- 5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**
 - a. Scope of Work**
WM will accept compostable waste material and process this waste material to create compost product.
 - b. Duration**
The term will be September 1, 2012, through December 31, 2015.
 - c. Location**
3500 South Gun Club Road in Aurora
 - d. Affected Council District**
n/a
 - e. Benefits**
The agreement will generate income to the City. The location of the compost facility does not interfere with the landfilling operations. Additionally, the placement of a composting facility is consistent with the campus concept at the DADS property, which includes the City-owned landfill, an area for concrete and asphalt recycling, and a center for drop off of household and some construction recyclables.
 - f. Costs**
Revenue Contract

- 6. Is there any controversy surrounding this ordinance, groups or individuals who may have concerns about it? Please explain.**
No.
