1. PARTIES

This Agreement is entered into by and between Grantee named on the Cover Page for this Agreement (the “Grantee”), and the STATE OF COLORADO (the “State”) acting by and through the Department of Local Affairs (“DOLA”) for the benefit of the Division of Housing (“DOH”). Grantee and the State agree to the terms and conditions in this Agreement.

2. TERM AND EFFECTIVE DATE

A. Effective Date

This Agreement shall not be valid or enforceable until the Effective Date, and the Grant Funds shall be expended by the Fund Expenditure End Date shown on the Cover Page for this Agreement. The State shall not be bound by any provision of this Agreement before the Effective Date, and shall have no obligation to pay Grantee for any Work performed or expense incurred before the Effective Date, except as described in **§5.D**, or after the Fund Expenditure End Date.

B. Initial Term

The Parties' respective performances under this Agreement shall commence on the Agreement Performance Beginning Date shown on the Cover Page for this Agreement and shall terminate on the Initial Agreement Expiration Date shown on the Cover Page for this Agreement (the "Initial Term") unless sooner terminated or further extended in accordance with the terms of this Agreement.

C. Extension Terms - State's Option

The State, at its discretion, shall have the option to extend the performance under this Agreement beyond the Initial Term for a period, or for successive periods, of one (1) year or less at the same rates and under the same terms specified in this Agreement (each such period an "Extension Term"). In order to exercise this option, the State shall provide written notice to Grantee in a form substantially equivalent to Sample Option Letter attached to this Agreement. The total duration of this Agreement including the exercise of any options to extend shall not exceed five (5) years from its Effective Date without approval of the Colorado Office of the State Controller.

D. End of Term Extension

If this Agreement approaches the end of its Initial Term, or any Extension Term then in place, the State, at its discretion, upon written notice to Grantee as provided in §14, may unilaterally extend such Initial Term or Extension Term for a period not to exceed two (2) months (an "End of Term Extension"), regardless of whether additional Extension Terms are available or not. The provisions of this Agreement in effect when such notice is given shall remain in effect during the End of Term Extension. The End of Term Extension shall automatically terminate upon execution of a replacement Agreement or modification extending the total term of this Agreement.

E. Early Termination in the Public Interest

The State is entering into this Agreement to serve the public interest of the State of Colorado as determined by its Governor, General Assembly, or Courts. If this Agreement ceases to further the public interest of the State, the State, in its discretion, may terminate this Agreement in whole or in part. A determination that this Agreement should be terminated in the public interest shall not be equivalent to a State right to terminate for convenience. This subsection shall not apply to a termination of this Agreement by the State for breach by Grantee, which shall be governed by §12.A.i.

i. Method and Content

The State shall notify Grantee of such termination in accordance with §14. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Agreement, and shall include, to the extent practicable, the public interest justification for the termination.

ii. Obligations and Rights

Upon receipt of a termination notice for termination in the public interest, Grantee shall be subject to the rights and obligations set forth in §12.A.i.a.

iii. Payments

If the State terminates this Agreement in the public interest, the State shall pay Grantee an amount equal to the percentage of the total reimbursement payable under this Agreement that corresponds to the percentage of Work satisfactorily completed and accepted, as determined by the State, less payments previously made. Additionally, if this Agreement is less than sixty percent (60%) completed, as determined by the State, the State may reimburse Grantee for a portion of actual out-of-pocket expenses, not otherwise reimbursed under this Agreement, incurred by Grantee which are directly attributable to the uncompleted portion of Grantee's obligations, provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Grantee hereunder.

F. Grantee's Termination Under Federal Requirements

Any other term used in this Agreement that is defined in an Exhibit shall be construed and interpreted as defined in that Exhibit.

4. STATEMENT OF WORK

Grantee shall complete the Work as described in this Agreement and in accordance with the provisions of **Exhibit B**. The State shall have no liability to compensate Grantee for the delivery of any goods or the performance of any services that are not specifically set forth in this Agreement.

5. PAYMENTS TO GRANTEE

A. Maximum Amount

Payments to Grantee are limited to the unpaid, obligated balance of the Grant Funds. The State shall not pay Grantee any amount under this Agreement that exceeds the Agreement Maximum for each State Fiscal Year shown on the Cover Page of this Agreement.

B. Payment Procedures

i. Invoices and Payment

- a.** The State shall pay Grantee in the amounts and in accordance with the schedule and other conditions set forth in **Exhibit B**. Satisfactory performance of the terms of this Agreement is a condition precedent to the State’s obligation to pay Grantee.
- b.** Grantee shall initiate payment requests by invoice to the State, in a form and manner approved by the State.
- c.** The State shall pay each invoice within forty-five (45) days following the State’s receipt of that invoice, so long as the amount invoiced correctly represents Work completed by Grantee and previously accepted by the State during the term that the invoice covers. If the State determines that the amount of any invoice is not correct, then Grantee shall make all changes necessary to correct that invoice.
- d.** The acceptance of an invoice shall not constitute acceptance of any Work performed or deliverables provided under this Agreement.

ii. Interest

Amounts not paid by the State within forty-five (45) days of the State’s acceptance of the invoice shall bear interest on the unpaid balance beginning on the 45th day at the rate of one percent (1%) per month, as required by §24-30-202(24) (a), C.R.S., until paid in full; provided, however, that interest shall not accrue on unpaid amounts that the State disputes in writing. Grantee shall invoice the State separately for accrued interest on delinquent amounts, and the invoice shall reference the delinquent payment, the number of day’s interest to be paid and the interest rate.

iii. Payment Disputes

If Grantee disputes any calculation, determination or amount of any payment, Grantee shall notify the State in writing of its dispute within thirty (30) days following the earlier to occur of Grantee’s receipt of the payment or notification of the determination or calculation of the payment by the State. The State will review the information presented by Grantee and may make changes to its determination based on this review. The

calculation, determination or payment amount that results from the State’s review shall not be subject to additional dispute under this subsection. No payment subject to a dispute under this subsection shall be due until after the State has concluded its review, and the State shall not pay any interest on any amount during the period it is subject to dispute under this subsection.

iv. Available Funds-Contingency-Termination

The State is prohibited by law from making commitments beyond the term of the current State Fiscal Year. Payment to Grantee beyond the current State Fiscal Year is contingent on the appropriation and continuing availability of Grant Funds in any subsequent year (as provided in the Colorado Special Provisions). If federal funds or funds from any other non-State funds constitute all or some of the Grant Funds, the State’s obligation to pay Grantee shall be contingent upon such non-State funding continuing to be made available for payment. Payments to be made pursuant to this Agreement shall be made only from Grant Funds, and the State’s liability for such payments shall be limited to the amount remaining of such Grant Funds. If State, federal or other funds are not appropriated, or otherwise become unavailable to fund this Agreement, the State may, upon written notice, terminate this Agreement, in whole or in part, without incurring further liability. The State shall, however, remain obligated to pay for Services and Goods that are delivered and accepted prior to the effective date of notice of termination, and this termination shall otherwise be treated as if this Agreement were terminated in the public interest as described in §2.E.

v. Federal Recovery

Reserved.

C. Matching Funds

Grantee shall provide Matching Funds as provided in **Exhibit B**. Grantee shall have raised the full amount of Matching Funds prior to the Effective Date and shall report to the State regarding the status of such funds upon request. Grantee’s obligation to pay all or any part of any matching funds, whether direct or contingent, only extend to funds duly and lawfully appropriated for the purposes of this Agreement by the authorized representatives of Grantee and paid into Grantee’s treasury or bank account. Grantee represents to the State that the amount designated “Grantee’s Matching Funds” in **Exhibit B** has been legally appropriated for the purposes of this Agreement by its authorized representatives and paid into its treasury or bank account. Grantee does not by this Agreement irrevocably pledge present cash reserves for payments in future fiscal years, and this Agreement is not intended to create a multiple-fiscal year debt of Grantee. Grantee shall not pay or be liable for any claimed interest, late charges, fees, taxes or penalties of any nature, except as required by Grantee’s laws or policies.

D. Reimbursement of Grantee Costs

Only with prior written approval the State shall reimburse Grantee’s allowable costs, not exceeding the maximum total amount described in **Exhibit B** and §5.A for all allowable costs described in this Grant and shown in the Budget in **Exhibit B**, except that Grantee may adjust the amounts between each line item of the Budget as provided for in §5.4 of **Exhibit B**, without formal modification to this Agreement as long as the Grantee provides notice to the State of the change, the change does not modify the total maximum amount of this Agreement

or the maximum amount for any state fiscal year, and the change does not modify any requirements of the Work. The State shall reimburse Grantee for the federal share of properly documented allowable costs related to the Work after review and approval thereof, subject to the provisions of this Agreement and **Exhibit B**. However, any costs incurred by Grantee prior to the Effective Date shall not be reimbursed absent specific allowance of pre-agreement costs pursuant to **§5.2.2.1** of **Exhibit B** and indication that the Federal Award funding is retroactive. Grantee's costs for Work performed after the Fund Expenditure End Date shown on the Cover Page for this Agreement, or after any phase performance period end date for a respective phase of the Work, shall not be reimbursable. The State shall only reimburse allowable costs described in this Agreement and shown in the Budget if those costs are:

- i. Reasonable and necessary to accomplish the Work and for the Goods and Services provided; and
- ii. Equal to the actual net cost to Grantee (i.e. the price paid minus any items of value received by Grantee that reduce the cost actually incurred).

E. Close-Out

DOLA shall not release final payment until Grantee has met its close-out obligations, which include, without limitation, completion of the Project, and compliance with all monitoring reporting requirements. Grantee shall close out this Award within forty-five (45) days after the Fund Expenditure End Date shown on the Signature and Cover Page for this Agreement. To complete close-out, Grantee shall submit to the State all deliverables (including documentation) as defined in this Agreement and Grantee's final reimbursement request or invoice. The State may withhold up to 10% of allowable costs until all final documentation has been submitted and accepted by the State as complete. If the Federal Awarding Agency has not closed this Federal Award within one year and 90 days after the Fund Expenditure End Date shown on the Signature and Cover Page for this Agreement due to Grantee's failure to submit required documentation, then Grantee may be prohibited from applying for new Federal Awards through the State until such documentation is submitted and accepted.

6. REPORTING - NOTIFICATION

A. Periodic Reports

In addition to any reports required pursuant to **§§6, 7 & 16** of this Agreement, Grantee shall comply with all reporting requirements of **Exhibit B**.

B. Litigation Reporting

If Grantee is served with a pleading or other document in connection with an action before a court or other administrative decision making body, and such pleading or document relates to this Agreement or may affect Grantee's ability to perform its obligations under this Agreement, Grantee shall, within ten (10) days after being served, notify the State of such action and deliver copies of such pleading or document to the State's Principal Representative identified on the Cover Page.

C. Performance and Final Status

Grantee shall submit all financial, performance and other reports to the State as provided in **§7** of **Exhibit B** and no later than 45 calendar days after the end of the Initial Term if no Extension Terms are exercised, or the final Extension Term exercised by the State, containing

an evaluation and review of Grantee's performance and the final status of Grantee's obligations hereunder.

D. Violations Reporting

Grantee shall immediately disclose, in a timely manner, in writing to notify the State in writing as provided in §14, all violations of Federal or State criminal law as provided in §14, of any civil lawsuit, criminal charge or notice of violation, currently pending, hereinafter filed or entered in a court of law, against Grantee, a principal of Grantee, the Responsible Administrator, or Other Key Personnel identified in §§4.1 and 4.2 of Exhibit B, involving theft, fraud, bribery, or gratuity violations, embezzlement, professional negligence or malfeasance potentially affecting the Agreement. The State may impose any penalties for noncompliance allowed under 2 CFR Part 180 and 31 U.S.C. 3321, which may include, without limitation, suspension or debarment.

7. GRANTEE RECORDS

A. Maintenance

Grantee shall make, keep, maintain, and allow inspection and monitoring by the State of a complete file of all records, documents, communications, notes and other written materials, electronic media files, and communications, pertaining in any manner to the Work or the delivery of Services (including, but not limited to the operation of programs) or Goods hereunder. Grantee shall maintain such records for a period (the "Record Retention Period") of three (3) years following the Project Close-Out Date, as defined in §2 of Exhibit B or three (3) years following termination of this Agreement, whichever is longer. If any litigation, claim, or audit related to this Agreement starts before expiration of the Record Retention Period, the Record Retention Period shall extend until all litigation, claims, or audit findings have been resolved and final action taken by the State or Federal Awarding Agency. The Federal Awarding Agency, a cognizant agency for audit, oversight or indirect costs, and the State, may notify Grantee in writing that the Record Retention Period shall be extended. For records for real property and equipment, the Record Retention Period shall extend three years following final disposition of such property.

B. Inspection

Grantee shall permit the State, the federal government, and any other duly authorized agent of a governmental agency to audit, inspect, examine, excerpt, copy and transcribe Grantee Records during the Record Retention Period. Grantee shall make Grantee Records available during normal business hours at Grantee's office or place of business, or at other mutually agreed upon times or locations, upon no fewer than two (2) Business Days' notice from the State, unless the State determines that a shorter period of notice, or no notice, is necessary to protect the interests of the State.

C. Monitoring

The State will monitor Grantee's performance of its obligations under this Agreement using procedures as determined by the State. The federal government and any other duly authorized agent of a governmental agency, in its discretion, may monitor Contractor's performance of its obligations under this Agreement using procedures as determined by that governmental entity. Grantee shall allow the State to perform all monitoring required by the Uniform Guidance, based on the State's risk analysis of Grantee and this Agreement. The State shall have the right, in its sole discretion, to change its monitoring procedures and requirements at

any time during the term of this Agreement. The State shall monitor Grantee's performance in a manner that does not unduly interfere with Grantee's performance of the Work.

D. Final Audit Report

Grantee shall promptly submit to the State a copy of any final audit report of an audit performed on Grantee's records that relates to or affects this Agreement or the Work, whether the audit is conducted by Grantee or a third party. Additionally, if Grantee is required to perform a single audit under 2 CFR 200.501, *et seq.*, then Grantee shall submit a copy of the results of that audit to the State within the same timelines as the submission to the federal government.

8. CONFIDENTIAL INFORMATION-STATE RECORDS

A. Confidentiality

Grantee shall keep confidential, and cause all Subcontractors to keep confidential, all State Records, unless those State Records are publicly available. Grantee shall not, without prior written approval of the State, use, publish, copy, disclose to any third party, or permit the use by any third party of any State Records, except as otherwise stated in this Agreement, permitted by law or approved in writing by the State. Grantee shall provide for the security of all State Confidential Information in accordance with all policies promulgated by the Colorado Office of Information Security and all applicable laws, rules, policies, publications, and guidelines. If Grantee or any of its Subcontractors will or may receive the following types of data, Grantee or its Subcontractors shall provide for the security of such data according to the following: **(i)** the most recently promulgated IRS Publication 1075 for all Tax Information and in accordance with the Safeguarding Requirements for Federal Tax Information attached to this Agreement as an Exhibit, if applicable; **(ii)** the most recently updated PCI Data Security Standard from the PCI Security Standards Council for all PCI; **(iii)** the most recently issued version of the U.S. Department of Justice, Federal Bureau of Investigation, Criminal Justice Information Services Security Policy for all CJ; and **(iv)** the federal Health Insurance Portability and Accountability Act for all PHI and the HIPAA Business Associate Agreement attached to this Agreement, if applicable. Grantee shall immediately forward any request or demand for State Records to the State's Principal Representative.

B. Other Entity Access and Nondisclosure Agreements

Grantee may provide State Records to its agents, employees, assigns and Subcontractors as necessary to perform the Work, but shall restrict access to State Confidential Information to those agents, employees, assigns and Subcontractors who require access to perform their obligations under this Agreement. Grantee shall ensure all such agents, employees, assigns, and Subcontractors sign agreements containing nondisclosure provisions at least as protective as those in this Agreement, and that the nondisclosure provisions are in force at all times the agent, employee, assign or Subcontractor has access to any State Confidential Information. Grantee shall provide copies of those signed nondisclosure provisions to the State upon execution of the nondisclosure provisions.

C. Use, Security, and Retention

Grantee shall use, hold and maintain State Confidential Information in compliance with any and all applicable laws and regulations in facilities located within the United States, and shall maintain a secure environment that ensures confidentiality of all State Confidential Information wherever located. Grantee shall provide the State with access, subject to

Grantee's reasonable security requirements, for purposes of inspecting and monitoring access and use of State Confidential Information and evaluating security control effectiveness. Upon the expiration or termination of this Agreement, Grantee shall return State Records provided to Grantee or destroy such State Records and certify to the State that it has done so, as directed by the State. If Grantee is prevented by law or regulation from returning or destroying State Confidential Information, Grantee warrants it will guarantee the confidentiality of, and cease to use, such State Confidential Information.

D. Incident Notice and Remediation

If Grantee becomes aware of any Incident, it shall notify the State immediately and cooperate with the State regarding recovery, remediation, and the necessity to involve law enforcement, as determined by the State. EXHIBIT B
STATEMENT OF WORK
TENANCY SUPPORT SERVICES

1. GENERAL REQUIREMENTS

- 1.1. Project Description.** Denver Metro Regional Navigation Campus TSS/SHV program. Grantee shall use the Grant Funds to provide Tenancy Support Services (“TSS”) to approximately 195 Households (as defined in §2 of this Exhibit B) that are participants or applicants of supportive housing within the City of Denver TSS program. Grantee shall conduct in-reach and outreach, housing search, counseling services, and other services as described herein as TSS that support each Household’s ability to transition to stable housing and successfully maintain tenancy. In providing TSS, Grantee will follow services standards as defined herein.
- 1.2. Preference.** Grantee shall give a preference to Households based on the preferences listed in the DOH-approved Tenant or Participant Selection Plan.
- 1.3. Service Area.** Grantee’s performance of services shall occur in: City and County of Denver
- 1.4. Grantee’s Obligations.**
- 1.4.1.** Grantee shall implement the Project, administer this Agreement, and provide required documentation to the State as specified herein.
- 1.4.2.** Grantee shall enter into written agreement(s), the content of which meet DOH’s requirements, with the following individuals or entities prior to disbursing any funds:
- 1.4.2.1.** Any Subcontractor engaged by Grantee to aid in performance of the Work.
- 1.4.2.2.** Grantee shall subgrant to or enter into another form of an agreement with other agencies to provide Voucher Administration assistance and Tenancy Support Services once DOH has reviewed and approved the identified agencies.
- 1.4.3. Assignment.** Grantee’s rights and obligations under this **Exhibit B** are personal and may not be transferred or assigned without the prior, written consent of DOH. Any attempt at assignment or transfer without such consent shall be void. Any assignment or transfer of Grantee’s rights and obligations approved by the State shall be subject to the provisions of this Agreement.
- 1.4.4. Time of Performance.** Grantee shall commence performance of its obligations on the Performance Beginning Date and complete its obligations on or before the Initial Agreement Expiration Date, both of which are listed on the Cover Page of the Agreement. Time of Performance may be extended in accordance with §§**2B and 2C** of the main body of this Agreement. To initiate the extension process, Grantee shall submit a written request to DOH Key Personnel at least 60 days prior to the Initial Agreement Expiration Date, and shall include a full justification for the extension request.

- 1.4.5. Tenancy Support Services.** Grantee shall provide TSS in a manner consistent with the descriptions of TSS provided herein, including the following services standards:
- 1.4.5.1.** Grantee shall have a staff-to-client ratio of no less than one case manager to every 15 households.
 - 1.4.5.2.** Grantee shall identify internal funding sources and/or work with community partners to ensure a minimum \$7,200 per Household per year in services, unless otherwise approved by DOH. This minimum is based on best practices in supportive housing.
 - 1.4.5.3.** Staff should have relevant education and experience to implement TSS and other supportive services for quality supportive housing.
 - 1.4.5.4.** Staff should be community-based and multi-disciplinary.
 - 1.4.5.5.** TSS should be implemented using current best practices, as described and defined herein. Other services and treatment models may be coordinated with or incorporated into the services programming based on the individuals served.
 - 1.4.5.6.** The delivery of services should be guided by the principles of cultural competence, recovery and resiliency, with an emphasis on building individuals' strengths and resources in the community, with family, and with peer/social network.
 - 1.4.5.7.** Following Housing First, services must be voluntary and driven by individual choice. Recognizing that individuals may initially or periodically refuse assistance or services, the applicant must demonstrate that staff will assertively and creatively engage participants including outreaching participants multiple times and in multiple settings to maximize participation in services. When implemented to fidelity, connection to services, resources, healthcare, and other programs should increase for participants.
 - 1.4.5.8.** TSS should be provided in a manner that supports residents while reducing the potential spread of COVID-19. In Colorado and across the U.S., COVID-19 is hitting low- and extremely low-income individuals and families who were already severely cost-burdened especially hard, increasing their risk of experiencing an episode of sheltered or unsheltered homelessness. It is also estimated that persons experiencing homelessness infected with COVID-19 are twice as likely to be hospitalized, two to four times as likely to require critical care, and two to three times as likely to die from the illness as the general population. TSS is an effective means of resolving homelessness, increasing housing stability, and reducing emergency system utilization for the target population. These strategies help reduce the associated risk related to COVID-19.
- 1.4.6. Collaboration.** Grantee shall work collaboratively with community-based partners and referral sources as necessary to ensure that all Households served

acquire and maintain housing as efficiently as possible. Grantee may attend and participate in case conferencing meetings to identify eligible Households for the Project and assist in process improvements as necessary. Grantee shall work in conjunction with the project voucher administrator and property management as necessary to ensure the intentions and outcomes of this Agreement.

1.4.7. Homeless Management Information System: Grantee shall utilize the local Continuum of Care (CoC) Homeless Management Information System (HMIS) or an approved comparable database per §2.5 for intake, program enrollment, move-in (if applicable), service provision (if applicable), annual assessments, and exit data collection. If Grantee does not have access to CoC HMIS, Grantee shall seek approval from DOH to partner with an agency that has access. Grantee agrees to fully comply with all HMIS rules and regulations including, without limitation, the following:

1.4.7.1. Grantee shall perform data entry within five (5) days of intake, program enrollment, move-in (if applicable), service provision (if applicable), and discontinuance of participation by a Household.

1.4.7.2. Grantee shall run regular data quality checks to ensure data is accurate.

1.4.7.3. Grantee shall sign all required CoC HMIS agreements and adhere to all CoC HMIS policies and procedures. (These agreements are available from the CoC HMIS administrator for each CoC.)

1.4.7.4. Grantee shall submit and update data in the HMIS Database as requested/necessary to complete TSS performance reports (per §7.3 of this Exhibit B), as well as any other reports required by the CoC.

1.4.7.5. Grantee shall provide other information as requested by DOH for reporting and program evaluation purposes including, without limitation, the number of Households, the status of each Household, the location of units, the progress of the Households, and any other information deemed relevant by DOH.

1.4.7.6. Grantee shall ensure there is a current HMIS Client Consent Form on file for each Household.

2. DEFINITIONS

The following terms pertain to the Statement of Work, and shall be construed and interpreted as follows:

2.1 Administrative Plan. “Administrative Plan” means DOH’s Housing Choice Voucher (HCV) and Rental Assistance Programs (RAP) Administrative Plan, which is available on the DOH website.

2.2 Area Median Income. The Department of Housing and Urban Development (HUD) sets income limits that determine eligibility for assisted housing programs including the Public Housing, Section 8 project-based, Section 8 Housing Choice Voucher, Section 202 housing for the elderly, and Section 811 housing for persons with disabilities programs. HUD develops income limits based on Median Family Income estimates and Fair Market Rent area definitions for each metropolitan area, parts of some metropolitan

areas, and each non-metropolitan county. DOH sets voucher payment standards annually using HUD income limits.

- 2.3 Behavioral Health.** “Behavioral Health” is the scientific study of the emotions, behaviors and biology relating to a person’s mental well-being, their ability to function in everyday life and their concept of self. Behavioral health conditions include: substance use disorders; alcohol and drug addiction; and serious psychological distress, including suicide ideation and mental disorders.
- 2.4 Beneficiaries.** “Beneficiaries” shall mean the persons and/or households who are the end users that benefit from the Project.
- 2.5 Comparable Database.** “Comparable Database” is a database that meets all Homeless Management Information System (HMIS) Data Standards and does so in a method that protects the safety and privacy of the survivor. Comparable databases are used by “Victim Service Providers” (i.e., non-profit organizations whose primary mission is to provide services to survivors of domestic violence, dating violence, sexual assault, or stalking).
- 2.6 Chronically Homeless.** “Chronically Homeless” means an individual with a disability who lives either in a place not meant for human habitation, a safe haven, or in an emergency shelter, or in an institutional care facility if the individual has been living in the facility for fewer than 90 days and had been living in a place not meant for human habitation, a safe haven, or in an emergency shelter immediately before entering the institutional care facility. In order to meet the “chronically homeless” definition, the individual also must have been living as described above continuously for at least 12 months, or on at least four separate occasions in the last 3 years, where the combined occasions total a length of time of at least 12 months. Each period separating the occasions must include at least 7 nights of living in a situation other than a place not meant for human habitation, in an emergency shelter, or in a safe haven. This definition is per the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH): Defining “Chronically Homeless” Final Rule for 24 CFR Parts 91 and 578, published December 4, 2015, and defers to any updates to the Final Rule.
- 2.7 Continuum of Care.** “Continuum of Care” means a regional or local planning body that coordinates a strategic system of housing and services for homeless families and individuals within a defined geographic area.
- 2.8 Coordinated Entry.** “Coordinated Entry” means a regional, client-centered process that enables communities to assess and identify the housing and support needs of individuals experiencing homelessness. Coordinated Entry Systems also match the right level of service and housing intervention as quickly and efficiently as possible, while being respectful of client choice and local providers.
- 2.9 DOH.** “DOH” means the Colorado Department of Local Affairs, Division of Housing.
- 2.10 Extremely Low Income.** “Extremely Low Income” means a household whose income is at or below 30% of Area Median Income as determined by HUD.
- 2.11 Harm Reduction.** “Harm Reduction” means a set of practical approaches aimed to reduce the harm associated with substance use rather than on the prevention of substance use itself. Harm reduction approaches recognize that individuals can be at different stages

of recovery and that effective interventions should be individually tailored to each individual's stage. Such strategies have been effective in reducing morbidity and mortality for such individuals by incorporating strategies from safer use, to managed use, to abstinence. Individuals are allowed to make choices about use and treatment, and regardless of the choices, are not treated adversely, housing status is not threatened, and help continues to be available.

- 2.12 Homeless Management Information System (HMIS).** “Homeless Management Information System” is a local information technology system used to collect client-level data and data on the provision of housing and services to homeless individuals and families and persons at risk of homelessness. Each Continuum of Care is responsible for selecting an HMIS software solution that complies with HUD's data collection, management, and reporting standards.
- 2.13 Housing First.** “Housing First” means a homeless assistance approach that prioritizes providing non-time limited housing to people experiencing homelessness, thus ending their homelessness. It serves as a platform from which individuals can pursue personal goals and improve quality of life. This approach is guided by the belief that people need basic necessities, such as food and housing before attending to other goals of self-sufficiency, such as employment, budgeting, substance use treatment.
- 2.14 Housing Quality Standards (HQS).** “HQS” are the minimum quality standards for rental assistance programs to ensure the housing unit is safe, decent, and sanitary. HQS are required both at initial occupancy and during the duration of housing assistance.
- 2.15 Household.** “Household” means an extremely low-income individual or head of household over the age of 18 who requires long-term supportive services in order to maintain stable housing; is experiencing homelessness or would be upon discharge/release; and has a disabling condition, disabilities, or special needs, such as those with a behavioral health condition, as verified by a knowledgeable professional. Further eligibility criteria for households in this program are dictated in the DOH-approved Tenant or Participant Selection Plan.
- 2.16 HUD.** “HUD” is the United States Department of Housing and Urban Development.
- 2.17 Indirect Costs.** “Indirect Costs” means those costs that have been incurred for shared or joint objectives and cannot be readily identified with any particular activity. After direct costs have been determined and assigned directly to the grant award, or other work as appropriate, indirect costs are those that remain to be allocated. Examples include: office rent, utility, insurance, maintenance, and other expenditures related to shared space; administrative and executive team functions that support multiple program areas; and purchases, transportation, and staff expenses that benefit multiple program areas. Further guidance on indirect costs is provided in 2 CFR Part 200, Subpart E.
- 2.18 Lack Housing or Homeless.** “Lacking Housing” or “Homeless” refers to a household that is living unsheltered, in a place not meant for human habitation or in a homeless shelter, or is at risk of losing their housing within 14 days. Homelessness is defined as living in a place not meant for human habitation, in emergency shelter, in temporary housing (e.g. - safe haven, transitional housing, bridge housing, or rapid rehousing), or exiting an institution where the person temporarily resided.

- 2.23 Rental Assistance.** “Rental Assistance” means Housing Assistance Payments (HAP) paid on behalf of households by a Public Housing Authority (PHA) directly to property owners/landlords. Rental Assistance is non-time limited and units must meet HQS standards before rental assistance payments can be made. Rental Assistance must follow the PHA’s Voucher Administrative Plan policies, procedures and regulations.
- 2.24 SAMHSA.** “SAMHSA” means the United States Department of Health and Human Services Substance Abuse and Mental Health Services Administration.
- 2.25 Serious Mental Illness (“SMI”).** “Serious Mental Illness (“SMI”)” is when individuals over the age of 18 experience a mental, behavioral, or emotional disorder resulting in serious functional impairment, which substantially interferes with or limits one or more major life activities, such as basic daily living (for example, eating or dressing); instrumental living (for example, taking prescribed medications or getting around the community); or participating in a family, school, or workplace.

Supportive Housing is designed to allow tenants to live as independently as possible.
- 2.29 Tenancy Support Services (TSS).** “Tenancy Support Services” or “TSS” means housing-related activities and services that support an individual or household’s ability

to prepare for and transition to housing, and support the individual or household in being a successful tenant in the housing arrangement and thus able to sustain tenancy. TSS are deployed using the Supportive Housing model and include: in-reach and outreach, housing search and counseling service (including lease-up assistance), engagement, and ongoing tenancy support services. Utilization of TSS by a household is voluntary and driven by individual choice.

2.30 Trauma-Informed Care. “Trauma-Informed Care” is an approach to the delivery of behavioral health services that includes an understanding of trauma and an awareness of the impact it can have across settings, services, and populations. It involves viewing trauma through a cultural lens and recognizes that context plays a significant role in how individuals perceive and process traumatic events. A trauma-informed approach realizes the widespread impact of trauma; understands potential paths for healing; integrates knowledge of trauma into policies and practices; and seeks to actively prevent re-traumatization.
