Transportation Plan, identifies the property as being within an Area of Stability with a land use recommendation of Single Family Residential. The Blueprint Denver street type for Tejon Street is Residential Collector.

The U-TU-C zone district will change the zoning of the existing residential structure from a commercial zone district to a residential one. In addition, the existing structure is in scale with the existing neighborhood.

C. Sunnyside Neighborhood Plan

The 1992 Sunnyside Neighborhood Plan was re-adopted in 2000 as a supplement to Denver Comprehensive Plan 2000. The proposed rezoning positively addresses Plan goals and strategies in the following ways:

- Land Use and Zoning Goal is to *“Maintain and stabilize the residential character of Sunnyside while encouraging small scale shops and offices, particularly in the commercial zones along 44th Avenue and Tejon Street, that will enhance and serve the neighborhood.”* (p. 18)
- Land Use Policy LUZ-8 is *“Do not allow commercial and industrial expansion into residential zones unless:*
 - *Physical deterioration exists*
 - *The housing is non-conforming*
 - *Speculation and redevelopment have made it impossible to retain the existing character*
 - *Existing transportation corridors have diminished the demand for residential uses.”* (p.20)
- Housing Goal is to *“Stabilize and upgrade the housing stock by encouraging long term residency and increasing home ownership.”* (p.47)
- Economic Development Strategy ED-4 is to *“Work towards a goal of concentrated commercial nodes, rather than scattered site development...”*(p.52)

Existing commercial uses on Tejon Street are concentrated in two locations, between 40th and 42nd Avenues, and at the intersection of 44th Avenue and Tejon Street. The existing land uses on Tejon Street, on the subject block, are exclusively residential land uses on both sides of the street. The U-TU-C zone district will support the residential land use of the property.

D. Denver Zoning Code

The Denver Zoning Code (Section 12.4.10) requires all Official Map Amendments to comply with the following criteria.

1. General Review Criteria Applicable to All Zone Map Amendments (Section 12.4.10.13)

As proposed, rezoning #2011I-00049 is consistent with the general review criteria outlined in this section of the Denver Zoning Code including:

- A. Consistency with Adopted Plans:** Rezoning #2011I-00049 implements and is consistent with recommendations in adopted plans.
- B. Uniformity of District Regulations and Restrictions:** Rezoning the site to U-TU-C will have no effect on the uniformity of district regulations.
- C. Public Health, Safety and General Welfare:** The proposed map amendment furthers the public health, safety and general welfare of the City.

2. Additional Review Criteria for Non-legislative Rezoning (Section 12.4.10.14)

A. Justifying Circumstances

Denver Zoning Code Criteria is that the land or its surrounding environs has changed to such a degree that it is in the public interest to encourage a redevelopment of the area or to recognize the changed character of the area. The proposed map amendment is in response to the existing character of the area. In the recent citywide rezoning of the city, the U-MS-2 zoning was selected based upon the Former Chapter 59 B-2 zoning of the property. The property was zoned B-2 in 1956. The B-2 zoning allows small-scale neighborhood serving retail land uses. Since 1956 the anticipated commercial uses

have never developed on the subject block. The use of the property has remained residential. The proposed rezoning acknowledges the residential land use of the subject property. The proposed U-TU-C zone district will bring the property into a compatible zone district with the existing land use.

B. Consistency with Neighborhood Context Description, Zone District Purpose and Intent Statements

Denver Zoning Code Criteria is that the proposed official map amendment should be consistent with the descriptions of the applicable neighborhood context, and with the stated purpose and intent of the proposed zone district. Overall, the proposed map amendment is consistent with the Urban Neighborhood Context which is primarily single-unit, two-unit and small-scale multi-unit residential uses and mixed use commercial areas which are pedestrian-scaled diverse areas embedded in residential areas. Single and two-unit residential uses are typically located along local and residential arterial streets. In addition, the proposal is consistent with the purpose of residential zone districts which is to promote and protect residential neighborhoods, and with the intent of the U-TU-C zone district where a building scale of 1-2.5 stories is desired.

IX. Staff Recommendation

Based on the criteria for review as defined above, Staff recommends **approval** for rezoning the property located at 4239 Tejon Street (Application #2011I-00049) to U-TU-C.

APPLICANT & OWNER INFORMATION SHEET

[1] Section 59-648(c) of the Denver Revised Municipal Code requires that an applicant for rezoning provide the applicant's name, address, and respective ownership interest, if any, on the application. In addition, unless subject to paragraph [2] below, the applicant must provide, in the space provided on this form, a list of all the owners of the property and the holders of deeds of trust, identifying which owners and holders of deeds of trust are represented by the applicant.

[2] If the application is for designation of an area as B-2, B-3, R-X or PUD zone district, the applicant must submit the concurrence of the owners and holders of deeds of trust of the entire land area to be included in the proposed district (and any structures thereon). In such cases, this form must be completed for each individual owner, together with sufficient evidence of ownership for each owner and holder of a deed of trust. Documentation verifying ownership interest may include (but is not limited to): Copies of deeds, powers of attorney, and corporate/partnership registrations filed with the Secretary of State.

COMMUNITY PLANNING
AND DEVELOPMENT

These signatures are from my immediate block; my side of the street, across the street, around the corner as well as my alley neighbors. Also included are a few neighbors immediately outside this area. Everyone who I did speak to had no objections whatsoever. The signatures represent those neighbors that were home. I tried every home at least twice, sometimes three.

If there are any questions, please call me @ 720-273-8973.

Thank you,

Susan Kang
