EXECUTIVE SUMMARY

This ordinance approves the Marycrest Urban Redevelopment Plan, an urban renewal plan for the Marycrest Urban Redevelopment Area (the "Plan"). The Urban Redevelopment Area is located at the Northeast corner of the intersection of West 52nd Avenue and Federal Boulevard.

The Plan makes the required statutory findings for the creation of an urban renewal area, including a finding of blight. Additionally, the Plan has been found to be in conformance with the City's Comprehensive Plane. This conformance will be represented by a find of the Denver Planning Board. The Plan lays out objectives for revitalizing the property. In addition, the Plan authorizes DURA to undertake projects using tax increment financing (TIF) to achieve those objectives.

The primary objectives of the Plan are to allow for the redevelopment of the former Marycrest Convent site into a community with a range of housing opportunities, including market rate and affordable for-sale units, live/work lofts, co-housing units, condominiums and for-lease apartments and the possibility of neighborhood serving retail near the corner of 52nd Avenue and Federal Boulevard.

The Denver Urban Renewal Authority, in coordination with the City's Office of Economic Development, is seeking to establish an Urban Redevelopment Area to support the proposed development through the approval of an Urban Redevelopment Plan (the "Plan"). Staff with the City and DURA have agreed to an Urban Redevelopment Plan and Cooperation Agreement for the creation of the Marycrest Urban Redevelopment Area and the use of TIF by DURA.

DURA will be making an informational presentation regarding the Cooperation Agreement at the Council Committee meeting on December 6, 2011. A formal presentation, seeking Council Committee approval is requested for January 10, 2012
