- Name: Mark Baker
- Phone: (303) 342-2855
- Email: [Mark.Baker@flydenver.com](mailto:Mark.Baker@flydenver.com)

6. General description of proposed ordinance including contract scope of work if applicable:

General Contractor to provide On-Call Construction Services for a three year period from 2016-2019. The scope of work will include a wide range of construction projects to both inside and outside of the airport facilities. Projects could be varied from general remodels to projects that are very specific such as the new Power Hub project. Work could also include exterior construction activities to both airside and landside as the airport's needs warrant. The scope of these projects vary widely. A general contractor is needed to lead each of these projects and coordinate all of the activities. The qualified General Contractors have the resources to complete the work with the experience to lead the project teams and the diversity to tackle many different scopes of work. Typical past projects included Concourse C West 5 Gate Expansion, Concourse C carpet replacement, International Gate Project, Power Hubs, Grease Traps, Global Positioning System (GPS) Base Stations, Automated Guideway Transit System (AGTS) tunnel leaks, Fuel Pit Replacement, 7-25 Vent Pipe Lowering, 140th Air National Guard relocation, AIM Office Remodel, Repaired Structural Damage in the Basement, Repaired heaving floors, Remodel of Tower B, Replacement of Vault Lids on the De-Ice Pads, and Gate Optimization.

*\*\*Please complete the following fields: (Incomplete fields may result in a delay in processing. If a field is not applicable, please enter N/A for that field.)*

- a. Contract Control Number: 201627955
- b. Duration: 3 Years, 7/1/16-6/30/19
- c. Location: DEN
- d. Affected Council District: 11
- e. Benefits: To provide a variety of construction services on an as needed basis.
- f. Costs: \$25,000,000 Maximum
