30 extent it legally may, and specifically subject to the Constitution of the State of Colorado and the
31 Colorado Governmental Immunity Act, C.R.S. § 24-10-101, *et seq.*, as may be amended, to repair
32 or pay for the repair of any and all damages to said sanitary sewer, or those damages resulting

14 Area to its original condition under the supervision of the City Engineer.

15 (i) Permittee shall remove and replace any and all street/alley paving, sidewalks, and
16 curb and gutter, both inside the Encroachment Area and in the rights-of-way adjacent thereto, that
17 become broken, damaged or unsightly during the course of construction of the Encroachments. In
18 the future, Permittee shall also remove, replace or repair any street/alley paving, sidewalks, plaza
19 areas and curb and gutter that become broken or damaged when, in the opinion of the City
20 Engineer, the damage has been caused by the activity of the Permittee within the Encroachment
21 Area. All repair work shall be accomplished without cost to the City and under the supervision of
22 the City Engineer.

23 (j) The City reserves the right to make an inspection of the Encroachments contained
24 within the Encroachment Area. An annual fee, subject to change, of Two Hundred Dollars
25 (\$200.00) shall be assessed.

26 (k) This revocable permit shall not operate or be construed to abridge, limit or restrict
27 the City and County of Denver in exercising its right to make full reasonable use of the
28 Encroachment Area and adjacent rights-of-way as public thoroughfares nor shall it operate to
29 restrict the utility companies in exercising their rights to construct, remove, operate and maintain
30 their facilities within the Encroachment Area and adjacent rights-of-way, subject to Permittee's
31 reasonable consent to such utility companies' rights that impact the Encroachments.

32 (l) During the existence of the Encroachments and this permit, Permittee, its
33 successors and assigns, at its expense, and without cost to the City and County of Denver, shall

1 procure and maintain a Commercial General Liability insurance policy with a limit of not less than
2 Two Million Dollars (\$2,000,000.00), or evidence satisfactory to the City of self insurance. All
3 coverages are to be arranged on an occurrence basis and include coverage for those hazards
4 normally identified as X.C.U. during construction. The insurance coverage required herein
5 constitutes a minimum requirement and such enumeration shall in no way be deemed to limit or
6 lessen the liability of the Permittee, its successors or assigns, under the terms of this permit. All
7 insurance coverage required herein shall be written in a form and by a company or companies
8 approved by the Risk Manager of the City and County of Denver and authorized to do business in
9 the State of Colorado. A certified copy of all such insurance policies shall be filed with the
10 Manager of Public Works, and each such policy shall contain a statement therein or endorsement
11 thereon that it will not be canceled or materially changed without written notice, by registered mail,
12 to the Manager of Public Works at least thirty (30) days prior to the effective date of the
13 cancellation or material change. All such insurance policies shall be specifically endorsed to
14 include all liability assumed by the Permittee hereunder and shall name the City and County of
15 Denver as an additional insured.

16 (m) The right to revoke this Permit is expressly reserved to the City and County of
17 Denver.

18 (o) Permittee shall, to the extent it legally may, and specifically subject to the
19 Constitution of the State of Colorado and the Colorado Governmental Immunity Act, C.R.S. § 24-
20 10-101, *et seq.*, as may be amended, agree to be solely responsible for all costs, claims or
21 damages arising, either directly or indirectly, out of the rights and privileges granted by this Permit.
22 Permittee shall require its contractors, for the work allowed under this permit, to indemnify and
23 always save the City and County of Denver harmless from all costs, claims or damages arising,
24 either directly or indirectly, out of the rights and privileges granted by this Permit.

25 **Section 3.** That the Permit hereby granted shall be revocable at any time that the
26 Council of the City and County of Denver determines that such revocation is deemed to be
27 necessary to facilitate the movement of traffic; to provide for public safety; or to provide for the
28 public safety, convenience or necessity in use of the Encroachment Area, and the right to revoke
29 the same is hereby expressly reserved to the City and County of Denver; provided however, at a
30 reasonable time prior to Council action upon such revocation or proposed revocation, opportunity
31 shall be afforded to Permittee, its successors and assigns, to correct any issues arising under this
32 Permit and to be present at a hearing to be conducted by the Council upon such matters and

1 thereat to present its views and opinions thereof and to present for consideration action or actions
2 alternative to the revocation of such Permit.
