Announcement

Council President Herndon announced that the published agenda stated that on Monday, March 23, 2015, there will be a required public hearing on CB15-0117, amending the Welton Street Commercial Corridor Cultural District as a district for preservation. However, it has been determined that a public hearing is not required on CB15-0117 related to the Welton Street Commercial Corridor Cultural District because the area encompassed by the historic district is not changing. This bill only changes the name of the historic district, amends the period of significance for the historic district, and adds two contributing structures to the historic district.
