Vivent Health, Inc. will provide HOPWA Short Term Rent Mortgage Utility Assistance and Supportive Services programs to moderate- to low-income (80% AMI or less) individuals living with HIV/AIDS.

Service Program overview:

Short Term Rent Mortgage Utility Assistance (STRMU): The STRMU Program will provide housing assistance to eligible households for up to \$2,000 or 21 weeks (continuous or non-continuous) of assistance, whichever is higher, in a 52-week period. This program is designed to prevent homelessness by assisting to retain long-term, stable, permanent housing options for households that might otherwise lose their housing. The 52-week period for this program aligns with the calendar year. This program provides STRMU in the form of eviction/foreclosure prevention. STRMU assistance is designed to prevent homelessness of individuals and families by helping them remain in their own dwellings and increasing their access to supportive services. VIVENT will coordinate with any other agencies providing HOPWA STRMU in Metro Denver by using patients' Unique Record Number (URN) to mitigate "double-dipping".

Supportive Services: Collaboration with other case management services will be offered through Vivent Health and partners such as housing navigation, referrals to healthcare, support around adherence to healthcare and treatment, referrals to mental health and substance abuse counseling, referrals to support groups and psycho-educational workshops, housing resources and referrals, and vocational assistance. Support services at Vivent Health will be conducted by housing specialist along with integrated team of medical case managers and nursing personnel providing care and case management to clients.

Executive Summary

This contract was selected for Department of Housing Stability (HOST) funding as a result of the department's Notice of Funding Availability (NOFA) procurement process.

HOST initiated a Notice of Funding Availability (NOFA) procurement process in August 2020, as a basis for awarding many of the department's housing opportunity, housing stability and homelessness resolution programs/services contracts for 2021. HOST is now finalizing amendments to many of these contracts for the extension of services throughout 2022.

HOST sought proposals for a variety of programs and services utilizing both federal and local funds. The 2021 Housing Opportunity, Housing Stability, and Homelessness Resolution Programs NOFA specifically solicited proposals for programs or services to fund activities in the following areas:

- Housing programs or services
- Housing stability
- Homelessness resolution
- Innovative programs and services
- Professional facilitation services

Federal funding sources identified under the NOFA include Community Development Block Grant Program, Home Investment Partnerships Program, Emergency Solutions Grants, Housing Opportunities for Persons with AIDS Program, and CARES Act resources to support coronavirus response. Local/other funding sources included General Fund, Affordable Housing Fund, foundations, and individual donors that support housing development, preservation, and programmatic assistance for low- and moderate-income residents.

This project will fund HOPWA Short Term Rent, Mortgage and Utility Assistance, and Supportive Services programs to low-income individuals living with HIV/AIDS.
