13 without cost to the City and under the supervision of the City Engineer.

16 (k) This revocable Permit shall not operate or be construed to abridge, limit or restrict the  
17 City in exercising its right to make full use of the Encroachment Area and adjacent rights-of-way as  
18 public thoroughfares nor shall it operate to restrict the utility companies in exercising their rights to  
19 construct, remove, operate and maintain their facilities within the Encroachment Area and adjacent  
20 rights-of-way.

21 (l) During the existence of the Encroachments and this Permit, Permittee, its successors  
22 and assigns, at its expense, and without cost to the City, shall procure and maintain a single limit  
23 comprehensive general liability insurance policy with a limit of not less than \$500,000.00. All  
24 coverages are to be arranged on an occurrence basis and include coverage for those hazards  
25 normally identified as X.C.U. during construction. The insurance coverage required herein  
26 constitutes a minimum requirement and such enumeration shall in no way be deemed to limit or  
27 lessen the liability of the Permittee, its successors or assigns, under the terms of this Permit. All  
28 insurance coverage required herein shall be written in a form and by a company or companies  
29 approved by the Risk Manager of the City and authorized to do business in the State of Colorado.  
30 A certified copy of all such insurance policies shall be filed with the Executive Director, and each  
31 such policy shall contain a statement therein or endorsement thereon that it will not be canceled or  
32 materially changed without written notice, by registered mail, to the Executive Director at least thirty  
33 (30) days prior to the effective date of the cancellation or material change. All such insurance

1 policies shall be specifically endorsed to include all liability assumed by the Permittee hereunder  
2 and shall name the City as an additional insured.

3 (m) Permittee shall comply with the provisions of Article IV (Prohibition of Discrimination  
4 in Employment, Housing and Commercial Space, Public Accommodations, Educational Institutions  
5 and Health and Welfare Services) of Chapter 28 (Human Rights) of the Revised Municipal Code of  
6 the City and County of Denver. The failure to comply with any such provision shall be a proper  
7 basis for revocation of this Permit.

8 (n) The right to revoke this Permit is expressly reserved to the City.

9 (o) Permittee shall agree to indemnify and always save the City harmless from all costs,  
10 claims or damages arising, either directly or indirectly, out of the rights and privileges granted by  
11 this Permit.

12 **Section 3.** That the Permit hereby granted shall be revocable at any time that the Council  
13 of the City and County of Denver shall determine that the public convenience and necessity or the  
14 public health, safety or general welfare require such revocation, and the right to revoke the same is  
15 hereby expressly reserved to the City; provided however, at a reasonable time prior to City Council  
16 action upon such revocation or proposed revocation, opportunity shall be afforded to Permittee, its  
17 successors and assigns, to be present at a hearing to be conducted by the City Council upon such  
18 matters and thereat to present its views and opinions thereof and to present for consideration action  
19 or actions alternative to the revocation of such Permit.
