Dear Emergency Management Partners,

We are pleased to send out this Letter of Intent regarding the 2020 Emergency Management Performance Grant (EMPG) program.

Federal funding in support of EMPG for State and local programs has remained steady and continues to provide our partners the opportunity to further develop and improve the emergency management programs for their respective communities. Due to Federal Emergency Management Agency (FEMA) timing of the grant cycle, DHSEM anticipates receiving the award letter from FEMA around August 2020. For the 2020 EMPG, each approved jurisdiction should plan to receive a Grant Award Letter, barring any unforeseen changes in funding at the Federal level around August 2020.

The performance period for the 2020 EMPG grant is January 1, 2020 to December 31, 2020.

As always, you may contact us if you have questions regarding your 2020 EMPG Program.

Sincerely,

Mike Willis
