

AGREEMENT

THIS AGREEMENT is made and entered into by and between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado, hereinafter referred to as the "City", and **SCHOOL DISTRICT NO. 1 IN THE CITY AND COUNTY OF DENVER AND THE STATE OF COLORADO**, with an address of 1860 Lincoln Street, Denver, CO 80203 (the "Contractor"), individually a "Party" and collectively the "Parties."

The Parties agree as follows:

1. DEFINITIONS: The capitalized terms used in this Agreement and any and all exhibits hereto, will have the meanings given such terms in the paragraph in which such terms are parenthetically defined. The meanings given to terms defined will be equally applicable to the singular and plural forms of such terms. In addition, the following capitalized terms shall have the following meanings:

A. "City" means the City and County of Denver or a person authorized to act on its behalf.

B. "Subcontractor" means an entity, other than the Contractor, that furnished or furnishes to the City or the Contractor services or supplies (other than standard office supplies, office space or printing services) pursuant to this Agreement.

C. "Program" shall mean any and all authorized services and activities necessary to administer the Agency's responsibilities concerning discretionary youth employment and training programs.

2. COORDINATION AND LIAISON: The Contractor will fully coordinate all services under the Agreement with the Director of Denver Workforce Services located in the Office of Denver Economic Development & Opportunity (the "Director" and the "Agency," respectively), or the Director's then-current identified designee.

3. SERVICES TO BE PROVIDED:

A. At the direction of the Director, the Contractor shall diligently undertake, perform, and complete all of the services and produce all the deliverables set forth on **Exhibit A, the Scope of Services** (the "Services"), to the City's reasonable satisfaction.

B. The Contractor is ready, willing, and able to provide the services required by this Agreement.

C. The Contractor shall faithfully perform the services in accordance with the standards of care, skill, training, diligence, and judgment provided by highly competent individuals performing services of a similar nature to those described in the Agreement and in accordance with the terms of the Agreement.

4. TERM: The Agreement will commence on **January 1, 2021** and will expire on **December 31, 2021** (the "Term"). Subject to the Director's prior written authorization, the

Contractor shall complete any work in progress as of the expiration date and the Term of the Agreement will extend until the later of: 1) the work is completed to the City's satisfaction; or 2) this Agreement is earlier terminated by the Director.

5. COMPENSATION AND METHOD OF PAYMENT:

A. Budget: The City shall pay and the Contractor shall accept as the sole compensation for services rendered and costs incurred under the Agreement in accordance with the budget contained in **Exhibit A**.

B. Reimbursable Expenses: Except as set forth on **Exhibit A**, there are no reimbursable expenses allowed under the Agreement.

C. Invoices: The Contractor shall provide the City with periodic invoices in a format and with a level of detail reasonably acceptable to the City in accordance with **Exhibit A**. The amounts invoiced by the Contractor will be payable upon receipt and acceptance of designated work product as set forth herein and as fully documented by the Contractor's periodic invoice. Funds payable by the City hereunder shall be distributed to the Contractor on a reimbursement basis only, for work performed during the prior month. Invoices submitted for services rendered that are submitted after such deadline are considered to be untimely, and must be submitted separately to be considered for payment. Payment for such late-submitted invoices shall be made only upon a showing of good cause for the late submission. The Contractor's invoices will set forth the methodology used to determine costs for services invoiced. The City will have the right to dispute, and withhold payment for, any invoice that does not contain a sufficient statement of the Contractor's methodology used to determine costs for services invoiced.

D. Maximum Contract Amount:

(1) Notwithstanding any other provision of the Agreement, the City's maximum payment obligation will not exceed **SIX HUNDRED THOUSAND DOLLARS AND ZERO CENTS (\$600,000.00)** (the "Maximum Contract Amount"). The City is not obligated to execute an Agreement or any amendments for any further services, including any services performed by the Contractor beyond that specifically described in **Exhibit A**. Any services performed beyond those in **Exhibit A** are performed at the Contractor's risk and without authorization under the Agreement.

(2) The City's payment obligation, whether direct or contingent, extends only to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of the Agreement. The City does not by the Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. The Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

E. Modifications to Exhibit A: The Parties may modify **Exhibit A**; provided, however, that no modification shall result in or be binding on the City if any proposed modification(s), individually or collectively, requires an upward adjustment to the Maximum Contract Amount. The Parties shall, in each instance, memorialize in writing any and all modifications to **Exhibit A** revising and restating **Exhibit A** and referencing the City Contract

Control number stated on the signature page below. A proposed modification to an exhibit will be effective only when it has been approved in writing by the Parties, approved as to form by the City Attorney's office, and uploaded into the City's electronic contract system by the Agency for access through the City Clerk. All such modifications shall contain the date upon which the modified **Exhibit A** shall take effect. Any modification to **Exhibit A** agreed to by the Parties that requires an increase in the Maximum Contract Amount shall be evidenced by a written Amendatory Agreement prepared and executed by the Parties in the same manner as this Agreement; if a modification to **Exhibit A** does not result in an increase in the Maximum Contract Amount, then the Director may approve such modification on behalf of the City in conformance with this Section 5.E.

F. Recovery of incorrect payments: The City has the right to recover from the Contractor any and all incorrect payments issued to the Contractor due to any omission, error, fraud, and/or defalcation including, but not limited to, applying a deduction from subsequent payments under this Agreement or other means of recovery by the City as a debt due to the City or otherwise as provided by law. If, as a result of any audit or program review relating to the performance of the Contractor or its officers, agents or employees under this Agreement, there are any irregularities or deficiencies in any audit or review, then the Contractor will, upon notice from the City, correct all identified irregularities or deficiencies within the time frames designated in the City's written notice. If corrections are not made by such date, then the final resolution of identified deficiencies or disputes shall be deemed to be resolved in the City's favor unless the Contractor obtains a resolution in its favor from the responsible official conducting the audit or review. The foregoing in no way limits the Contractor's obligation to reimburse the City for any costs or expenses paid under this Agreement that have been determined to be unallowable or disallowed by the City in accordance with applicable federal, state or city laws, rules, regulations, policies, and executive orders.

G. Return of unexpended funds: In the event the City determines that the Contractor possesses an unexpended balance of funds from any advance payments made to the Contractor, then all such unexpended advanced funds will be returned to the City within ten (10) days written notice to the Contractor. The City's acceptance of any such amounts shall not constitute a waiver of any claim that the City may otherwise have arising out of this Agreement.

6. EMPLOYMENT WITH FUNDS: In connection with the performance of work under this Agreement, the Contractor shall submit pertinent job availability information on each job or position created with the use of the funds provided hereunder to the City's Office of Denver Economic Development & Opportunity in the workforce job system, www.connectingcolorado.com or other system as may be required.

7. STATUS OF CONTRACTOR: The Contractor is an independent contractor retained to perform professional or technical services for limited periods of time. Neither the Contractor nor any of its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever.

8. TERMINATION OF AGREEMENT:

A. The City has the right to terminate the Agreement with cause after providing the Contractor with a reasonable opportunity to cure any breach upon which the termination for cause is based. Contractor shall cure any breach within ten (10) business days or, if the cure cannot be reasonably completed within ten (10) business days, commence to cure within ten (10) business days and proceed to completion in a commercially reasonable timeframe. The City has the right to terminate the Agreement upon written notice effective immediately, and without cause upon thirty (30) calendar days prior written notice to the Contractor. However, nothing herein shall be construed as giving the Contractor the right to perform services under this Agreement beyond the time when such services become reasonably unsatisfactory to the Director.

B. Notwithstanding the preceding paragraph, the City may terminate the Agreement if the Contractor or any of its officers or employees are convicted, plead *nolo contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of bribery, kick backs, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with the Contractor's business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

C. The City may also suspend or terminate this Agreement, in whole or in part, if the Contractor becomes delinquent on any obligation to the City inclusive of any loan, contractual, and tax obligation as due, or with any rule, regulations, or provisions referred to herein; and the City may declare the Contractor ineligible for any further participation in City funding, in addition to other remedies as provided by law. In the event there is probable cause to believe the Contractor is non-compliant with any applicable rules, laws, regulations, or Agreement terms, the City may withhold up to one hundred (100) percent of said Agreements funds until such time as the Contractor is found to be in compliance by the City or is otherwise adjudicated to be in compliance, or to exercise the City's rights under any security interest arising hereunder.

D. Upon termination of the Agreement, with or without cause, the Contractor shall have no claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in the Agreement.

E. If the Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools and facilities it owns that are in the Contractor's possession, custody, or control by whatever method the City deems expedient. The Contractor shall deliver all documents in any form that were prepared under the Agreement and all other items, materials and documents that have been paid for by the City to the City. These documents and materials are the property of the City. The Contractor shall mark all copies of work product that are incomplete at the time of termination "DRAFT-INCOMPLETE".

F. Notwithstanding anything contained herein to the contrary, the City and the Contractor may terminate this Agreement upon a joint determination of the impossibility of the Contractor to perform its obligations hereunder in conformance with any continuing and effective public health orders issued by the State of Colorado or the City (collectively and as may be

adopted, amended, revised, or supplemented, "Public Health Orders"). Notwithstanding the foregoing, such right of termination shall only be exercised after the Contractor has, to the reasonable satisfaction of the City, exhausted all other alternative methods of performance to comply with such Public Health Orders while performing all obligations hereunder. Such alternative methods of performance shall include, without limitation: 1) temporarily suspending performance of applicable portions or all of the Services with no monetary penalties imposed by the City due to such suspension; 2) engaging in approved social distancing requirements as described in the Public Health Orders; and/or 3) performing all or a portion of the Services remotely or electronically where feasible. All determinations of impossibility shall be reasonably determined jointly by the City and the Contractor upon consultation in good faith and, if so determined, shall also specify an effective date of termination of this Agreement to occur no later than twenty (20) days from the date of such determination. Nothing contained herein shall be construed as prohibiting or limiting the right of the City to otherwise terminate this Agreement in conformance with the terms and conditions of this Agreement. If this Agreement is terminated in accordance with this clause, the City shall be liable only for payment under the provisions of this Agreement for services satisfactorily rendered by the Contractor before the effective date of termination.

9. EXAMINATION OF RECORDS: Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access, and the right to examine, copy and retain copies, at City's election in paper or electronic form, any pertinent books, documents, papers and records related to the Contractor's performance pursuant to this Agreement, provision of any goods or services to the City, and any other transactions related to this Agreement. The Contractor shall cooperate with City representatives and City representatives shall be granted access to the foregoing documents and information during reasonable business hours and until the latter of three (3) years after the final payment under the Agreement or expiration of the applicable statute of limitations. When conducting an audit of this Agreement, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audits pursuant to this paragraph shall require the Contractor to make disclosures in violation of state or federal privacy laws. The Contractor shall at all times comply with D.R.M.C. 20-276.

10. WHEN RIGHTS AND REMEDIES NOT WAIVED: In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

11. INSURANCE: At all times during the term of this Agreement, including any renewals or extensions, the Contractor shall maintain such insurance, by commercial policy or self-insurance, as is necessary to meet its liabilities under the Colorado Governmental Immunity Act, C.R.S. §§ 24-10-101, *et seq.*, as amended ("CGIA"). This obligation shall survive the termination of this Agreement.

12. LIABILITY/COLORADO GOVERNMENTAL IMMUNITY ACT: In relation to the Agreement, the Contractor and the City each represent that they are a self-insurer as permitted by the CGIA, and that each will continue to qualify as a self-insurer or will obtain commercial insurance in connection with the subject matter of this Agreement. Neither Party shall have any liability or responsibility to anyone for any act or omission of the other. Each Party is responsible for any and all claims, damages, liability and court awards, including costs, expenses and attorney fees, incurred as a result of its actions or omissions or any action or omission of its officers, employees, and agents in connection with the subject matter of this Agreement or any amendment hereto. Nothing in this Agreement shall be construed as a waiver of the notice requirements, defenses, immunities and limitations the City or the Contractor may have under the CGIA or to any other defenses, immunities, or limitations of liability available to the City or the Contractor by law.

13. TAXES, LATE CHARGES, AND PERMITS: The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City's prompt payment ordinance, D.R.M.C. §§ 20-107, *et seq.* The Contractor shall promptly pay when due, all bills, debts and obligations it incurs performing the services under the Agreement and shall not allow any lien, mortgage, judgment or execution to be filed against City property.

14. ASSIGNMENT AND SUBCONTRACTING: The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations under the Agreement or subcontract performance obligations without obtaining the Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void *ab initio*, and shall be cause for termination of this Agreement by the City. The Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate the Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City for all obligations arising hereunder; and (ii) no contractual relationship shall be created between the City and any sub-consultant, subcontractor or assign.

Services subcontracted under this Agreement shall be specified by written agreement and shall be subject to each applicable provision of this Agreement and any and all applicable federal and state laws with appropriate changes in nomenclature in referring to such subcontract. The Contractor shall submit proposed subcontract agreements to the Director for the Director's prior review and approval; unless explicitly agreed to by the Director, the Director's approval of one proposed subcontract agreement shall not be construed as an approval of any subsequent proposed subcontract agreements. Such consent of the City obtained as required by this Section 14 shall not be construed to constitute a determination of approval of any cost under this Agreement, unless such approval specifically provides that it also constitutes a determination of approval of such cost.

15. INUREMENT: The rights and obligations of the Parties to the Agreement inure to the benefit of and shall be binding upon the Parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of the Agreement.

16. NO THIRD-PARTY BENEFICIARY: Enforcement of the terms of the Agreement and all rights of action relating to enforcement are strictly reserved to the Parties.

Nothing contained in the Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to the Agreement is an incidental beneficiary only.

17. NO AUTHORITY TO BIND CITY TO CONTRACTS: The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

18. SEVERABILITY: Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of the Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the Parties can be fulfilled.

19. CONFLICT OF INTEREST:

A. No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement; and the Contractor shall not hire, or contract for services with, any employee or officer of the City in violation of the City's Code of Ethics, D.R.M.C. §§ 2-51, *et seq.*, or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

B. The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest which shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement in the event it determines a conflict exists, after it has given the Contractor written notice describing the conflict. The Contractor will have thirty (30) days after the notice is received to eliminate or cure the conflict of interest in a manner which is acceptable to the City.

20. NOTICES: All notices required by the terms of the Agreement must be hand delivered, sent by overnight courier service, mailed by certified mail, return receipt requested, or mailed via United States mail, postage prepaid, if to Contractor at the address first above written, and if to the City at:

Director of Denver Workforce Services, or Designee
Office of Denver Economic Development & Opportunity
City and County of Denver

Denver, CO 80202

With a copy of any such notice to:

Denver City Attorney's Office
1437 Bannock St., Room 353
Denver, Colorado 80202

Notices hand delivered or sent by overnight courier are effective upon delivery. Notices sent by certified mail are effective upon receipt. Notices sent by mail are effective upon deposit with the U.S. Postal Service. The Parties may designate substitute addresses where or persons to whom notices are to be mailed or delivered. However, these substitutions will not become effective until actual receipt of written notification.

21. DISPUTES: All disputes between the City and the Contractor arising out of or regarding this Agreement will be resolved by administrative hearing pursuant to the procedure established by Denver Revised Municipal Code, §§ 56-106(b)-(f). For the purposes of that procedure, the City official rendering a final determination shall be the Director as defined in this Agreement.

22. GOVERNING LAW; VENUE: The Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of Denver, as each may be amended from time to time and which are expressly incorporated into the Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders, or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to the Agreement will be in the District Court of the State of Colorado, Second Judicial District.

23. NO DISCRIMINATION IN EMPLOYMENT: In connection with the performance of work under this Agreement, the Contractor agrees not to refuse to hire, nor to discharge, promote or demote, nor to discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, gender identity or gender expression, marital status, or physical or mental disability; and further agrees to insert the foregoing provision in all subcontracts hereunder.

24. COMPLIANCE WITH APPLICABLE LAWS: The Contractor shall perform or cause to be performed all services in full compliance with all applicable laws, rules, regulations, and codes of the United States, State of Colorado, and with the Charter, ordinances, regulations, policies, and Executive Orders of the City and County of Denver whether or not specifically referenced herein. In particular, and not by way of limitation, the Contractor shall cooperate and comply with the City's Office of Denver Economic Development & Opportunity's "Background Checks Concerning Placement of Youth Participants Policy" for programs or services provided to youth under age 18.

25. LEGAL AUTHORITY: The Contractor represents and warrants that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into the Agreement. Each person signing and executing the Agreement on behalf of the Contractor represents and warrants that he or she has been fully authorized by the Contractor to execute the Agreement on behalf of the Contractor and to validly and legally bind the Contractor to all the terms, performances and provisions of the Agreement. The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate the Agreement if there is a dispute as to the legal authority of either the Contractor or the person signing the Agreement to enter into the Agreement.

26. NO CONSTRUCTION AGAINST DRAFTING PARTY: The Parties and their respective counsel have had the opportunity to review the Agreement, and the Agreement will not be construed against any Party merely because the Agreement or any provisions thereof were prepared by a particular Party.

27. INTELLECTUAL PROPERTY RIGHTS: The City and the Contractor intend that all property rights to any and all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, music, sketches, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information created by the Contractor and paid for by the City pursuant to this Agreement, in preliminary or final form and on any media whatsoever (collectively, "Materials"), shall belong to the City. The Contractor shall disclose all such items to the City. To the extent permitted by the U.S. Copyright Act, 17 USC §§ 101, *et seq.*, the Materials are a "work made for hire" and all ownership of copyright in the Materials shall vest in the City at the time the Materials are created. To the extent that the Materials are not a "work made for hire," the Contractor (by this Agreement) sells, assigns and transfers all right, title and interest in and to the Materials to the City, including the right to secure copyright, patent, trademark, and other intellectual property rights throughout the world and to have and to hold such rights in perpetuity.

28. SURVIVAL OF CERTAIN PROVISIONS: The terms of the Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of the Agreement survive the Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Contractor's obligations to provide insurance will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

29. ADVERTISING AND PUBLIC DISCLOSURE: The Contractor shall not include any reference to the Agreement or to services performed pursuant to the Agreement in any of the Contractor's advertising or public relations materials without first obtaining the written approval of the Director. Any oral presentation or written materials related to services performed under the Agreement will be limited to services that have been accepted by the City. The Contractor shall notify the Director in advance of the date and time of any presentation. Nothing in this provision precludes the transmittal of any information to City officials or employees.

30. CITY EXECUTION OF AGREEMENT: The Agreement will not be effective or binding on the City until it has been fully executed by all signatories of the City and County of Denver, and if required by Charter, approved by the City Council.

31. AGREEMENT AS COMPLETE INTEGRATION-AMENDMENTS: The Agreement is the complete integration of all understandings between the Parties as to the subject matter of the Agreement. No prior or contemporaneous addition, deletion, or other modification has any force or effect, unless embodied in the Agreement in writing. No subsequent novation, renewal, addition, deletion, or other amendment will have any force or effect unless embodied in a written amendment to the Agreement properly executed by the Parties. No oral representation by any officer or employee of the City at variance with the terms of the Agreement or any written amendment to the Agreement will have any force or effect or bind the City. The Agreement is, and

any amendments thereto will, be binding upon the parties and their successors and assigns. Amendments to this Agreement will become effective when approved by both parties and executed in the same manner as this Agreement.

32. USE, POSSESSION OR SALE OF ALCOHOL OR DRUGS: The Contractor shall cooperate and comply with the provisions of Executive Order 94 and Attachment A thereto concerning the use, possession or sale of alcohol or drugs. Violation of these provisions or refusal to cooperate with implementation of the policy can result in the City barring the Contractor from City facilities or participating in City operations.

33. PERSONAL INFORMATION AND DATA PROTECTION:

A. “Data Protection Laws” means (i) all applicable international, federal, state, provincial and local laws, rules, regulations, directives and governmental requirements relating in any way to the privacy, confidentiality or security of Personal Information; and (ii) all applicable laws and regulations relating to electronic and non-electronic marketing and advertising; laws regulating unsolicited email communications; security breach notification laws; laws imposing minimum security requirements; laws requiring the secure disposal of records containing certain Personal Information; laws imposing licensing requirements; laws and other legislative acts that establish procedures for the evaluation of compliance; and all other similar applicable requirements.

B. “Personal Information” means all information that individually or in combination, does or can identify a specific individual by or from which a specific individual can be identified, contacted, or located. Personal Information includes, without limitation, name, signature, address, e-mail address, telephone number, social security number (full or partial), business contact information, date of birth, national or state identification numbers, bank account number, credit or debit card numbers, and any other unique identifier or one or more factors specific to the individual’s physical, physiological, mental, economic, cultural, or social identity.

C. “Compliance with Law and Regulation”: Contractor confirms and warrants that it complies with all applicable Data Protection Laws relating to the collection, use, disclosure, and other processing of Personal Information and that it will perform its obligations under this Agreement in compliance with them.

D. “Software Programs; Security of Personal Information and access to Software Programs”: Contractor will use the software programs designated by the City pursuant to the Grant Agreement to collect, use, process, store, or generate all data and information, without or without Personal Information, received as a result of the Contractor’s services under this Agreement. Contractor will fully comply with any and all requirements and conditions associated with the use of said software programs as provided by the City or the Grantor. In addition, Contractor will establish and maintain data privacy and information security policies and procedures, including physical, technical, administrative, and organizational safeguards, in order to: (i) ensure the security and confidentiality of Personal Information; (ii) protect against any anticipated threats or hazards to the security or integrity of Personal Information; (iii) protect against unauthorized disclosure, access to, or use of Personal Information; (iv) ensure the proper

use of Personal Information; and (v) ensure that all employees, agents, and subcontractors of Contractor, if any, comply with all of the foregoing.

E. Confidentiality: Unless otherwise permitted expressly by applicable law, all Personal Information collected, used, processed, stored, or generated as the result of the services to be provided under this Agreement will be treated by Contractor as highly confidential information. Contractor will have no right, title, or interest in any Personal Information or any other data obtained or supplied by Contractor in connection with the services to be provided under this Agreement. Contractor has an obligation to immediately alert the City if Contractor's security has been breached or if Contractor is aware of any unauthorized disclosure of Personal Information. This Section will survive the termination of this Agreement.

F. Contractor Use of Personal Information: Contractor will: (i) keep and maintain Personal Information in strict confidence and in compliance with all applicable Data Protection Laws, and such other applicable laws, using such degree of care as is appropriate and consistent with its obligations as described in this Agreement and applicable law to avoid unauthorized access, use, disclosure, or loss; (ii) use and disclose Personal Information solely and exclusively for the purpose of providing the services hereunder, such use and disclosure being in accordance with this Agreement, and applicable law; and (iii) not use, sell, rent, transfer, distribute, or otherwise disclose or make available Personal Information for Contractor's own purposes or for the benefit of anyone other than the City without the prior written consent of the City and the person to whom the Personal Information pertains. This Section will survive the termination of this Agreement.

G. Backup Data: Except as expressly approved in advance by the City, Contractor will not establish or maintain a backup of data that includes Personal Information.

H. Loss of Personal Information: In the event of any act, error or omission, negligence, misconduct, or breach that compromises or is suspected to compromise the security, confidentiality, or integrity of Personal Information, Contractor will, as applicable: (i) notify the person affected and the City as soon as practicable but no later than twenty-four (24) hours of becoming aware of such occurrence; (ii) cooperate with the person affected and the City in investigating the occurrence, including making available all relevant records, logs, files, data reporting, and other materials required to comply with applicable law or as otherwise required by the person affected or the City; (iii) in the case of Personal Information and if required by applicable law, at the affected person's sole election: (A) notify the affected individuals in accordance with any legally required notification period; or, (B) reimburse the person affected for any costs in notifying the affected individuals; (iv) in the case of Personal Information and if required by applicable law, provide third-party credit and identity monitoring services to each of the affected individuals for the period required to comply with applicable law; (v) perform or take any other actions required to comply with applicable law as a result of the occurrence; (vi) be responsible for any and all claims, including reasonable attorneys' fees, costs, and expenses incidental thereto, which may be suffered by, accrued against, charged to, or recoverable from the City or the person affected in connection with the occurrence; (vii) be responsible for recovering lost data and information in the manner and on the schedule set forth by the City without charge to the person affected, and (viii) provide to the City and the person affected a detailed plan within ten (10) calendar days of the occurrence describing the measures Contractor will undertake to

prevent a future occurrence. Notification to affected individuals, as described above, will comply with applicable law, be written in plain terms in English and in any other language or languages specified by the affected individual, and contain, at a minimum: (i) name and contact information of Contractor's representative; (ii) a description of the nature of the loss; (iii) a list of the types of data involved; (iv) the known or approximate date of the loss; (v) how such loss may affect the affected individual; (vi) what steps Contractor has taken to protect the affected individual; what steps the affected individual can take to protect himself or herself; (vii) contact information for major credit card reporting agencies; and (viii) information regarding the credit and identity monitoring services to be provided by Contractor. This Section will survive the termination of this Agreement.

34. CONFIDENTIAL INFORMATION; OPEN RECORDS:

A. City Proprietary and Confidential Information: The Contractor acknowledges and accepts that, in performance of all work under the terms of this Agreement, the Contractor may have access to proprietary information and confidential information that may be owned or controlled by the City, and that the disclosure of such information may be damaging to the City or third parties. The Contractor agrees that all proprietary information and confidential information or any other data or information provided or otherwise disclosed by the City to the Contractor will be held in confidence and used only in the performance of its obligations under this Agreement. The Contractor will exercise the same standard of care to protect such proprietary information and confidential information as a reasonably prudent contractor would to protect its own proprietary or confidential data. For purposes of this Section 34, the City's proprietary information and confidential information will include, without limitation, all information that would not be subject to disclosure pursuant to the Colorado Open Records Act (Colorado Revised Statutes §§ 24-72-201, *et seq.*) or applicable City ordinance, and provided or made available to the Contractor by the City. Such proprietary information and confidential information may be in hardcopy, printed, digital, electronic, or other format.

B. Use and Protection of Proprietary Information and Confidential Information:

(1) Except as expressly provided by the terms of this Agreement, the Contractor agrees that it will not disseminate, transmit, license, sublicense, assign, lease, release, publish, post on the internet, transfer, sell, permit access to, distribute, allow interactive rights to, or otherwise make available any proprietary or confidential information or any part thereof to any other person, party, or entity in any form of media for any purpose other than performing its obligations under this Agreement. The Contractor further acknowledges that by providing proprietary information or confidential information, the City is not granting to the Contractor any right or license to use such information except as provided in this Agreement.
