

ON-CALL AGREEMENT FOR PROFESSIONAL SERVICES

THIS AGREEMENT FOR PROFESSIONAL SERVICES (“Agreement”) is made and entered into as of the date stated on the City’s signature page below (the “**Effective Date**”) by and between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado acting on behalf of its Department of Aviation (the “**City**”), and **ERNST & YOUNG INFRASTRUCTURE ADVISORS, LLC**, a Delaware limited liability company authorized to do business in the State of Colorado (“**Consultant**”) (collectively the “**Parties**”).

WITNESSETH:

WHEREAS, the City owns, operates, and maintains Denver International Airport (“**DEN**”); and

WHEREAS, the City desires to obtain on-call professional financial advisory services; and

WHEREAS, the City has undertaken a competitive process to solicit and receive proposals for such services, and has selected the proposal submitted by Consultant; and

WHEREAS, Consultant’s proposal was selected for award of the On-Call Financial Advisory Services project (the “**Project**”); and

WHEREAS, Consultant is qualified, willing, and able to perform the services, as set forth in this Agreement in a timely, efficient, and economical manner; and

NOW, THEREFORE, for and in consideration of the premises and other good and valuable consideration, the Parties agree as follows:

1. LINE OF AUTHORITY:

The Chief Executive Officer of the Department of Aviation or their designee or successor in function (the “**CEO**”), authorizes and directs all work performed under this Agreement. Until otherwise notified in writing by the CEO, the CEO has delegated the authority granted herein to the DEN Real Estate division. The relevant Senior Vice President (the “**SVP**”), or their designee (the “**Director**”), will designate a Project Manager to coordinate professional services under this Agreement. Reports, memoranda, correspondence, and other submittals required of Consultant hereunder shall be processed in accordance with the Project Manager’s directions.

2. SCOPE OF WORK AND CONSULTANT RESPONSIBILITIES:

A. Scope of Services. Consultant shall provide professional services and deliverables for the City as designated by the CEO, from time to time and as described in the attached **Exhibit A (“Scope of Work”)** and in accordance with Task Orders, schedules and budgets set by the City. Without requiring an amendment to this Agreement, the City may, through a Task Order or similar form issued by the CEO and signed by the Consultant, make minor changes, additions, or deletions to the Scope of Work without change to the Maximum Contract Amount.

B. Task Orders. The Project Manager will issue task orders for work to be completed under this Agreement (“**Task Orders**”). The terms of each Task Order must include but are not limited to information regarding schedule, staffing, and pricing. The Director may reduce or increase the scope of work and/or staffing required by a Task Order and the time and cost of performance shall be adjusted to reflect the time and cost resulting from the reduction or increase. In the City’s sole discretion, the Project Manager may elect to directly solicit or competitively procure the work under each Task Order.

C. Standard of Performance.

i. Consultant shall faithfully perform the work required under this Agreement in accordance with the standard of care, skill, efficiency, knowledge, training, and judgment provided by highly competent professionals who perform work of a similar nature to the work described in this Agreement.

ii. Consultant shall be liable to the City for all acts and omissions of Consultant and its employees, subcontractors, agents and any other party with whom Consultant contracts to perform any portion of the work under this Agreement, including any design elements of any authorized Task Order.

D. Time is of the Essence. Consultant acknowledges that time is of the essence in its performance of all work and obligations under this Agreement. Consultant shall perform all work under this Agreement in a timely and diligent manner.

E. Subcontractors.

i. In order to retain, hire, and/or contract with an outside subcontractor that is not identified in this Agreement for work under this Agreement, Consultant must obtain the prior written consent of the CEO. Consultant shall request the CEO’s approval in writing and shall include a description of the nature and extent of the services to be provided; the name, address and professional experience of the proposed subcontractor; and any other information requested by the City.

ii. The CEO shall have the right to reject any proposed outside subcontractor deemed by the CEO to be unqualified or unsuitable for any reason to perform the proposed services. The CEO shall have the right to limit the number of outside subcontractors and/or to limit the percentage of work to be performed by them.

iii. Any final agreement or contract with an approved subcontractor must contain a valid and binding provision whereby the subcontractor waives any and all rights to make any claim of payment against the City or to file or claim any lien or encumbrance against any City property arising out of the performance or non-performance of this Agreement and/or the subcontract.

iv. Consultant is subject to Denver Revised Municipal Code (“**D.R.M.C.**”) § 20-112, wherein Consultant shall pay its subcontractors in a timely fashion. A payment is timely if it is mailed to the subcontractor no later than seven (7) days after receipt of any

payment from the City. Any late payments are subject to a late payment penalty as provided in the Denver Prompt Payment Ordinance (D.R.M.C. §§ 20-107 through 20-118).

v. This Section, or any other provision of this Agreement, shall not create any contractual relationship between the City and any subcontractor. The City's approval of a subcontractor shall not create in that subcontractor a right to any subcontract. The City's approval of a subcontractor does not relieve Consultant of its responsibilities under this Agreement, including the work to be performed by the subcontractor.

F. Personnel Assignments.

i. Consultant or its subcontractor(s) shall assign all key personnel identified in this Agreement, including Task Order(s), to perform work under this Agreement (“**Key Personnel**”). Key Personnel shall perform work under this Agreement, unless otherwise approved in writing by the Director or their authorized representative. In the event that replacement of Key Personnel is necessary, the City in its sole discretion shall approve or reject the replacement, if any, or shall determine that no replacement is necessary.

ii. It is the intent of the Parties that all Key Personnel perform their specialty for all such services required by this Agreement. Consultant and its subcontractor(s) shall retain Key Personnel for the entire Term of this Agreement to the extent practicable and to the extent that such services maximize the quality of work performed.

iii. If, during the Term of this Agreement, the Project Manager determines that the performance of any Key Personnel or other personnel, whether of Consultant or its subcontractor(s), is not acceptable or that any such personnel is no longer needed for performance of any work under this Agreement or Task Order(s), the Project Manager shall notify Consultant and may give Consultant notice of the period of time which the Project Manager considers reasonable to correct such performance or remove the personnel, as applicable.

iv. If Consultant fails to correct such performance, then the City may revoke its approval of the Key Personnel or other personnel in question and notify Consultant that such Key Personnel or other personnel will not be retained on this Project. Within ten (10) days of receiving this notice, Consultant shall use its best efforts to obtain adequate substitute personnel who must be approved in writing by the Project Manager. The Project Manager's approval shall not be unreasonably withheld. Consultant's failure to obtain the Project Manager's approval shall be grounds for Termination for Cause in accordance with this Agreement.

3. OWNERSHIP AND DELIVERABLES:

Upon payment to Consultant, all records, data, deliverables, and any other work product prepared by Consultant or any custom development work performed by Consultant for the purpose of performing this Agreement on or before the day of the payment, whether periodic or final payment, shall become the sole property of the City. Upon request by the City, or based on any schedule agreed to by Consultant and the City, Consultant shall provide the City with copies of

the data/files that have been uploaded to any database maintained by or on behalf of Consultant or otherwise saved or maintained by Consultant as part of the services provided to the City under this Agreement. All such data/files shall be provided to the City electronically in a format agreed to by the Parties. Consultant also agrees to allow the City to review any of the procedures Consultant uses in performing any work or other obligations under this Agreement, and to make available for inspection any and all notes, documents, materials, and devices used in the preparation for or performance of any of the scope of work, for up to three (3) years after termination of this Agreement. Upon written request from the City, Consultant shall deliver any information requested pursuant to this Section within ten (10) business days in the event a schedule or otherwise agreed-upon timeframe does not exist.

4. TERM AND TERMINATION:

A. Term. The Term of this Agreement shall commence on the Effective Date and shall expire three (3) years from the Effective Date, unless terminated in accordance with the terms stated herein (the “**Expiration Date**”). The Term of this Agreement may be extended for two (2) additional one-year periods, on the same terms and conditions, by written notice from the CEO to Consultant. However, no extension of the Term shall increase the Maximum Contract Amount stated below.

B. If the Term expires prior to Consultant completing the work under this Agreement, subject to the prior written approval of the CEO, this Agreement shall remain in full force and effect until the completion of any services commenced prior to the Expiration Date. Consultant has no right to compensation for services performed after the Expiration Date without such express approval from the CEO.

C. Suspension and Termination.

i. Suspension. The City may suspend performance of this Agreement at any time with or without cause. Upon receipt of notice from the Director, Consultant shall, as directed in the notice, stop work and submit an invoice for any work performed but not yet billed. Any milestones or other deadlines shall be extended by the period of suspension unless otherwise agreed to by the City and Consultant. The Expiration Date shall not be extended as a result of a suspension.

ii. Termination for Convenience. The City may terminate this Agreement at any time without cause upon thirty (30) days prior written notice to Consultant.

iii. Termination for Cause. In the event Consultant fails to perform any provision of this Agreement, the City shall provide Consultant with written notice of the breach and allow Consultant an Opportunity to Cure before terminating the Agreement for cause.

iv. Opportunity to Cure. Upon receiving the City’s notice of breach pursuant to Section 4(C)(iii), Consultant shall have ten (10) days to remedy its defective performance. If Consultant diligently cures its defective performance within the 10-day period as reasonably determined by the City, then this Agreement shall not terminate and

shall remain in full force and effect. If Consultant fails to cure the breach as reasonably determined by the City, then the City may terminate this Agreement for cause.

v. Compensation for Services Performed Prior to Suspension or Termination Notice. If this Agreement is suspended or terminated, the City shall pay Consultant the reasonable cost of only those services performed to the satisfaction of the CEO prior to the notice of suspension or termination. Consultant shall submit a final invoice for these costs within thirty (30) days of the date of the notice. Consultant has no right to compensation for services performed after the notice unless directed to perform those services by the City as part of the suspension or termination process or as provided in Section 4(C)(vi) below.

vi. Reimbursement for Cost of Orderly Termination. In the event of Termination for Convenience of this Agreement pursuant to Section 4(C)(ii), Consultant may request reimbursement from the City of the reasonable costs of orderly termination associated with the Termination for Convenience as part of its submittal of costs pursuant to Section 4(C)(v). In no event shall the total sums paid by the City pursuant to this Agreement, including Sections 4(C)(v) and (C)(vi), exceed the Maximum Contract Amount.

vii. No Claims. Upon termination of this Agreement, Consultant shall have no claim of any kind against the City by reason of such termination or by reason of any act incidental thereto. Consultant shall not be entitled to loss of anticipated profits or any other consequential damages as a result of termination.

D. Remedies. In the event Consultant breaches this Agreement, Consultant shall be liable to the City for all costs of correcting the work without additional compensation, including but not limited to additional costs incurred by the City, its tenants, or its other contractors arising out of Consultant's defective work. These remedies are in addition to, and do not limit, the remedies available to the City in law or in equity. These remedies do not amend or limit the requirements of Section 8 and Section 9 otherwise provided for in this Agreement. Notwithstanding the foregoing, The City shall make any claim or bring proceedings relating to Consultant's services or otherwise under this Agreement against the Consultant and not against any other member firm in the global network of Ernst & Young firms ("**EY Firms**") or any other EY Firm's subcontractors, members, shareholders, directors, officers, partners, principals or employees.

5. COMPENSATION AND PAYMENT:

A. Maximum Contract Amount. Notwithstanding any other provision of this Agreement, the City shall not be liable under any theory for payment for services rendered and expenses incurred by Consultant under the terms of this Agreement for any amount in excess of the sum of **Two Million Dollars and Zero Cents (\$2,000,000.00)** ("**Maximum Contract Amount**"). Consultant shall perform the services and be paid for those services as provided for in this Agreement, including in any Task Order(s), up to the Maximum Contract Amount.

B. Limited Obligation of City. The obligations of the City under this Agreement shall extend only to monies appropriated and encumbered for the purposes of this Agreement.

Consultant acknowledges and understands the City does not by this Agreement irrevocably pledge present cash reserves for payments in future fiscal years, and this Agreement is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City. The City is not under any obligation to make any future encumbrances or appropriations for this Agreement nor is the City under any obligation to amend this Agreement to increase the Maximum Contract Amount above.

C. Payment Source. For payments required under this Agreement, the City shall make payments to Consultant solely from funds of the Airport System Fund and from no other fund or source. The City has no obligation to make payments from any other source.

D. Fee. Initial individual hourly rates and charges, including any applicable multiplier, are set forth in **Exhibit B**. The Project Manager, in his or her sole discretion, may annually adjust the hourly rates and/or the multiplier on the anniversary of the Effective Date through a Task Order applicable to future work as further provided in the Task Order. Hourly rate adjustments shall not exceed the Denver-Aurora-Lakewood Consumer Price Index issued by the U.S. Department of Labor, Bureau of Labor Statistics.

E. Payment Schedule. Subject to the Maximum Contract Amount, for payments required under this Agreement, the City shall pay Consultant's fees and expenses in accordance with this Agreement. Unless otherwise agreed to in writing, Consultant shall invoice the City on a regular basis in arrears and the City shall pay each invoice in accordance with Denver's Prompt Payment Ordinance, D.R.M.C. § 20-107, et seq., subject to the Maximum Contract Amount.

F. Invoices. Unless otherwise provided in a Task Order, Consultant shall submit to the City a monthly progress invoice containing reimbursable costs and receipts from the previous month for professional services rendered under this Agreement to be audited and approved by the City ("**Invoice**"). Each Invoice shall provide the basis for payments to Consultant under this Agreement. In submitting an Invoice, Consultant shall comply with all requirements of this Agreement and:

- i. Include an executive summary and status report(s) that describe the progress of the services and summarize the work performed during the period covered by the Invoice;
- ii. Include a statement of recorded hours that are billed at an hourly rate;
- iii. Include the relevant purchase order ("**PO**") number related to the Invoice;
- iv. Ensure that amounts shown on the Invoices comply with and clearly reference the relevant services, indicate the hourly rate and multiplier where applicable, and identify the allowable reimbursable expenses;
- v. For only those reimbursable costs incurred in the previous month, submit itemized business expense logs and, where billing is based upon receipts, include copies of receipts for all allowable reimbursable expenses;

vi. Include the signature of an authorized officer of Consultant, along with such officer's certification they have examined the Invoice and found it to be correct; and

vii. Submit each Invoice via email to ContractAdminInvoices@flydenver.com.

viii. Late Fees. Consultant understands and agrees interest and late fees shall be payable by the City only to the extent authorized and provided for in the City's Prompt Payment Ordinance.

ix. Travel Expenses. Travel and any other expenses are not reimbursable unless such expenses are related to and in furtherance of the purposes of Consultant's engagement, are in accordance with this Agreement, and Consultant receives prior written approval of the Director or their authorized representative.

G. Timesheets. Consultant shall maintain all timesheets kept or created in relation to the services performed under this Agreement. The City may examine such timesheets and any other related documents upon the City's request.

H. Disputed Invoices. The City reserves the right to reject and not pay any Invoice or part thereof, including any final Invoice resulting from a Termination of this Agreement or any Task Order, where the Director or their authorized representative determines the amount invoiced exceeds the amount owed based upon the work satisfactorily performed. The City shall pay any undisputed items contained in an Invoice. Disputes concerning payments under this provision shall be resolved in accordance with procedures set forth in Section 9.

I. Carry Over. If Consultant's total fees for any of the services provided under this Agreement are less than the amount budgeted for, the amount remaining in the budget may be used for additional and related services rendered by Consultant if the CEO determines such fees are reasonable and appropriate and provides written approval of the expenditure.

6. MWBE, WAGES AND PROMPT PAYMENT:

A. Minority/Women Business Enterprise.

i. This Agreement is subject to Article V of Chapter 28, D.R.M.C., designated as §§ 28-117 to 28-199 (the "**DSBO Ordinance**"); and any Rules and Regulations promulgated pursuant thereto. The contract goal for MWBE participation established for this Agreement by the Division of Small Business Opportunity ("**DSBO**") is 10%.

ii. Under § 28-132, D.R.M.C., the Consultant has an ongoing, affirmative obligation to maintain for the duration of this Agreement, at a minimum, compliance with the MWBE participation upon which this Agreement was awarded, unless there is a change in the work by the City under § 28-133, D.R.M.C. The Consultant acknowledges that:

- (1) If directed by DSBO, the Consultant is required to develop and comply with the Equity, Diversity and Inclusion Plan ("**EDI Plan**") attached as **Exhibit D** and as it may be modified in the future by

DSBO. Unless a separate Utilization Plan is required in accordance with § 28-62(b), D.R.M.C, the EDI Plan shall constitute the Utilization Plan required by § 28-62(b). Along with the EDI Plan and Utilization Plan requirements, the Consultant must establish and maintain records and submit regular reports, as directed by DSBO, which will allow the City to assess progress in complying with the EDI Plan and/or Utilization Plan and achieving the MWBE participation goal. The EDI Plan and Utilization Plan is subject to modification by DSBO.

- (2) If contract modifications are issued under the Agreement, whether by amendment or otherwise, the Consultant shall have a continuing obligation to promptly inform DSBO in writing of any agreed upon increase or decrease in the scope of work of such contract under § 28-133, D.R.M.C., regardless of whether such increase or decrease in scope of work has been reduced to writing at the time of notification of the change to the City.
- (3) If there are changes in the work that include an increase in scope of work under this Agreement, whether by amendment or otherwise, which increases the dollar value of the contract, whether or not such change is within the scope of work designated for performance by an MWBE at the time of contract award, such change or modification shall be immediately submitted to DSBO for notification purposes.
- (4) Those amendments or other modifications that involve a changed scope of work that cannot be performed by existing subcontractors shall be subject to the original goal on the contract. The Consultant shall satisfy such goal with respect to the changed scope of work by soliciting new MWBEs in accordance with §§ 28-133, D.R.M.C. The Consultant must also satisfy the requirements under §§ 28-128 and 28-136, D.R.M.C., with regard to changes in MWBE scope or participation. The Consultant shall supply to DSBO all required documentation under §§ 28-128, 28-133, and 28-136, D.R.M.C., with respect to the modified dollar value or work under the contract.
- (5) If applicable, for contracts of one million dollars (\$1,000,000.00) and over, the Consultant is required to comply with § 28-135, D.R.M.C., regarding prompt payment to MWBEs. Payment to MWBE subcontractors shall be made by no later than thirty-five (35) days after receipt of the MWBE subcontractor's invoice.
- (6) Termination or substitution of an MWBE subcontractor requires compliance with § 28-136, D.R.M.C.

- (7) Failure to comply with these provisions may subject the Consultant to sanctions set forth in § 28-139 of the DSBO Ordinance.
- (8) Should any questions arise regarding DSBO requirements, the Consultant should consult the DSBO Ordinance or may contact the designated DSBO representative at (720) 913-1999.

B. Prompt Pay of MWBE Subcontractors. For agreements of one million dollars (\$1,000,000.00) and over to which D.R.M.C. § 28-135 applies, Consultant is required to comply with the Prompt Payment provisions under D.R.M.C. § 28-135, with regard to payments by Consultant to MWBE subcontractors. If D.R.M.C. § 28-135 applies, Consultant shall make payment by no later than thirty-five (35) days from receipt by Consultant of the subcontractor's invoice.

C. Prevailing Wage. To the extent required by law, Consultant shall comply with, and agrees to be bound by, all requirements, conditions and City determinations regarding the Payment of Prevailing Wages Ordinance, D.R.M.C. §§ 20-76 through 20-79, including, but not limited to, the requirement that every covered worker working on a City owned or leased building or on City-owned land shall be paid no less than the prevailing wages and fringe benefits in effect on the Effective Date of this Agreement.

i. Prevailing wage and fringe rates will adjust on, and only on, the anniversary of the Effective Date of this Agreement. Unless expressly provided for in this Agreement, Consultant will receive no additional compensation for increases in prevailing wages or fringe benefits.

ii. Consultant shall provide the Auditor with a list of all subcontractors providing any services under the Agreement.

iii. Consultant shall provide the Auditor with electronically-certified payroll records for all covered workers employed under this Agreement

iv. Consultant shall prominently post at the work site the current prevailing wage and fringe benefit rates. The posting must inform workers that any complaints regarding the payment of prevailing wages or fringe benefits may be submitted to the Denver Auditor by calling (720) 913-5000 or emailing auditor@denvergov.org. If Consultant fails to pay workers as required by the Prevailing Wage Ordinance, Consultant will not be paid until documentation of payment satisfactory to the Auditor has been provided. The City may, by written notice, suspend or terminate work if Consultant fails to pay required wages and fringe benefits.

D. City Minimum Wage. To the extent required by law, Consultant shall comply with and agrees to be bound by all requirements, conditions, and the City determinations regarding the City's Minimum Wage Ordinance, D.R.M.C. §§ 20-82 through 20-84, including, but not limited to, the requirement that every covered worker shall be paid no less than the City Minimum Wage in accordance with the City's Minimum Wage Ordinance. By executing this Agreement, Consultant expressly acknowledges that Consultant is aware of the requirements of the City's

Minimum Wage Ordinance and that any failure by Consultant, or any other individual or entity acting subject to this Agreement, to strictly comply with the foregoing D.R.M.C. Sections shall result in the penalties and other remedies authorized therein.

E. City Prompt Pay.

i. The City will make monthly progress payments to Consultant for all services performed under this Agreement based upon Consultant's monthly invoices or shall make payments as otherwise provided in this Agreement. The City's Prompt Payment Ordinance, D.R.M.C. §§ 20-107 to 20-118 applies to invoicing and payment under this Agreement.

ii. Final Payment to Consultant shall not be made until after the Project is accepted, and all certificates of completion, record drawings and reproducible copies are delivered to the City, and the Agreement is otherwise fully performed by Consultant. The City may, at the discretion of the Director, withhold reasonable amounts from billing and the entirety of the final payment until all such requirements are performed to the satisfaction of the Director.

7. INSURANCE REQUIREMENTS:

A. Consultant shall obtain and keep in force all of the minimum insurance coverage forms and amounts set forth in **Exhibit C ("Insurance Requirements")** during the entire Term of this Agreement, including any extensions of the Agreement or other extended period stipulations stated in **Exhibit C**. All certificates of insurance must be received and accepted by the City before any airport access or work commences.

B. Consultant shall ensure and document that all subcontractors performing services or providing goods hereunder procure and maintain insurance coverage that is appropriate to the primary business risks for their respective scopes of performance. At minimum, such insurance must conform to all applicable requirements of DEN Rules and Regulations Part 230 and all other applicable laws and regulations.

C. The City in no way warrants or represents the minimum limits contained herein are sufficient to protect Consultant from liabilities arising out of the performance of the terms and conditions of this Agreement by Consultant, its agents, representatives, employees or subcontractors. Consultant shall assess its own risks and maintain higher limits and/or broader coverage as it deems appropriate and/or prudent. Consultant is not relieved of any liability or other obligations assumed or undertaken pursuant to this Agreement by reason of its failure to obtain or maintain insurance in sufficient amounts, duration, or types.

D. In no event shall the City be liable for any of the following: (i) business interruption or other consequential damages sustained by Consultant; (ii) damage, theft, or destruction of Consultant's inventory, or property of any kind; or (iii) damage, theft, or destruction of an automobile, whether or not insured.

E. The Parties understand and agree that the City, its elected and appointed officials, employees, agents and volunteers are relying on, and do not waive or intend to waive by any provisions of this Agreement, the monetary limitations and any other rights, immunities and protections provided by the Colorado Governmental Immunity Act, C.R.S. §§ 24-10-101 to 120, or otherwise available to the City, its elected and appointed officials, employees, agents and volunteers.

8. DEFENSE AND INDEMNIFICATION:

A. Consultant hereby agrees to defend, indemnify, reimburse and hold harmless the City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property to the extent arising out of or resulting from any negligent or intentionally tortious act or omission of Consultant or its subcontractors or their respective personnel (“**Claims**”), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify the City for any acts or omissions of Consultant or its subcontractors either passive or active, irrespective of fault, including City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of the City.

B. Consultant’s duty to defend and indemnify the City shall arise at the time written notice of the Claim is first provided to the City regardless of whether Claimant has filed suit on the Claim. Consultant’s duty to defend and indemnify the City shall arise even if the City is the only party sued by claimant.

C. Consultant will defend any and all Claims which may be brought or threatened against the City and will pay on behalf of the City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation, including but not limited to time expended by the City Attorney Staff, whose costs shall be computed at the rate of two hundred dollars and no cents (\$200.00) per hour of City Attorney time. Such payments on behalf of the City shall be in addition to any other legal remedies available to the City and shall not be considered the City’s exclusive remedy.

D. Insurance coverage requirements specified in this Agreement shall in no way increase, lessen or limit the liability of Consultant under the terms of this indemnification obligation. Consultant shall obtain, at its own expense, any additional insurance that it deems necessary for the City’s protection.

E. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

9. DISPUTES:

All disputes arising under or related to this Agreement shall be resolved by administrative hearing under the procedures described in D.R.M.C. § 5-17 and all related rules and procedures.

The determination resulting from said administrative hearing shall be final, subject only to the right to appeal the determination under Colorado Rule of Civil Procedure, Rule 106.

10. GENERAL TERMS AND CONDITIONS:

A. Status of Consultant. Parties agree that the status of Consultant shall be an independent contractor retained on a contractual basis to perform professional or technical services for limited periods of time as described in § 9.1.1(E)(x) of the Charter of the City and County of Denver (the “**City Charter**”). It is not intended, nor shall it be construed, that Consultant or its personnel are employees or officers of the City under D.R.M.C. Chapter 18 for any purpose whatsoever.

B. Assignment. Consultant shall not assign, pledge or transfer its duties, obligations, and rights under this Agreement, in whole or in part, without first obtaining the written consent of the CEO. Any attempt by Consultant to assign or transfer its rights hereunder without such prior written consent shall, at the option of the CEO, automatically terminate this Agreement and all rights of Consultant hereunder.

C. Compliance with all Laws and Regulations. Consultant and its subcontractor(s) shall perform all work under this Agreement in compliance with all existing and future applicable laws, rules, regulations, and codes of the United States, and the State of Colorado and with the City Charter, ordinances, Executive Orders and rules and regulations of the City.

D. Compliance with Patent, Trademark and Copyright Laws.

i. Consultant agrees that all work performed under this Agreement shall comply with all applicable patent, trademark and copyright laws, rules, regulations and codes of the United States, as they may be amended from time to time. Consultant will not utilize any protected patent, trademark or copyright in performance of its work unless it has obtained proper permission, all releases, and other necessary documents. If Consultant prepares any documents which specify any material, equipment, process or procedure which is protected, Consultant shall disclose such patents, trademarks and copyrights in such documents.

ii. Pursuant to Section 8, Consultant shall indemnify and defend the City from any and all claims, damages, suits, costs, expenses, liabilities, actions or proceedings resulting from, or arising out of, directly or indirectly, the performance of work under this Agreement which infringes upon any patent, trademark or copyright protected by law.

F. Rights and Remedies Not Waived. In no event shall any payment by the City hereunder constitute or be construed to be a waiver by the City of any breach of covenant or default which may then exist on the part of Consultant. The City making any such payment when any breach or default exists shall not impair or prejudice any right or remedy available to the City with respect to such breach or default. The City's assent, expressed or implied, to any breach of any one or more covenants, provisions or conditions of this Agreement shall not be deemed or taken to be a waiver of any other breach.

G. No Third-Party Beneficiaries. The Parties agree that enforcement of the terms and conditions of this Agreement and all rights of action relating to such enforcement shall be strictly reserved to the City and Consultant, and nothing contained in this Agreement shall give or allow any such claim or right of action by any third party. It is the express intention of the Parties that any person or entity other than the City or Consultant receiving services or benefits under this

Agreement shall be deemed an incidental beneficiary and shall not have any interest or rights under this Agreement.

Consultant represents that, in its Response or Proposal, as applicable, it disclosed any and all current or potential conflicts of interest of which it is aware, including transactions, work, activities, or conduct that might affect the judgment, actions, or work of Consultant or which might give Consultant an unfair advantage in this or a future procurement. If the Parties identified a conflict of interest and agreed to a plan to mitigate such conflict, Consultant agrees it will comply with that mitigation plan.

iii. The City, in its sole discretion, shall determine the existence of a conflict of interest and may terminate this Agreement if such a conflict exists, after it has given Consultant written notice which describes such conflict. If Consultant, its officers, authorized officials, employees, agents, subcontractors or those under its control, fail or refuse to comply with said measures and such non-compliance results in a monetary penalty being assessed against the City, then, in addition to any other remedies available to the City, Consultant shall fully reimburse the City any fines or penalties levied against the City, and any attorney fees or related costs paid by the City as a result of any such violation. Consultant must pay this amount within fifteen (15) days from the date of the invoice or written notice. Contractor's failure to fully cooperate may, as determined in the City's sole discretion, provide cause for default under the Agreement. The City understands acceptance of a tendered claim does not constitute acceptance of liability.

10. Certificate of Insurance and Related Endorsements: The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements shall not act as a waiver of Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. All coverage requirements shall be enforced unless waived or otherwise modified in writing by DEN Risk Management. Contractor is solely responsible for ensuring all formal policy endorsements are issued by their insurers to support the requirements.
11. The City shall have the right to verify, at any time, all coverage, information, or representations, and the insured and its insurance representatives shall promptly and fully cooperate in any such audit the City may elect to undertake including provision of copies of insurance policies upon request. In the case of such audit, the City may be subject to a non-disclosure agreement and/or redactions of policy information unrelated to verification of required coverage.

13. Contractor shall be responsible for ensuring the City is provided updated Certificate(s) of Insurance prior to each policy renewal.
14. Contractor's failure to maintain required insurance shall be the basis for immediate suspension and cause for termination of this Agreement, at the City's sole discretion and without penalty to the City.

J. Part 230 and the DEN Airport Rules and Regulations

If the minimum insurance requirements set forth herein differ from the equivalent types of insurance requirements in Part 230 of the DEN Airport Rules and Regulations, the greater and broader insurance requirements shall supersede those lesser requirements, unless expressly excepted in writing by DEN Risk Management. Part 230 applies to Contractor and its subcontractors of any tier.

MWBE EDI Plan

On-Call Financial Advisory Services

Ernst & Young Infrastructure Advisors, LLC

OBJECTIVE 1: Identify a MWBE coordinator

Our Engagement Leader Tom Rousakis will function as the MWBE coordinator for the scope of work established in this RFQ and assist in carrying out our plan. Tom has extensive experience forming diverse EY engagement teams to serve our clients. We understand that DEN is committed to increasing the opportunities for disadvantaged-, minority-, and women-owned firms in all airport business prospects and that all airport contracts and concession agreements incorporate policies, procedures, and clauses regarding specific Minority/Women Business Enterprise (M/WBE), Small Business Enterprise (SBE), and Disadvantaged Business Enterprise (DBE). We understand that the MWBE, SBE, and DBE programs are administered by the Denver Economic Development & Opportunity, Division of Small Business Opportunity (DSBO) and that the DSBO office assigns appropriate M/WBE/DBE/SBE and/or ACDBE goals and other requirements to each opportunity. In addition, from EY's experience serving the City of Denver, we are familiar with local MBWE contracting goals and reporting requirements. Tom will manage EY's outreach efforts to small, disadvantaged, minority and women owned businesses to ensure EY meets DEN's 10% MBWE participation goal with targeted partnerships based on task order scopes and will be responsible for ensuring that contracting requirements are communicated and met and compliance with necessary reporting.

OBJECTIVE 2: MWBE utilization strategies and technical assistance and support services

For more than a decade, supplier diversity has been an integral component of our supply chain services and activities, creating opportunities for diverse-owned suppliers to sell us their products and services or become subcontractors. Our promise to DEN: If selected, we will continue to aggressively seek to include diverse team members and subcontractors. While the pool of trained talent in our area of specialization doesn't always mirror the diversity of the Denver population, we're committed to doing all we can, from engaging with college-bound students and interns through our recruiting and promotion processes, to provide even more diverse team members over time. The following strategies are examples of how we currently incorporate and assist diverse subcontractors.

- ▶ For many diverse-owned suppliers, meeting the requirements of a large institution in a highly regulated industry can be onerous. Every supplier must undergo a risk assessment, which can be complex and difficult to navigate. Given our deep experience as a professional services firm, we are distinctively positioned to provide guidance on these issues. As a result of this program, more than 12 suppliers continue to benefit from dedicated time with our EY teams who work with them on mitigating risk.
- ▶ Our Environmental Social Governance Services strategy goes beyond sourcing from diverse-owned businesses, as we also invest in developing suppliers through our various impact programs. This distinctive experience provides mentoring, education, networking and scholarships to accelerate their growth and knowledge.
- ▶ In fiscal year 2022, 35% of our addressable spend was with small and diverse owned businesses, representing a 54% increase over fiscal year 2021. Our goal is to create a pipeline and network, by providing training, development, and mentorship to support continued growth and success.
- ▶ Our engagement team serving DEN will be taking the lead in identifying and onboarding MWBE firms. In identifying firms, we will leverage DEN's database of suppliers and our own network of MWBE firms, and coordinate with the DEN task order team to ensure we have the right firms to meet the needs of DEN.
- ▶ Once the MWBE firm(s) is onboarded, the EY team will integrate the MWBE firm(s) into the engagement so that they have the benefit of mentorship on a regular basis and direct exposure to DEN leadership, and EY will provide necessary support to ensure the quality of deliverables.

OBJECTIVE 3: Procurement process

EY is dedicated to equal and fair opportunities for diverse businesses. We are consistently engaged with many MWBE subcontractors with the goal of identifying expertise to collaborate on various work scopes. We have experience regularly teaming with diverse subcontractors as part of our engagements.

We use approximately 800+ diverse suppliers to support us in the areas of supporting our client engagements and our Supply Chain Services categories

We seek suppliers that are certified as at least 51% owned, operated and controlled by one or more minority, woman, LGBTQ+, veteran, service-disabled veteran, person with a disability, indigenous person or a historically underutilized business that can enhance EY's competitive advantage and provide innovative and cost-effective services for our clients.

With respect to this RFP, we would seek to partner with one or more MWBEs at the task order stage who qualify under DEN's category requirements, including potentially suppliers not previously registered who may pursue registration as a result of this work. More specifically, EY would leverage DEN's database of suppliers as well as our own network of MWBE firms who typically support and complement the types of services we perform. We would also coordinate with DEN on any additional firms that it believes may bring value to the engagement as well as to agree on which firms overall best meet the task order needs. Factors that will be considered in selection will include track record on previous engagements, alignment of skills and engagement needs, and familiarity with DEN and Colorado project and financing requirements. Once selected, EY will leverage its legal and risk management teams to contract and onboard MWBE firms. Subcontracting arrangements will include necessary DEN contractual flow downs to ensure appropriate contractual protections are in place.

OBJECTIVE 4: Communication and vendor management strategies

We plan to incorporate our past experiences and lessons learned when teaming with an underutilized business subcontractor in order to efficiently and cost-effectively perform the scope of work in this RFP as outlined by DEN, while meeting all MWBE goals.

- ▶ We have extensive familiarity working and teaming with subcontractors and are experienced in maintaining open and frequent communication with subcontractors we work with to carry out the required scope of work for specific tasks. As previously mentioned, EY usually integrates MWBE firms into the regular cadence of an engagement, which provides mentoring opportunities.
- ▶ The EY engagement leader will serve as the primary point of contact to ensure that all contract flow down requirements are communicated and being met, as well as the primary point of contact for any disputes. To the extent that disputes cannot be resolved, the engagement leader will notify the DSBO to help find resolution.

OBJECTIVE 5: Leveraging past performance

EY has been successful in promoting EDI internally and externally through the following initiatives. EY plans to leverage our past experiences and partner with underutilized businesses to serve DEN.

- ▶ EY's Entrepreneurs Access Network (EAN) supports Black and Latinx founders in achieving their full potential through a 12-month immersive business accelerator program designed to equalize their access to resources, connections and capital so they can scale their businesses sustainably. There are two program paths for EAN — Curated, an agile, structured program with an EY professional assigned to guide the entrepreneur through the journey; and On-Demand, a self-instructional online component.

- ▶ EY's Women Fast Forward, EY POWER Up Is a facilitated virtual program focused on building personal leadership skills and aligned behaviors for women and allies. The EY proprietary approach addresses individual skills and ways to support inclusion and belonging within and across teams. Small roundtable discussions facilitated by senior EY and client women leaders, trained on this exclusive approach, help individual participants reflect upon their own behaviors. Plenary sessions with key women leaders from your organization as spotlight and keynote speakers offer participants a view into your leaders and their leadership journeys, inspiring participants to dare greater and dream differently.
- ▶ Expedition EY was created to help college students develop job skills and prepare them for the workforce, with a focus on those who self-identify as Black, Latinx or Native American. The program provides education, mentorship and networking opportunities well before graduation. Participants are also eligible for scholarship prizes
- ▶ The launch internship program is an exploratory internship experience for college sophomores or juniors, with members of the Association of Latino Professionals for America (ALPFA), the National Association of Black Accountants, Inc. (NABA) and Ascend (Pan-Asian business professionals in North America) encouraged to apply. The program is designed to increase participants' understanding of professional services careers by providing exposure to our business and culture and opportunities to begin developing their networks within EY US.
- ▶ EY is a proud supporter of the Network for Teaching Entrepreneurship (NFTE) and its project-based curriculum to teach these skills to young people from disadvantaged backgrounds, greatly increasing their prospects of success at school and beyond. It's also why we are proud to be the signature sponsor of NFTE's Entrepreneurial Mindset Index (EMI) – an emerging methodology for measuring the presence of these characteristics in schools and businesses across the world. From mentoring students to participating on NFTE boards, we are intimately involved in all aspects of the organization's ground-breaking work, which has supported more than 500,000 young people around the world.
- ▶ In 2020, the firm made a substantial commitment to be not just passively non-racist but actively anti-racist. That included:
 - ▶ Donating \$4 million to historically black colleges
 - ▶ Donating \$3 million to social justice investments
 - ▶ Designating Martin Luther King day an official EY holiday
 - ▶ Reviewing internal talent and business practices to further advance equity across all races. This includes recruiting, hiring and promoting; educating employees; procuring products and services; and marketing and branding.

OBJECTIVE 6: Proposer's culture

At EY, we believe in maximizing the power of different perspectives and backgrounds in our teaming and it is with this mentality that we present the EY Team and our plan for meeting the MWBE and equity, diversity and inclusion (EDI) goals. In fact, we routinely meet or exceed utilization goals, and pride ourselves on mentoring small and historically disadvantaged firms to build capacity. We pledge to meet the 10% MWBE utilization goal, not in an effort to check a box, but because we will bring the best and the brightest to DEN.

- ▶ We have committed to holding our leadership teams and partners, principals, managing directors and directors accountable for inclusive leadership through our performance management process. Inclusive leadership must be demonstrated to support the highest performance ratings.

- ▶ At EY, we embrace the LGBT+ community and believe it is our responsibility to create an environment where each professional can feel like they belong and bring their true, unique selves to work, making us a stronger organization and better able to service clients.
- ▶ The EY Americas Inclusiveness Advisory Council (IAC) is comprised of influential EY leaders from across the Americas, representing each service line, region and function. The council is dedicated to elevating and advancing EDI across the organization. It is part of our significant investment in EDI as a key pillar of our business strategy and our commitment to bring different perspectives to serve our clients.

OBJECTIVE 7: Future initiatives

We plan to use the initiatives detailed under Objective 5 to continue our commitment to EDI. Additional initiatives for future growth are detailed as follows.

- ▶ Under the direct sponsorship of EY's US leadership team, we have committed to hiring, promotion and appointment processes that promote parity in career progression for all our women and racially and ethnically diverse team members.
- ▶ We have a five-year plan to foster the successful matriculation of our high-performing vice presidents into our partnership ranks, in a manner that reflects the diversity of our society, employees and client base. We are executing and on track to that plan. Our goal is to achieve representation of 50% women and racially and ethnically diverse partners by 2025.

This agreement has been executed by the signatories listed below. In addition to all applicable provisions of the MWBE Ordinance and any corresponding Rules and Regulations, Ernst & Young Infrastructure Advisors, LLC shall comply with the requirements of this approved MWBE EDI Plan. Updates to this plan will be performed annually by Ernst & Young Infrastructure Advisors, LLC and approved by the Division of Small Business Opportunity (DSBO), beginning in September 2024 or at DSBO's request.
