**Department of Transportation and Infrastructure (DOTI) Directional Boring On-Call Construction Contracts**

DOTI is seeking to establish a group of qualified Contractors to perform directional boring construction in support of DOTI's Operation group.

**Purpose and Use of Agreements:**

The purpose of this On-Call contract is to establish and maintain qualified On-Call Prime General Contractors available to respond to proposal bidding requests for underground boring projects. At a total capacity of \$6,000,000, these contracts will support multiple work programs in the city.

The work contemplated within this contract shall generally consist of all work, including labor, materials, supplies and equipment, necessary to satisfactorily complete the installation of conduit and fiber optic cabling within the City and County of Denver's Right-Of-Way. The City anticipates that typical Project Work may include: installing conduit under roadway, sidewalk and landscaped areas, installing pull boxes (supplied), installing fiber optic cable (supplied), installing pull rope, repairing damaged existing conduit and fiber optic cable, potholing, traffic control, and erosion control in support of construction activities. Each of these Projects shall be separately scoped, priced, authorized, encumbered, and completed under the direct oversight of the DOTI Operations.

**Procurement:**

Two (2) firms submitted qualification submittals which were reviewed and scored. Of those submittals, two (2) firms were selected.

**Contracts Description:**

Each contract had a three (3) year term and a capacity of \$3,000,000. Amendment will add one (1) year to term. The firms selected for these agreements are listed alphabetically.

- Global Underground Corporation
- Jacobs Investments, LLC

These contracts do not commit funds, nor do they guarantee any amount to the firms. These contracts are not an authorization of work. Authorization or work and commitment of funds are made via work order on an as needed basis.
