7. **Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**

a. Scope of Work

Extreme Towing and Recovery is the towing company contracted to provide on-site towing services within the revenue control system, Terminal curbside and on Pena Blvd roadways at DIA. Extreme Towing is the contractor used during snow removal, they play a major role in this process.

b. Duration

11-1-2008 thru 10-31-2012

c. Location

DIA

d. Affected Council District

11

e. Benefits

This contract is to provide on-site towing services within the revenue control system (abandoned vehicles and illegal parkers), Terminal curbside and on the roadways at DIA. The on-site tow service is used to move vehicles from the roadways (Pena Blvd), curbside areas and parking facilities that are in violation of city ordinances or vehicles that are creating a hazard for other motorists at DIA.

f. Costs

\$320,000, to raise maximum liability to \$1,520,000

6. Is there any controversy surrounding this ordinance, groups or individuals who may have concerns about it? Please explain.

No
