Department of Finance
January 2026

Requested City Council Actions

1. 26-0005 – For an ordinance **authorizing the issuance of two series** of the “City and County of Denver, Colorado, General Obligation Vibrant Denver Bonds” for the purpose of financing and defraying the cost of acquiring, constructing, installing, and improving various infrastructure and facilities across the City; providing for the levy of general ad valorem taxes to pay the principal of and interest on such Bonds; and making other provisions relating thereto.
2. 26-0006 – A resolution approving a proposed Contract between the City and County of Denver and **Triunity, Inc** to provide Program Management Services to support delivery of the Vibrant Denver Bonds for seven years. FINAN-202682934.

Agenda

- Financing Timeline and Terms
- Program Management Contract Details
- Bond Program Update
- Q&A

Mayor's Three Bond Promises

Announced at November 5 press conference

1. All bond projects to start in 2026 – design, public engagement, planning or construction
2. Project dashboard online by Q1 2026
3. All bond projects complete and open to the public by December 2031

Financing Strategy for the First Issuance

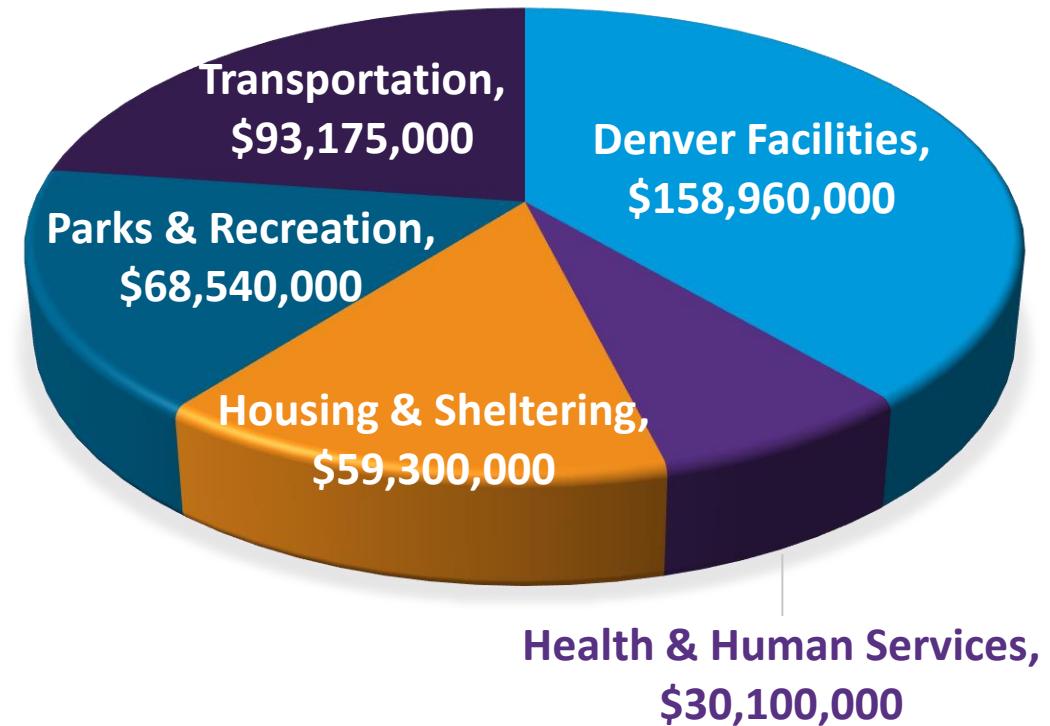

First issuance of \$410 million

- Funding anticipated to cover design costs on projects, land acquisition and right-of-way needs, and some construction budgets
- IRS rules require that the city spends 85% of tax-exempt bond funds within 3 years of issuance, which informs how much is issued at one time
- Funding to keep the city on track to complete all bond projects by 12/2031
- No impact to city's General Fund

First Issuance Overview

- \$410,075,000 will fund 58 named projects in alignment with project schedules, estimated program management expenses, and contingency for each purpose
- Anticipated closing date of March 5, 2026
- First issuance projected to carry program through 2027 when additional project funding will be needed

ISSUANCE #1 = \$410,075,000

Projected Bond Program Plan of Finance

Issuance dates will ultimately be determined by project milestones and funding needs.

Bond Program General Update

Unified Bond Approach

Program First – a different approach to delivering the bond program

- Dedicated Bond team members – bond funded
- Central accountability for Bond goals
- Empowered team culture
- No silos – program success first; work through challenges together
- Building on lessons learned from Elevate/RISE
- Resourced to move quickly with combined project procurements where possible

Program Delivery

A transparent bond **delivered** within six years

Project Groupings

- **Complex projects** – longer durations needed
 - e.g., Park Hill Park, W. 38th Ave., First Responder and Public Safety Training Facility, Southeast Recreation Hub and Skate Park
- **Early wins** – aiming to reach a ground-breaking in 2026
 - e.g., multiple park/playground improvements, traffic signals, etc.
- **Partner-led projects** – Funding Assignment Agreements (FAAs) or IGAs to deliver funding to external organizations and establish city expectations
 - e.g., Denver Art Museum, DCAC, Denver Zoo, Denver Health Westside Clinic
- **All other projects** – Initiate work in 2026 and plan for quick delivery

City Council Involvement – *Help us co-create this!*

- Quarterly reporting at Mayor-Council
- Reporting on on-call contracts and legislative review of contracts
- 1:1 briefings on projects in your district
- Project-specific community meetings/engagement
- Public project milestones (groundbreakings, ribbon cuttings, etc.)

Questions?

Appendix

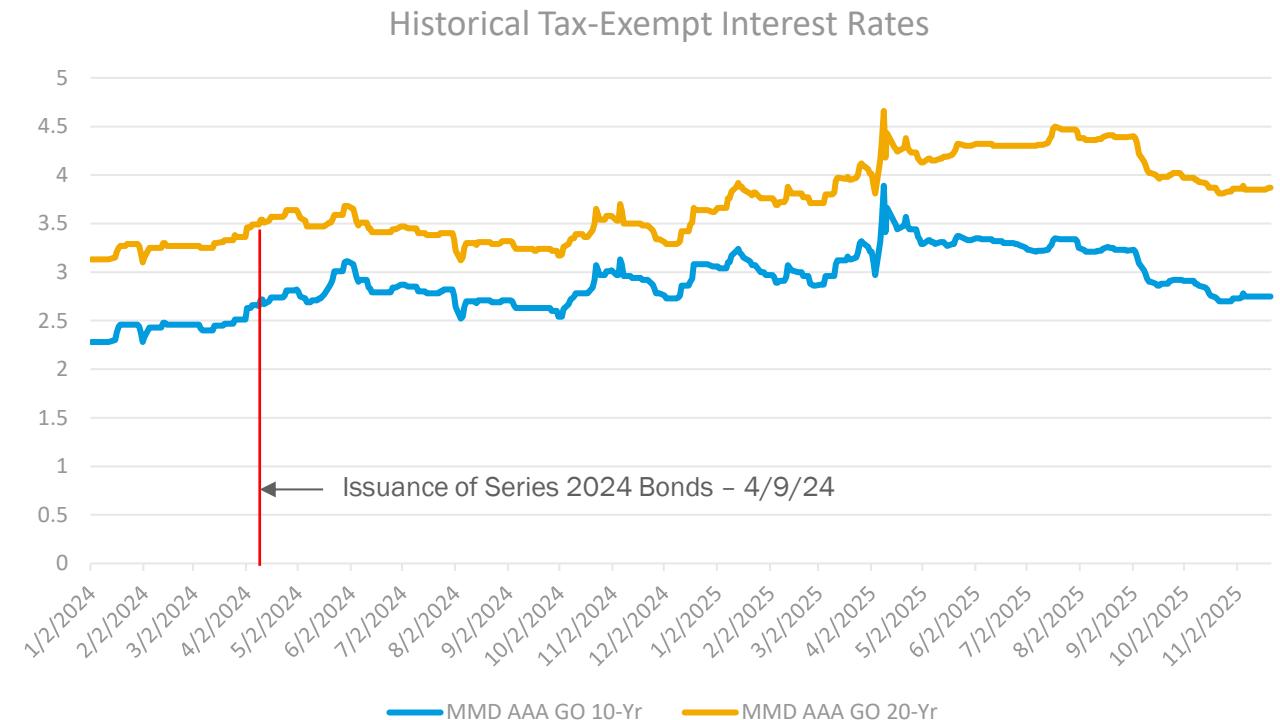

Community Engagement for Bond Projects

- Not every project will need the same level of community engagement
- Projects where public will be kept updated: Deferred maintenance, traffic signal installations, etc.
- Projects where the public will have opportunities for input: Library and park renovations, new facilities, etc.
- We will work with councilmembers to tailor engagement for projects in your districts

Current Market Conditions

- The municipal market has seen strong investor demand in recent months even with uncertainty surrounding inflation, the health of the economy, and geopolitical risks.
- Municipal rates have slowly moved down in the last few months, even with continued uncertainty.

Maximum, Preliminary Debt Service Schedule

Total repayment will be determined by final interest rates at pricing in late Feb./March
