6. General description of proposed ordinance including contract scope of work if applicable:

This On-Call Contract enables Business Technologies to competitively recruit technology positions for staff augmentation, project-related services, consulting services for initiatives, and day-to-day operational tasks. Business Technologies engages awarded consultants on an as-needed basis based on overall value and experience that best serves the specific needs of DEN. The benefits DEN would receive by amending this agreement include the continuity of services from an experienced, Strategic Partner; professional consulting services to assist with the Great Hall Program and the Gate Expansion Projects; and, operational support for Business Technologies Cyber Security Program.

- a. Contract Control Number: 201626628-01
