Concealed Weapons

Carry Concealed Handguns is governed by CRS 18-12-201 through 18-12-216. Open carry in Denver is unlawful (except for law enforcement or licensed security guards).

Applicant volume fluctuates depending on local and national events (e.g., mass shootings, political changes, changing laws).

A Denver Police Detective is assigned full-time to the Unit for careful background review of all new, renewal emergency and retired law enforcement permits.
