#### **SCOPE OF WORK**

#### I. Purpose of Agreement

A. The purpose of this contract is to establish an agreement and Scope of Services between the City and County of Denver's Healthy Food for Denver's Kids ("HFDK") Initiative and Sewall Child Development Center, Inc. The Grantee shall provide the identified services for the City under the support and guidance of the Denver Department of Public Health and Environment, **Healthy Food for Denver's Kids Initiative** using best practices and other methods for fostering a sense of collaboration and communication.

Sewall Child Development Center has been awarded the following amounts in Healthy Food for Denver's Kids funds:

- \$285,390 for Term 1 (August 1, 2021 July 31, 2022)
- \$428,203.61 for Term 2 (August 1, 2022-July 31, 2023)
- \$532,541.54 for Term 3 (August 1, 2023-July 31, 2024)
- Cumulative Maximum Contract Amount: \$1,246,135.15

#### II. Program Services and Descriptions

A. The Grantee will be granted funds to provide the following services:

Sewall's healthy food program will provide food access to 317 children total. Additionally, it will cover the gap and expand food access to children at Dahlia Campus for Healthy Well Being, Koelbel building, The Zone for Inclusive Learning, Ruben Valdez, and Larodon.

At the Koelbel Building and the Zone, Sewall will continue sustainable gardening and expand experiential educational activities for children and families at 5 locations. In addition to enhancing food access and reducing procurement cost, Sewall will continue to maintain the vehicle purchased with year 1 funds to allow for delivery of food to families with no or limited access to transportation, to provide more mobile educational activities, and to further expand to more satellite centers in future years.

Educational activities will be incorporated into each location based on their cultures and community reach with food access and educational activities all of which will be completed by the end of the school year. Educational activities and classes may include topics such as Gardening, Farm to Table, Nutritional Meal Planning and Shopping, Food Budgeting to Ensure Healthy Items that are often More Expensive can be Included on Your List and Including Children When Cooking.

At the Koelbel building, breakfast, lunch and snack will be provided through a caterer to provide nutritional meals to children, ages 1 ½ through 5 years, served by Sewall. Sewall plans to have our kitchen remodel project completed during the 2023-2024 academic year. Additionally, the area adjacent to the Sensory Garden currently at the Koelbel Building has been expanded to include planting of healthy foods for children's snacks or meals and monthly experiential education opportunities. At the Zone, snacks will be provided to

#### **SCOPE OF WORK**

children attending half day programming and Sewall has plans to convert our existing catering kitchen to a full-service kitchen at the Zone in addition to the Koelbel Building. Further, at The Zone staff will continue to involve collaboration with community partners to build a community garden and add monthly experiential educational opportunities, expanding the partnership with Culture of Wellness.

Food Items: Sewall provides healthy breakfast, lunch, and snacks to children at five locations.. Even with CACFP reimbursement, the gap for unfunded meals and snacks totals approximately \$572.25 per child. This funding will cover this gap.

Experiential Education Supplies at Sites: Activities, supplies and gardening kits at each site will be purchased meeting the design-needs, 5 sets at \$500 each Building and Sustaining Garden's at each site.: Three sites where gardens need to be built for preschoolers and families with an average cost per garden of \$1500/each.

Nutrition and Sustainable Garden Consultant: Expertise is required to develop sustainable garden plans for expansion of food and herbs at each site. Sewall will expand our partnership with SuStainEd Farms for sustainable farming practices, to ensure equal access to knowledge and resources, rigorous experiential instruction, and community engagement.

Teacher Training through Professional Development: Teacher-training of enhancing food access for children and families plus sustainable practices including growing of fruits, vegetables, harvesting, composting etc. We will train approximately 60 staff for the school year.

Monthly Family Meetings at Each Site: This funding provides materials, childcare and cultural trainers to expand upon the Culture of Wellness for a cadre of training sessions that can be utilized in future years as well. Costs include funding for: a Trainer; 2 childcare/training assistants; food, cooking materials and incentives for families. Sewall anticipate that some of the monthly meetings will have a family learning and working together time including caregivers and children along with a separation time for caregivers to learn with the training separate from their children. This is why Sewall has identified childcare staff and training assistants as the same individuals. SustainEd Farms will also assist with these meetings.

Staff: VP of Programs: Approximately 10% of VP of Programs time will be in oversight and management of the staff and committees working on this project.

Program Coordinator: A full time coordinator with a varied background consisting of food education, knowledge of early childhood development and experience with the food scarcity, trauma and diversity of neighborhoods was hired during year 1.

Teacher Liaison: Five early childhood teachers trained in food cultivation as it works with implementation of a Reggio Emilia inspired curricula, will have time designated to support other teachers with curriculum implementation.

#### **SCOPE OF WORK**

Van: A van will continue to allow access for healthy food and educational activities across all 3 locations in addition to expanded areas in future years.

#### **Evaluation, Outcome Measures and Deliverables**

The Grantee will attend a mandatory evaluation kick-off call at the beginning of the grant term. The grantee will review and update, finalize, and implement an evaluation plan for the grant that will specify the evaluation questions, process measures (e.g., how the program was implemented, what was done, for whom, and how much barriers and facilitators, etc.), outcome measures (e.g., what results the program had), how the data will be collected, responsible party(ies), and timelines. The final measures will be decided upon with the grantee in collaboration with the HFDK Evaluation team. The HFDK evaluation team is available to provide technical assistance to the grantee on the development and implementation of the evaluation plan, as needed. The grantee will share the final evaluation plan with HFDK staff and the Evaluation team and at the end of the grant term, will report on how the evaluation plan has been implemented and any resulting outcomes.

#### **SCOPE OF WORK**

The grantee will participate in the Macro Evaluation, including working in partnership with the HFDK Evaluation team, for shared learning to improve the Denver food system. The HFDK Evaluation team will work with all HFDK grantees to determine which local and macro level data will be collected and reported on through the Reporting Form (see the Reporting Section below). The grantee may also provide organizational and community input on Macro Evaluation activities and products (e.g., Theory of Change, Macro Evaluation plan, annual reports, etc.).

#### III. Performance Management and Reporting

#### A. Performance Management

Monitoring will be performed by Denver Department of Public Health and Environment (DDPHE) – **Healthy Food for Denver's Kids** staff and/or designee.

The Grantee will be reviewed for:

- Program Monitoring/Evaluation-Related Activities: Review and analysis of current program information to determine the extent to which grantee contractors are achieving established agreed upon goals. This may include the review and analysis of Evaluation Dashboards, the Reporting Form and Annual reports of grantees (see below). As needed, HFDK may attend evaluation check-ins with the grantee and the HFDK Evaluation team to understand progress towards agreed-upon goals in the grant
- 2. **Fiscal Monitoring:** Review financial systems and billings to ensure that contract funds are allocated and expended in accordance with the terms of the agreement.
- 3. **Administrative Monitoring:** Monitoring to ensure that the requirements of the contract document, Federal, State and City and County regulations, and DDPHE policies are being met.

#### **B.** Reporting

The Grantee will be responsible for reporting on program outputs and outcomes, based on the Macro Evaluation Plan. The HFDK Evaluation team will provide a Reporting Form for grantees to submit this data every six months. The grantee data submitted through the Reporting Form will be used in the macro evaluation to measure progress across the entire cohort of HFDK grantees and will additionally be given back to grantees in a collective Evaluation Dashboard and other documents to support their work. Importantly, the Reporting Form may also include a few open-ended questions about strategy, challenges, and successes for the grantee to fill out. Grantees will receive a guide to support completion of the survey and can also access additional technical assistance support for the reporting requirements from the HFDK evaluation team, as needed.

The table below summarizes reporting activity and due dates. The dates are subject to change, and/or frequency of the reporting may be subject to change.

#### **SCOPE OF WORK**

#### C. Evaluation Support

The HFDK evaluation team has been contracted by the City to provide evaluation technical assistance for grantees in developing, finalizing, and implementing their own evaluation plans, and to support grantee's participation in the macro evaluation. Grantees will be supported around the development or modification of their evaluation plan, evaluation tools, and other general evaluation questions. Additionally, the HFDK evaluation team will provide technical assistance to the HFDK cohort of grantees on a variety of topics, to be determined in the future based on grantees' needs and interests.

#### II. Budget

#### A. Budget

The budget for this agreement is attached as an exhibit. All expenditures must:

- Be reasonable, realistic, and justified including making an effort to purchase healthy meals or snacks at affordable prices through wholesale, Food Bank of the Rockies, or other low-cost purchasing methods whenever possible
- Show strong fiscal responsibility
- Limit indirect costs to 10%
- B. Indirect Cost Limit: The Grantee's total indirect costs cannot exceed 10% of the Maximum Grant Amount as listed in the Budget. Administrative costs are included

#### **SCOPE OF WORK**

in indirect costs and defined as the costs incurred for usual and recognized overhead, including management and oversight of specific programs funded under this contract; and other types of program support such as quality assurance, quality control, and related activities. Administrative costs can be direct or indirect. Direct costs are costs that can be directly charged to the program and which are incurred in the provision of direct services. Indirect costs are defined as the administrative costs that are incurred for common or joint activities that cannot be identified specifically with a particular project or program.

• Examples of indirect costs include: Salaries and related fringe benefits for accounting, secretarial, and management staff, including those individuals who produce, review and sign monthly program and fiscal reports; Consultants who perform administrative, non-service delivery functions; General office supplies; Travel costs for administrative and management staff; General office printing and photocopying; General liability insurance; Audit fees, rent, utilities, general office supplies and equipment/technology

#### III. Invoice

A. Invoice

A sample of the invoice template is attached as an exhibit.

#### IV. Payments

- A. Invoices and reports shall be completed and submitted to the <a href="https://example.com/HFDKinvoices@denvergov.org"><u>HFDKinvoices@denvergov.org</u></a> email on or before the 15th of each month following the month of services rendered 100% of the time.
- B. All non-personnel purchases of \$1,000 or more must have back up documentation submitted with the invoice and report each month to HFDK. Contractor is required to keep on file all documentation of purchase of items and/or payment less than \$1,000 but does not need to submit those back up documents with invoice and report.
- C. Contractor shall use preferred invoice template. Invoices shall be processed with immediate payment terms.

#### V. General Grant Requirements

#### Funds for program(s) and activities must providing quality services for at least one of the following:

- 1. Access to healthy food, including up to three healthy meals and snacks per day, with emphasis on filling gaps when meals are not already provided;
  - a. May include buying and distributing local food from Colorado farms, ranches and food manufacturing businesses, for the proposed program (so long as they are less than 10% more expensive than compared out-of-state foods) For example, if a pound of carrots grown out of state costs \$1.00 and a pound of carrots grown in Colorado is \$1.08, it would be acceptable to purchase the higher priced carrots.

#### **SCOPE OF WORK**

- 2. Hands-on experiential education and public health programs associated with farming, gardening, cooking, nutrition, dietary and home economics, and healthy eating
  - a. May include buying and utilizing local food from Colorado farms, ranches, and food manufacturing businesses, for the proposed program (so long as they are less than 10% more expensive than comparable out-of-state foods, see above 1a. for an example)

#### Additionally, programs must:

- Ensure snacks or meals are healthy by meeting, at minimum, the USDA Dietary Guidelines for Americans
- NOT use HFDK funds to purchase any of the following items:
  - All diet or regular sodas and sports/energy drinks
  - Flavored/added sugar milk
  - o Juice of all kinds, including both fruit and vegetable juice drinks and 100% juice
  - Candy
  - o Cookies and other sweet snacks like cakes, pastries, donuts, sugary cereals
  - Dairy desserts (e.g., ice cream)
- Be tied directly to activities located within the City and County of Denver that serve youth who are Denver residents
- Benefit low-income and/or historically/currently under-resourced youth ages 18 and under

#### Additional, grantees will be asked to:

- Attend evaluation and other capacity building workshops. All grantees are highly encouraged to attend trainings offered though HFDK
- Meet with an HFDK representative to debrief, share lessons learned about grant process, programming impact, etc.
- Host at least one site visit for HFDK staff, commissioners, and/or evaluation partners each year.
- Follow the HFDK Communication Guidelines, including displaying signage and/or online banners noting that the program receives funding from DDPHE and the Healthy Food for Denver's Kids Initiative. The HFDK Initiative will provide electronic files (e.g., logos) and guidelines for printing and/or displaying on websites, social media accounts, and other materials.

#### VI. Other

Grantee shall submit updated documents which are directly related to the delivery of services

Additional document requirements that may be requested for this contract:

- A. Organizational Chart
- B. Updated Certificate of Insurance
- C. Reports and information for Program Evaluation, as required
