- 5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**

This request is late because the USAF had not returned the contract in a timely manner. DIA allowed them use of the runways to complete the USAF's mission and agreed to secure this agreement after the fact. This is an unusual transaction and DIA did not want to negatively impact Buckley AFB. The USAF had a ground lease with DIA, this contract was just for runways and taxiways.

 - e. Benefits**
