5. Borrower fails to maintain a cash balance that is sufficient to cover sixty (60) days of Borrower's operating expenses; and

6. Borrower is generally unable to pay its debts as they become due, or shall make an assignment for the benefit of creditors; or the Borrower applies for or consents to the appointment of any receiver, trustee or similar officer for it or for all or any substantial part of its property; or such a receiver, trustee or similar officer is appointed without the application or consent of the Borrower, and such appointment continues undischarged for a period of ninety (90) days; or the Borrower institutes (by petition, application, answer or otherwise) any bankruptcy, insolvency,

reorganization, readjustment of debt, dissolution, liquidation or similar proceedings under the laws of any jurisdiction; or any such proceeding shall be instituted against the Borrower; or the Borrower terminates or dissolves.

B. Cure Period. Upon a default, the City shall give written notice of the default to Borrower and other persons entitled to notice of a default pursuant to this Loan Agreement. After Borrower's receipt of the written notice, Borrower or a person on behalf of Borrower shall have ten (10) calendar days to cure any monetary default and thirty (30) calendar days to cure any nonmonetary default (collectively, the "Cure Period"). If a nonmonetary default is not a type which can be cured within the Cure Period, the City, at its reasonable discretion, may extend the cure period if the Borrower provides the City with a reasonably detailed written plan of how the Borrower will cure the nonmonetary default and the Borrower, at all times within such additional time period, actively and diligently pursues such plan. For purposes of this Loan Agreement, the term "monetary default" means a failure by Borrower to make any payment required of it pursuant to the applicable Promissory Note or any other Loan document, and the term "nonmonetary default" means a failure by Borrower or any other person to perform any obligation contained in the Loan Agreement, Covenant, Deed of Trust, or Promissory Note, other than the obligation to make payments provided for in the Promissory note or Loan documents.

C. Acceleration; Interest Upon Default; and Withholding Disbursements. Upon the existence of a default and the failure to cure within the Cure Period, and without necessity of further notice, presentment, demand, protest, or notice of protest of any kind, all of which are expressly waived by the Borrower, the City shall have the right to accelerate any outstanding obligations of the Borrower, which shall be immediately due and payable, including payments under the Promissory Note, to foreclose upon the Property, and to enforce or assign its rights under the Deed of Trust. Upon default and if the default remains after the Cure Period, the principal shall draw interest at the rate of fifteen percent (15%) per annum. If any of the Loan funds have not been disbursed to Borrower, the City may suspend or terminate the Loan Agreement, in whole or in part, and withhold one hundred percent (100%) of any undisbursed funds.

D. Effect of Default on Eligibility for Further Funding. If Borrower is in default, the City may declare the Borrower ineligible for any further participation in City funding, in addition to other remedies as provided by law.

EXHIBIT C
(Affirmative Marketing)

City and County of Denver
Affirmative Marketing Program

The City and County of Denver is committed to the goal of adequate housing for all its citizens and to affirmatively furthering fair housing opportunities. The City has developed written material explaining the City's Housing Programs for dissemination and will inform the public, owners, and potential tenants about Federal fair housing laws. These materials will display the "equal housing opportunity" slogan and logo. The City will also publicize its Housing programs through press releases, solicitations to property owners and written communications to fair housing groups and local lenders. The City will display the "equal housing opportunity" slogan on all such communications.

All contracts, grant agreements and/or loan agreements between the City or its agents and property owners executed in connection with the Housing Programs will:

- (1) prohibit discrimination in the rental of housing rehabilitated through the City's Housing programs on the basis of race, color, religion, sex, national origin, age, handicap, or household composition;
- (2) require compliance with all applicable fair housing and equal opportunity laws, and
- (3) include a copy of our Affirmative Marketing Program and require compliance with all procedures contained herein for the period of affordability of the term of the loan, whichever is greater.

In the City's Housing Loan Program, the objective of the Affirmative Marketing Program and a project's Affirmative Marketing Plan will be to increase the racial/ethnic diversity of the project's tenant population so that the tenant population is not made up exclusively of persons of one race/ethnicity.

In order to accomplish this, owners will be required to adopt a plan that will inform and solicit applications from persons in the housing market who are least likely to apply for the housing without special outreach. In general, persons who are not of the race/ethnicity of the majority of the residents of the neighborhood in which the property is located will be considered as persons least likely to apply.

The City will work with the project owner to identify which racial/ethnic groups in the population are least likely to apply for housing in each project without special outreach. The City will assist the owner in developing a project specific Affirmative Marketing Plan which includes special outreach efforts and the City will approve the Plan. The property manager or rental agent will be required to maintain records enabling the City to assess the results of the owner's actions to affirmatively market units. These records will include rental applications, all vacancy notices, and rental receipts. The City or its agent will review the owner's records and these records must be made available to

the City. Additionally, the City will require the owner to submit annual tenant reports that will include tenant characteristics including race/ethnicity. The project's Plan will identify specific actions the owner must take when becoming aware of an impending vacancy. In some cases the owner will also be required to advertise the vacancy in a general circulation newspaper.

Owners who rent exclusively to one segment of the population to the exclusion of applicants from other segments will be notified of potential noncompliance. The City will provide technical assistance to the owners in expanding outreach efforts. If necessary, specific corrective actions will be required.

Owners who discriminate or who fail to comply with the requirements of this Affirmative Marketing Program may be found in breach of contract or in default on their grant or loan agreement, and the City may take action to recover all funds made available to the owner by the City plus applicable penalties.

The City has adopted a policy to aggressively encourage landlords to rehabilitate units that are accessible to persons with physical disabilities.

1. Definitions. Capitalized terms used herein and not otherwise defined herein shall have the meanings given such terms in the Junior Deed of Trust. As used herein, the following terms shall have the meanings assigned to them:

"Senior Obligations" means each and every debt, liability and obligation of every type and description that the Borrower may now or at any time hereafter owe to the Senior

Lender in connection with the Senior Deed of Trust, up to the maximum amount of [INSERT PRINCIPAL AMOUNT OF SENIOR LOAN], whether such debt, liability or obligation now exists or is hereafter assumed, created or incurred and whether it is or may be direct or indirect, due or to become due, or absolute or contingent.

2. Subordination. The Junior Lender hereby agrees that (regardless of any priority otherwise available to the Junior Lender by law or by agreement) any security interest that the Junior Lender might now hold in the Mortgaged Property, is fully subordinate to any security interest that the Senior Lender may now or hereafter hold in the Mortgaged Property up to the maximum amount of [INSERT PRINCIPAL AMOUNT OF SENIOR LOAN].

3. Collateral and Security Interest. Until all of the Senior Obligations have been paid in full, the Junior Lender shall not demand, receive or accept, except as otherwise provided in this Agreement (i) a pledge of any of the Mortgaged Property as security for the Junior Obligations, or (ii) a grant of any security interest or any other right or interest in any of the Mortgaged Property.

4. Payments Before Default Under Senior Loan Documents. Until the Junior Lender receives notice from the Senior Lender that a default has occurred in connection with the Senior Loan Documents as set forth in Section 8 herein, the Junior Lender shall be entitled to retain for its own account all payments made in connection with the Junior Obligations.

The Senior Lender may in accordance with the Senior Deed of Trust (a) exercise collection rights, (b) take possession of, sell or dispose of, and otherwise deal with, the Mortgaged Property, (c) in the Senior Lender's name or in the Borrower's name, demand, sue for, collect or receive any money or property at any time payable or receivable on account of, the Mortgaged Property; (d) prosecute, settle and receive proceeds on any insurance claims relating to the Mortgaged Property, and (e) exercise and enforce any right or remedy available to the Senior Lender with respect to the Mortgaged Property, whether available before or after the occurrence of any default; all without notice to or consent by anyone except as specifically required by law. The Senior Lender may apply the proceeds of the Mortgaged Property in any order the Senior Lender deems appropriate in its sole discretion, except as required by law.

6. No Action. Except to the extent that Junior Lender obtains Senior Lender's permission pursuant to the following sentence, the Junior Lender will not commence any action or proceeding with respect to the Mortgaged Property or against the Borrower, will not take possession of, sell or dispose of, or otherwise deal with, the Mortgaged Property, and will not exercise or enforce any other right or remedy that may be available to the Junior Lender against the Borrower or with respect to the Mortgaged Property upon Borrower's default with respect to

the Junior Obligations or Junior Deed of Trust, without the Senior Lender's prior written consent, which shall not be unreasonably withheld or delayed.

7. Notice of Default to Senior Lender. Any notice provided to Borrower by the Junior Lender of any default under the Junior Deed of Trust shall also be sent to Senior Lender.

8. Notice of Default to Junior Lender. Senior Lender shall deliver to the Junior Lender a default notice within ten business days in each case where Senior Lender has given a default notice to the Borrower. The Junior Lender shall have the right, but not the obligation, to cure any default under the Senior Loan Documents within the same time, and the same manner, as the Borrower pursuant to the Senior Loan Documents. All amounts paid by the Junior Lender to Senior Lender to cure a default under the Senior Loan Documents shall be deemed to have been advanced by the Junior Lender pursuant to, and shall be secured by the lien of, the Junior Deed of Trust.

The current Davis-Bacon wage rate schedule must be included in all bid and contract documents, as well as the “Federal Labor Standards Provisions”, Form HUD-4010, by one of the following methods contained in the Labor Relations Letter No. LR 2006-03 at <http://www.hud.gov/offices/olr/library.cfm>.

The Contractor agrees that it will incorporate into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 C.F.R. Chapter 60, which is paid for in whole or in part with funds obtained pursuant to this Agreement, the following equal opportunity clause:

“During the performance of this Agreement, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. (3) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement, or other contract or understanding, a notice to be provided by the Contract Compliance Officer advising the said labor union or workers’ representatives of the Contractor’s commitment under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The Contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and the rules, regulations and relevant orders of the Secretary of Labor.

(5) The Contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the Department and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

(6) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations or orders, this Agreement may be cancelled, terminated or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contract procedures authorized in Executive Order No. 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

(7) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions or paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The subcontract or purchase orders shall include such terms and conditions as the Department may direct as a means of enforcing such provisions including sanctions for non-compliance; provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Department, the Contractor may request the United States to enter into such litigation to protect the interest of the United States.

The Contractor further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work; provided, that if the Contractor so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government, which does not participate in work on or under the Agreement.

The Contractor agrees that it will assist and cooperate actively with the Department and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations and relevant orders of the Secretary of Labor; that it will furnish the Department and the Secretary of Labor such information as they may require for the supervision of such compliance; and that it will otherwise assist the Department in and the discharge of its primary responsibility for securing compliance.

The Contractor further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order No. 11246 of September 24, 1965, with a contractor debarred from or who has not demonstrated eligibility for Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontracts by the Department or the Secretary of Labor pursuant to Part II, Subpart D, of the Executive Order. In addition, the Contractor agrees that if it fails or refuses to comply with the requirements hereof, the City may take any or all of the following

actions: Cancel, terminate or suspend, in whole or in part this grant, contract, agreement or loan; refrain from extending any further assistance to the Contractor under the program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received from such Contractor; and refer the case to the Department of Justice for appropriate legal proceedings.”
