Scope of work:

The scope of work of the contract with U.S. Motels Denver North, Inc., is to provide units and/or congregate shelter space for short term shelter for individuals and families when the City's emergency shelter beds are full through the established voucher program. Individuals and families with children will be provided with safe accommodations at pre-identified locations owned and operated by U.S. Motels North, Inc. Families are defined as households with either a minor or an individual with a disabling condition. All households must meet the federal definition of literal homelessness to be eligible for a voucher. Vouchers will be available to households during Severe Weather Activation as defined by the city or during another emergency situation as defined by HOST. Access to vouchers for Severe Weather Activation will be available through the Salvation Army Connection Center, both over the phone and in person. During other emergency events, HOST will establish a process for administering emergency vouchers as needed.
