**Comments:** Partial relinquishment limits accepted on behalf of Wastewater

**Status Date:** 04/20/2023  
**Status:** Denied  
**Comments:** The public storm line must have an easement at all times. How is this accomplished? In order to convey the new easement under 2023-DEDICATION-000071 this would require the entire relinquishment be approved leaving the main with no easement. Shouldn't the relinquishment be partial to the agreed boundary?

The RTD has no exceptions to this project at this time.

This review is for Design concepts and to identify any necessary improvements to RTD stops and property affected by the design. This review of the plans does not eliminate the need to acquire, and/or go through the acquisition process of any agreements, easements or permits that may be required by the RTD for any work on or around our facilities and property.

Does not affect CDOT on-system ROW. Proposed effort is approved as the location does not affect CDOT ROW. The easterly boundaries of the two separate relinquishments do appear to be the westerly boundary of the Federal Blvd. and Colfax Ave. interchange ROW limits. The relinquishments do not appear to affect CDOT ROW.
