Dr. Courtney Bio:

As a Florida native Dr. Courtney attended FAU for college and was an active member of the cheerleading team. She attended chiropractic school in Marietta Georgia at Life University and moved to Colorado to practice chiropractic to educate and support healing to her community.

Dr. Courtney's chiropractic journey began as a teenager after a car accident left her with debilitating migraines. She was prescribed various medications including botox and vicodin with little success. Her mother turned to chiropractic care as a last resort, which completely relieved her migraines and ended her reliance on drugs. This transformation sparked Dr. Courtney's passion for chiropractic.
