

**Council Bill 16-0898**  
**Removing Denver Public Schools property from  
condemnation authority in the bill**

Councilmember Kniech

November 7, 2016

Mister President:

I move to amend CB 16-0898 in the following particulars:

On page 2, line 47, after the period add:

”(Lines 23 through 47 constitute the “DPS Parcel”.)”

On page 3, line 22, after the comma add:

“but not the DPS Parcel,”

**Explanation of Amendment**

This amendment deletes reference to the condemnation of property currently owned by Denver Public Schools. Negotiations for acquisition of the DPS property are ongoing.
