

Key Contract Terms

Vendor/Contractor Name: Denver Regional Council of Government

Contract control number: CE83038-03 – Third Amendatory

City's contract manager: [Cindy Zec](#)

Was this contractor selected by competitive process? No

Term/Duration of contract/project:

Original Date: 07/08/2008 – 04/14/2010

2nd Amended: 07/08/2008 – 12/31/2014

3rd Amended: 07/08/2008 – 12/31/2017

Renewal terms: 3 years

Purpose: Denver Regional Council of Governments (DRCOG) will provide the City and County of Denver high-quality digital aerial photography, LiDAR and other GIS data for the Denver metropolitan region. This contract amendment extends the term and adds funding for the 2014 aerial acquisition. This project is funded by the General Fund, Public Works/Wastewater Management, Environmental Health, and DIA.

Cost/value:

Original Amount Requested: \$ 439,757.00

NEW Contract Amount Requested: \$ \$481,768.00

New Total Amount Including Amendment: \$921,525.00

Source of funds:

78100/6506100/601000

Environmental Health, PWWMD, DIA, General Fund

Benefit: This project will provide the numerous departments and agencies within the City and County of Denver with high quality aerial photography, topography, and elevation data that are essential to keep the Geographic Information System up-to-date. This data is critical information without which many City Agencies would not be able to complete their daily tasks. A portion of the data collected from this project will be made available directly through the Denver Open Data Catalog to businesses and constituents. Data derived from the products will also be made available to the public and allow decision-makers to make informed decisions.

Termination provision for City and for contractor: 30 Days
