EXECUTIVE SUMMARY

Abatement of Asbestos and Lead-Based Paint for as needed City projects.

City Bond and Capital Improvement projects have increased the use of this on-call abatement contractor services. Excel Environmental Inc. has been tasked to abate numerous asbestos issues and ensure compliance with State, Federal, & local regulations. Increased work has led to the potential to exceed the existing maximum contract value before the contract term expires. DEH requests an increase in contact value and additional one year contact extension to ensure asbestos and other abatement services can be provided for all City clients.

Extension increase amount	\$1,000,000
Existing contact amount	\$480,000
Contract amount not to exceed	\$1,480,000
