(c) No law enforcement officer shall issue a citation, make an arrest or otherwise enforce this section against any person unless:

(1) The officer orally requests or orders the person to refrain from the alleged violation of this section and, if the person fails to comply after receiving the oral request or order, the officer tenders a written request or order to the person warning that if the person fails to comply the person may be cited or arrested for a violation of this section; and

(2) The officer attempts to ascertain whether the person is in need of medical or human services assistance, including but not limited to mental health treatment, drug or alcohol rehabilitation, or homeless services assistance. If the officer determines that the person may be in need of medical or human services assistance, the officer shall make reasonable efforts to contact and obtain the assistance of a designated human service outreach worker, who in turn shall assess the needs of the person and, if warranted, direct the person to an appropriate provider of medical or human services assistance in lieu of the person being cited or arrested for a violation of this section. If the officer is unable to obtain the assistance of a human services outreach worker, if the human services outreach worker determines that the person is not in need of medical or human services assistance, or if the person refuses to cooperate with the direction of the human services outreach worker, the officer may proceed to cite or arrest the person for a violation of this section so long as the warnings required by paragraph (1) of this subsection have been previously given.
