5. General description or background of proposed request. Attach executive summary if more space needed:

This contract amendment will add \$2,500,000,00 contract value to an existing contract that provides environmental, engineering, scientific or other necessary services (including furnishing all labor and tools, supplies, equipment, oversight, superintendence, materials and everything necessary for and required to perform and complete the services authorized by a notice to proceed, including any changes thereto) as requested to supplement the Division of Environmental Quality's (DEQ) work efforts in: 1) environmental site assessment; 2) brownfields redevelopment; 3) leaking underground storage tank removal, investigation and remediation; 4) remediation and oversight and 5) environmental litigation support. The amendment allows DEQ to continue using this contractor under the existing contract.

This amendment is expected to be used for two projects; 1) transitioning firefighting foam in Aircraft Rescue and Fire Fighting vehicles at Denver International Airport (DEN) from foams containing per-and polyfluoroalkyl substances (PFAS) to fluorine free foams; 2) remediation of a historical North Denver landfill site involving removal of approximately 240,000 cubic yards of material.
