DIVISION 11.7 ACCESSORY USE LIMITATIONS AND STANDARDS

The Summary Use and Parking Tables in Articles 3 through 9 reference any limitations and standards applicable to allowed primary, accessory, or temporary uses. This Division contains general standards applicable to all accessory uses across multiple zone districts and neighborhood contexts.

SECTION 11.7.1 GENERAL PROVISIONS APPLICABLE TO ALL ACCESSORY USES

11.7.1.1 General Allowance for Accessory Uses

Any use that complies with the conditions listed in this Division 11.7 may be operated as an accessory use to a primary use permitted by right, a use subject to limitations, or to a use by Special Exception review unless specifically prohibited. In this Section 11.7.1, the term “use by right” also includes these two other types of uses. Some zone districts allow certain specific accessory uses as listed in the Divisions 11.7, 11.8 and 11.9 below. Accessory uses need not be enclosed, unless specifically stated herein.

11.7.1.2 General Conditions for All Accessory Uses

All accessory uses, except accessory dwelling unit uses, must comply with all of the following general conditions. Accessory dwelling units, where permitted, must comply with the specific conditions stated in Section 11.8.2 instead of these general conditions.

- A. Such use shall be clearly incidental and customary to and commonly associated with the operation of the primary use by right.
- B. Such accessory use shall be operated and maintained under the same ownership and on the same zone lot as the use by right; provided, however, that in all Mixed Use Commercial Zone Districts, lessees or concessionaires may operate the accessory use; and provided further that in nonresidential structures owned and operated by a place for religious assembly in a Residential Zone District, non-profit lessees or concessionaires may operate the accessory use.
- C. Such use shall not include residential occupancy in a detached accessory structure offered for rent or for other commercial gain. Residential occupancy in a detached accessory structure is allowed by members of a household occupying the primary structure, or domestic employees and the immediate families of such employees.
- D. The area of specific accessory uses shall be calculated as follows:
 1. **Pool tables.** The area occupied shall be calculated by adding 3 feet to each dimension of such pool table to include the area of play.
 2. **Pinball, video games and other similar amusement devices.** The area occupied shall be calculated by adding three feet to the area directly in front of the device.
 3. **Dance floors.** The area shall be the sum total of all of the areas of the dance floor and any stage or area used for the playing or performance of recorded or live music.
- E. The growing of medical marijuana is prohibited as accessory to a primary nonresidential use established in a Residential Zone District.

11.7.1.3 Limitations in the Principal Structure

- A. **Applicability**
Section 11.7.1.3's limitations on accessory uses in the principal structure shall apply to all accessory uses operated partially or entirely within the structure containing the use by right. A limitation in Section 11.7.3.1.B shall not apply when it conflicts with a limitation specific to an accessory use found in Divisions 11.8, 11.9 or 11.10.

B. Limitations in the Principal Structure

If an accessory use is operated partially or entirely within the structure containing the use by right, the gross floor area within such structure utilized by the accessory use (except ~~garages,~~ loading docks, and dining rooms for the exclusive use of occupants or persons employed in the structure) shall not be greater than:

1. In a Residential Zone District, ~~except for a permitted accessory dwelling unit use~~ 20 percent of the gross floor area, but not to exceed 300 square feet, of a single unit dwelling use, two-unit dwelling use, or multi dwelling unit use in a structure containing 8 or less dwelling units.

~~In a Residential Zone District, for a permitted accessory dwelling unit use, please see Section 11.8.2.~~

2. In a Residential Zone District, 10 percent of the gross floor area occupied by a use by right other than a single unit dwelling use, two-unit dwelling use, or a multiple unit dwelling use in a structure containing 8 or less dwelling units.

3. ~~Except for a permitted accessory dwelling unit use,~~ in a Mixed Use Commercial Zone District or Industrial Zone District, 20 percent of the gross floor area of the structure containing the primary use by-right.

11.7.1.4 Prohibited Accessory Uses in Residential Zone Districts

In a Residential Zone District, the following accessory uses are specifically prohibited:

- A. The sale, lease, trade or other transfer of firearms or ammunition by a firearms dealer in Residential Zone Districts.
- B. The accessory parking/storage of vehicles, trailers, commercial vehicles, and RVs are governed by Division 10.9, Parking, Keeping and Storage of Vehicles, of this Code.

SECTION 11.8.3 DOMESTIC EMPLOYEES

In all Zone Districts, where permitted with limitations:

11.8.3.1 Housing of one or more domestic employee(s), as defined in Article 13, is allowed as accessory to all primary residential household living uses.

SECTION 11.8.4 GARDEN

11.8.4.1 All Zone Districts

In all Zone Districts, where permitted with limitations:

- A. A garden shall be maintained, including necessary watering, pruning, pest control, and removal of dead or diseased plant material.
- B. Detached accessory structures incidental to the garden use, such as accessory storage or utility buildings, gazebos, trellis, or accessory greenhouse structures, are permitted subject to compliance with all applicable building form standards in the subject zone district.
- C. The growing of medical marijuana shall comply with the following:
 1. No more than 6 plants may be grown for each patient registry identification card holder residing in a dwelling unit, not to exceed 12 plants per dwelling unit.
 2. Growing and/or storage of medical marijuana shall occur within a completely enclosed structure.
 3. Growing and/or storage of medical marijuana shall not occur in a common area associated with the dwelling unit.
 4. Growing shall be for personal use only by patient registry identification card holders residing in the dwelling unit; retail or wholesale sales of goods or products derived from the growing of medical marijuana and any off-site distribution of such plants or derived products are prohibited.

11.8.4.2 All Residential Zone Districts

In a Residential Zone District, where permitted with limitations:

- A. Retail or wholesale sales of goods or products derived from ~~the accessory a~~ garden ~~use~~ accessory to a primary residential use are prohibited in a Residential Zone District.

SECTION 11.8.5 GREENHOUSE

11.8.5.1 All Zone Districts

In all zone districts, where permitted with limitations:

- A. The growing of medical marijuana shall comply with the following:
 1. No more than 6 plants may be grown for each patient registry identification card holder residing in a dwelling unit, not to exceed 12 plants per dwelling unit.
 2. Growing and/or storage of medical marijuana shall occur within a completely enclosed structure.
 3. Growing and/or storage of medical marijuana shall not occur in a common area associated with the dwelling unit.
 4. Growing shall be for personal use only by patient registry identification card holders residing in the dwelling unit; retail or wholesale sales of goods or products derived from the growing of medical marijuana and any off-site distribution of such plants or derived products are prohibited.

11.8.5.2 All Residential Zone Districts

In a Residential Zone District, where permitted with limitations:

- A. Retail or wholesale sales of goods or products derived from a greenhouse accessory to a primary residential use are prohibited in a Residential Zone District.
- B. Retail or wholesale sales of goods or products derived from a greenhouse accessory is allowed when the greenhouse is accessory to a primary nonresidential use in a Residential Zone District only, including but not limited to a permitted Public, Institutional and Civic Use.

SECTION 11.8.6 KEEPING OF HOUSEHOLD ANIMALS

In all Zone Districts, where permitted with limitations:

A. Types of Animals Allowed

The keeping of domestic animals is allowed as accessory to a by right dwelling unit use subject to compliance with the following standards regarding number and kinds of animals:

KIND OF ANIMAL ALLOWED	PERMITTED NUMBER OF ANIMALS ALLOWED / STANDARDS
Dogs	3 maximum
Cats	5 maximum
Combination of dogs and cats	No more than 5 dogs and cats combined provided there are no more than 3 dogs as part of the total.
Rabbits	2 maximum
Pigeons or doves	25 maximum
Horses	No more than 1 horse for each 1/2 acre of zone lot area
Small rodents--Rats, mice, guinea pigs, hamsters and other similar animals	No numerical limit, however, the raising or breeding of these animals for resale is prohibited
Fish	No numerical limit, however, the raising or breeding of these animals for resale is prohibited
Small reptiles and amphibians. The types of these animals is regulated by chapter 8 of the Revised Municipal Code	No numerical limit, however, the raising or breeding of these animals for resale is prohibited.
Domestic Honey Bees	2 hives per zone lot; hives must be in rear 1/3 of zone lot with a 5 foot setback from side and rear zone lot lines; the hives must be screened so that the bees must surmount a six foot barrier, which may be vegetative, before leaving the property; no outdoor storage of any bee paraphernalia or hive materials not being used as a part of a hive.

B. Animal Keeping Exceptions

In addition to the animals permitted specifically by this Section 11.8.6, the Zoning Administrator may authorize, upon application in specific cases, an exception permitting the keeping of animals in connection with the operation of a primary residential use. Such exception shall be subject to the procedures stated in Section 11.8.1 for determination of unlisted accessory uses, including any terms and conditions fixed by the Zoning Administrator, and subject to compliance with the additional conditions stated in this paragraph below.

1. The application shall be filed in the name of the land owner.
2. The owner/tenant seeking the exception must occupy the subject property as his/her primary residence.
3. The animal shall be kept solely as a pet; a hobby; for educational, research, rehabilitation or propagation purposes; or for the production of food products for personal consumption by the resident.
4. The application shall contain provisions which ensure that the exception will not substantially or permanently injure the appropriate use of adjacent conforming property. In

- 86.1. Common Area:** Areas within a building or within a residential development that are available for common use by all owners or tenants. Examples of common areas include, but are not limited to: a clubhouse, courtyard or other shared recreation area; building lobbies, corridors, and stairways; parking areas; laundry room; roof; or storage rooms.
- 87. Communications and Information Use Category:** Communication and Information includes plant, equipment and property used for the transmission of voice, data, image or video programming.
- 88. Communications Services:** Establishments engaged in the provision of television and film production, broadcasting, and other information relay services accomplished through the use of electronic and telephone mechanisms; excluding, however, telecommunication facilities major impact utilities. Facilities that broadcast exclusively over the Internet and have no live, in-building audiences to broadcasts shall also be excluded from this definition and shall be classified as non-dental or non-medical “office” uses. Typical uses include: television studios; television and film production studios; broadcast and/or recording studios; telecommunication or telecommuting service centers; or cable services.
- 89. Community Center:** A building, together with lawful accessory buildings and uses, used to provide social, recreational, cultural, educational, health care and/or food services, which is not operated for profit, and for which membership may be restricted to persons living in a specific geographical area. Any member fees assessed shall apply equally to all users.
- 90. Community / Public Services Use Category:** Community / Public Service uses are defined as community or public safety services that meet public needs for both safety and human services such as day care, community centers, fire, police, or life protection, together with incidental storage and maintenance of necessary vehicles. Typical uses include senior or community centers, adult or child day care, fire and police stations, detention facilities and ambulance services.
- 91. Community Corrections Facility:** A structure which provides a residence for three or more persons who have been placed in a community corrections program of correctional supervision, including a program to facilitate transition to a less-structured or independent residential arrangement; and residents of such facilities shall be those persons placed in the community corrections program by the judicial or correctional departments of the city, the state or the federal government. A community corrections facility shall be considered a large residential care use.
- 92. Compatibility or Compatible:** The characteristics of different uses or activities or designs that allow them to be located near or adjacent to each other without adverse effect. Some elements affecting compatibility include height, scale, mass and bulk of structures. Other characteristics include pedestrian or vehicular traffic, circulation, access, and parking impacts. Other important characteristics that affect compatibility are landscaping, lighting, noise, odor, building materials, and building architecture. Compatibility does not mean “the same as.” Rather, compatibility refers to the sensitivity of development proposals in maintaining the character and context of existing development.
- 93. Complete Application:** An application in the form required by this Code, including all information necessary to decide whether the application will comply with the requirements of this Code, including all items or exhibits specified during a pre-application conference or concept plan review, and accompanied by the applicable fee or fees.
- 94. Completely Enclosed Structure:** See “Structure, Completely Enclosed.”

234. Marquee: A roof like structure of a permanent nature that projects from the wall of a building or its supports and may overhang the public way.

235. Mass Transit: The general term used to identify bus, fixed rail, or other types of transportation service available to the general public that move relatively large numbers of people at one time.

236. Mass Transit Railway System: A system of conveyance available to the public which may include, but not be limited to, rail tracks and guideways, terminals, stations, passenger shelters, electrical power lines, maintenance and storage facilities, parking facilities, and transportation control features or fixtures.

237. Mechanized Parking: Parking of vehicles using mechanized equipment that replaces the need for a driver. Mechanized parking spaces may be narrower due to the lack of a need to enter or exit the vehicle.

237.1. Medical Marijuana: Marijuana plants used by persons suffering from debilitating medical conditions, as defined in the Colorado Revised Statutes, Section 12-43.3-104(7), as may be amended.

238. Midpoint: A point of a boundary line equally distant from the two lot lines intersecting it at right angles or within 45 degrees of a right angle.

239. Mining and Extractions and Energy Producing Systems Use Category: Mining, Extraction and Energy Producing Systems include the process of removing or extracting minerals and building stone from naturally occurring veins, deposits, bodies, beds, seams, fields, pools or other concentrations in the earth's crust. This term also includes the preliminary treatment of such ore or building stone.

240. Mini-Storage Facility: Provision of storage space for nonhazardous household or commercial goods within a completed enclosed building, which building typically permits direct public access to individual storage spaces. Storage of non-toxic, non-hazardous materials only, and sale or distribution of stored goods is prohibited. This use may include quarters for one or more persons employed by and residing at the mini-storage facility for the purpose of on-site management and security.

241. Mitigation: An action that will have one or more of the following effects:

- a. Avoiding an impact by not taking a certain action or parts of an action;

be used for production or for retail or wholesale trade. This definition includes, but is not limited to, all uses in the following SIC group:

- a. 5093 Scrap and waste materials.

326.1. Registry Identification Card: That document issued by a state health agency, which identifies a patient authorized to engage in the medical use of marijuana, as required by Colorado Revised Statutes, Section 25-1.5-107(7), as may be amended. See related definition of “Medical Marijuana,” above.

327. Religious Assembly: A building, together with its accessory buildings and uses, where persons regularly assemble for religious worship and which building, together with its accessory buildings and uses, is maintained and controlled by a religious body organized to sustain public worship.

328. Rental Room: A room rented for short-term or permanent occupancy, offered to the public for compensation and which may contain facilities for cooking.

329. Replacement Cost: The amount it would cost to replace an asset at current market prices.

330. Required Entrance: See “Entrance, Required,” above.

331. Residence for Older Adults: A single unit dwelling or multi-unit dwelling housing a number of unrelated mobile older adults (individuals fifty-five (55) or more years of age) in excess of the number of unrelated persons allowed per dwelling unit, receiving fewer services than a special care home or assisted living facility. A residence for older adults shall not be considered a residential care use.

332. Residential Care Use: A specific type of group living use where the residents are provided supervised medical, psychological, or developmental care or treatment on a daily, regular basis.

a. Types of Residential Care Uses

“Residential care use” is limited to the following specific types of group living uses:

- i. **Transitional housing:** See “Transitional Housing.”
- ii. **Shelter for the Homeless:** See “Shelter for the Homeless.”
- iii. **Community Corrections Facility:** See “Community Corrections Facility.”
- iv. **Special care home:** See “Special Care Home.”

b. Exclusions

Residential care uses shall NOT include any of the following types of group living or institutional uses:

- i. Assisted living facility
- ii. Foster family care
- iii. Nursing home or hospice
- iv. Residence for older adults
- v. Rooming and/or boarding house.
- vi. A residential structure containing residents whose principal form of support is financial assistance.
- vii. **Safe house:** See “Safe House.”

333. Residential Care Use, Large: A residential care use that is the primary residence of 9 or more persons. “Large residential care use” shall include a shelter for the homeless of any size, or a community corrections facility of any size.
