If not, why not?

DCP is Denver's Collaborative Management Program and is required to have a fiscal agent per the HB1451 legislation. The fiscal agent is required to inform and be held accountable by DCP's interagency Oversight Group (IOG). Since the program is funded by state funds, Colorado Department of Human Services (CDHS) requires the funds to pass through the local human services agency, which requires a city contract per City rules. However, the IOG is responsible for monitoring the fiscal agent and holding them responsible to their fiscal responsibilities to the program and to the IOG. The IOG directs the terms of the State MOU which has an agreement term that follows the State Fiscal Year (July 1 to June 30) annually.
