DSBO does not endorse any data or findings that may arise from further alterations or manipulations to the contents of this report. If any of the data contained herein is employed in an official publication, it is requisite that DSBO conducts a thorough review and grants approval prior to dissemination. DSBO data is subject to various laws, regulations, and policies, and the user is responsible for understanding and complying with such laws, regulations, and policies. By accessing this report, the user agrees to hold harmless the author and the Division of Small Business Opportunity from any liability arising from the use or reliance on the information contained herein.

This report contains information that is based on data obtained from citywide agency contracts being tracked and monitored by the Division of Small Business Opportunity (DSBO) with a DSBO program requirement. While every effort has been made to ensure the accuracy of the information, the data is provided "as is" and without warranties of any kind, either express or implied. The user of this report acknowledges that the information contained herein may be subject to change, and that any reliance on the information provided is at the user's own risk.

In coordination with city agencies, DSBO continues to progress equity by fostering relationships, maximizing opportunities, and reducing barriers in procurement processes. While DSBO tracks ethnicity and gender for certification integrity, the city cannot set race-based program requirements or goals, nor can it require prime contractors to utilize a specific minority group on a project. Furthermore, the inclusion of any particular information in this report should not be construed as an endorsement or recommendation by the Division of Small Business Opportunity of any product, service, or enterprise. The views and opinions expressed in this report are those of the author and do not necessarily reflect the views or opinions of DSBO or the City and County of Denver.
