5. **General description or background of proposed request. Attach executive summary if more space needed:** This is a revision to master purchase order for Microsoft Enterprise Agreement licenses and support at Denver International Airport. Denver International Airport is licensed to use the Microsoft 365 productivity platform. The subscription includes Microsoft Teams, Word, Excel, PowerPoint, Outlook, and OneDrive. This application is used by DEN departments to manage their data processing requirements. Revision Number. 1, Cancels Exhibit B and is replaced with Exhibit B.1 Exhibit B.1. corrects errors in product costs provided by the reseller (SHI) that were caused by updates in pricing by the manufacturer (Microsoft) that occurred between when this agreement was drafted and when the final contract with the manufacturer, the Enterprise Agreement and the Server Cloud Enrollment, were signed.

It also adds the right for DEN to add, update, or remove products from this agreement based upon DEN's changing needs, and changes in offerings from the Manufacturer, including but not limited to product name changes, new products, discontinued products, and new product suites.

This request supports Denver International Airport's Vision 100: Maintaining What We Have. As the Airport continually expands its existing environment, to include additional staffing and computer services, appropriate subscription licenses are required to ensure Denver International Airport is compliant with its licensing agreements and meet the airport's needs for robust security, reliability and user productivity.
