Executive Summary for the exchange of land at 1201-1209 North Perry

The City owns a 2,200 square foot "orphan parcel known" as 1201 N. Perry (noted as Parcel A below). Due to its small size and ongoing maintenance costs, the Division of Real Estate distributed a clearance and release for the sale of this parcel in late 2013. The Planning Department stated that because of its small size, the parcel is undevelopable. That being the case, Planning stated the parcel would need to be combined with 1209 N. Perry as a condition to be released and sold.

The owner of 1209 N. Perry approached the Division of Real Estate in early 2014 with a formal request to exchange our 2,200 square foot parcel for 1,874 square feet of his parcel (known as Parcel B below). As part of this transaction, the owner agreed to pay all closing costs the City would incur to affect the transaction.

By exchanging these parcels, the alley which would service the potential development of 1209 Perry, could be located.
