3 SERIES OF 2020

COUNCIL BILL NO. CB20-1401  
COMMITTEE OF REFERENCE:  
4 Finance & Governance

5 **A BILL**

6 **For an ordinance modifying Article XII (Retirement) of chapter 18 of the Denver**  
7 **Revised Municipal Code to amend the 1963 Retirement Plan with regard to**  
8 **actuarial matters, contributions and payroll deductions.**  
9

10 **WHEREAS**, pursuant to Section 18-405(g) of the Revised Municipal Code of the City and  
11 County of Denver (code), the Retirement Board is responsible for making recommendations to the  
12 city for amendments to the plan when in the judgment of the Retirement Board such changes are  
13 necessary; provided that such recommendations are accompanied by a report of the plan's actuary  
14 setting forth the effect of such amendments; and,

15 **WHEREAS**, Section 18-409(h)(1) of the code states that the actuarial assumption of  
16 investment return shall be seven and one-half (7.50%) percent; and,

17 **WHEREAS**, after considering advice from the plan's actuary and investment consultant, the  
18 Retirement Board has determined that, based on current and projected economic conditions, an  
19 actuarial assumption of investment return of seven and one-quarter (7.25%) would be more prudent  
20 to keep the plan actuarially sound; and

21 **WHEREAS**, Section 18-407(a) of the code states that the employer intends to continue the  
22 plan and to contribute regularly to the trust each payroll period such amounts as are necessary to  
23 maintain or assist in maintaining the plan on a sound actuarial basis as prescribed by applicable law  
24 and, particularly, the Internal Revenue Code for defined benefit pension plans qualified under  
25 Section 401(a) thereof; and

26 **WHEREAS**, in 2019, the Retirement Board determined that an increase in the contribution  
27 rate for 2020 was necessary to maintain the plan's actuarial soundness; and

28 **WHEREAS**, through Ordinance 19-1271, the city and all other sponsoring employers were  
29 given the one-time option of either increasing their respective regular employer contribution rate to  
30 15.75% or paying an additional 1% total increase in a one-time, lump sum payment on or before  
31 December 31, 2019. The city chose the one-time, lump sum payment and kept the contribution  
32 percentage reflected in the code at 14.75%; and

1           **WHEREAS**, now that the one-time 2019 option has expired, the code must be modified to  
2 reflect the full ongoing 15.75% employer contribution rate as of January 1, 2021; and,

3           **WHEREAS**, for 2021, the Retirement Board has determined that no additional increase in  
4 the contribution rate is necessary; and

5           **WHEREAS**, the council accepts the Retirement Board's recommendations above.

6  
7 **NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF**  
8 **DENVER:**

29 condition necessary to becoming or remaining a contractual entity, also make any  
30 actuarially determined supplemental contributions necessary to fund the current cost  
31 of benefits available under the plan payable to current and future employees of the  
32 contractual entity. Further, the city may make additional discretionary contributions,
