Work History

1997-1995 United States Military Academy. Worked with the Directorate of Information Management (computers). Last position held was Computer Center Manager. This included supervising 20 employees and managing assets of 6 million dollars.

1996-2001 Held several positions in Chaffee County Colorado. Editor of the County Resource handbook, City Council, Office of Mayor.

1999-present Have worked with the Colorado Cross Disability Coalition to preserve and enhance the rights for people with disabilities. Positions held include Board member, Office Manager, Transit Advocate

To deliver good policy to decision makers I am involved in the following organizations.

- Colorado Cross Disability Coalition (Transit Advisor)
- Denver Streets Partnership (Board member)
- Toward Equitable Electric Mobility (Committee member) (TEEM- This is a multi-state collaboration, Michigan, Illinois, Virginia and North Carolina that helps develop policy concerning use of electric mobility)
- Denver Regional Mobility and Access Council. In DRMAC I assist with Local Coordinating Councils that address transit in their geographic areas.
- Alliance to Transform Transportation (researching ideas on how to expand transit service in our region).
- DOTI Advisory Board, I am the Chair of the Policy Committee
- 307 Committee to establish a fee structure for Denver Sidewalks
- Mayor's Pedestrian Advisory Committee

I am a transit user because I have mobility issues due to a disability.

My strength is my patience to listen to a variety of points of views before I endorse or present a policy.

Other Activities: I am a stage actor for a variety of Theaters in the region.
