

ORDINANCE/RESOLUTION REQUEST

Please email requests to Jason Gallardo, Department of Transportation and Infrastructure
at pw.ordinance@denvergov.org by **12:00pm NOON on Monday**. Contact Jason with questions.

Date of Request: **11/1/2021**

Please mark one: Bill Request or Resolution Request

1. Type of Request:

- Contract Intergovernmental Agreement (IGA) Rezoning/Text Amendment
- Dedication/Vacation Appropriation/Supplemental DRMC Change
- Other:

2. Title: (Start with *approves, amends, dedicates*, etc., include name of company or contractor and indicate the type of request: grant acceptance, contract execution, contract amendment, municipal code change, supplemental request, etc.)

Amends contract for a professional service contract with RS&H, Inc. for the design service agreement to add additional funds to the contract. Contract # DOTI-202161064-02 [201948451-02]

3. Requesting Agency: Department of Transportation and Infrastructure

4. Contact Person:

Contact person with knowledge of proposed ordinance/resolution	Contact person to present item at Mayor-Council and Council
Name: James Geist	Name: Jason Gallardo
Email: James.Geist@denvergov.org	Email: jason.gallardo@denvergov.org

5. General description or background of proposed request. Attach executive summary if more space needed: RS&H, Inc. was retained to begin design on improvements on Washington Street from the S. Platte River north to the City Limits at 52nd Ave., to perform preliminary design on 51st Ave. and 48th Ave. in the area, and to perform conceptual analyses of two bridges also in close proximity to this stretch of Washington St. However, as confirmed in Contract Amendment No. 1, it was decided that it is in the City's best interests to also have RS&H complete a Prioritization Plan and Outreach Strategy to coordinate the many projects in the GES area, and to have RS&H perform a Value Engineering Analyses to determine how the improvements on Washington St. may need to be modified so that the work on Washington St. can be completed within budget. It was also confirmed in Contract Amendment No. 1 that RS&H would provide final design/engineering services on 51st Avenue to facilitate completing a connection to the National Western Center. It has now been decided by the DOTI On-Call Procurement Subcommittee that the design of sidewalks near 51st Ave. on Clarkson St. and on 52nd Ave. should also be done under this contract. Therefore, this requested Amendment to RS&H's contract adds \$485,868.92 to the contract for the design work on sidewalks on Clarkson St. and 52nd Ave. and for completion of the Prioritization Plan and Outreach Strategy. No additional time is requested in this Amendment. Also, once the scope of improvements on Washington Street and adjacent roads, bridges, and other features is known, and when construction on 51st Ave. is better defined and more imminent, the Contract will be amended in the future as needed for the needed services.

6. City Attorney assigned to this request (if applicable): Robert Wheeler

7. City Council District: 9

8. **For all contracts, fill out and submit accompanying Key Contract Terms worksheet*

Key Contract Terms

Type of Contract: (e.g. Professional Services > \$500K; IGA/Grant Agreement, Sale or Lease of Real Property): Professional Services Amendment
