5. General description or background of proposed request. Attach executive summary if more space needed: (who, what, why)

The Denver Sheriff's Department uses the Workforce Telestaff scheduling software cloud version. The Telestaff software has been created specifically for public safety agencies and is used across the nation. This software solutions continues to meet the needs of the DSD and this purchase is for the continual support and hosting of the software. Support includes vendor monitoring of the application as well as issue resolution assistance to ensure the application is functioning at its maximum performance. DSD requires this specialized scheduling software as they have different scheduling needs than non-Safety City employees. This contract request is to extend the contract by one year which will allow the City to undergo a solicitation to procure a new solution as the current solution will be at end-of-life at the end of 2025.

6. City Attorney assigned to this request (if applicable): Andrew Riester

7. City Council District: Citywide
