

DEPARTMENT OF AVIATION CITY COUNCIL ORDINANCE REQUEST SUMMARY DEN Towing Services Agreement

Purpose and Use of Agreement(s)

The purpose of this contract is to provide immediate 24-hour on-site, standby, and contingency towing services at DEN, at the request of the Denver Police Department and DEN's Parking and Transportation. This includes the removal of vehicles that pose a safety or security concerns on Levels 4, 5, and 6 of the Terminal, and other landside areas. This contract assists the Denver Police with accidents and provides support for emergency events on airport terminal roadways and Peña Boulevard. Additionally, this contract also requires additional tow truck services during snow events.

The Contractor is paid an hourly rate of \$60.00 for the 24-hour on-site, standby, services. The services include, but are not limited to:

- Vehicle relocation
- Tow services for accidents and emergencies
- Vehicles Services – tire change, lockouts, fuel assistance, etc.
- All services are provided free of charge to the customer.

The Contractor is paid an hourly rate by vehicle type for any contingency towing services including requests for snow events. DEN's Parking & Transportation and the Denver Police Department must approve all additional tow service requests.
