REASON FOR ROW VACATION:

Describe why you are requesting this ROW Vacation and why the ROW is no longer needed.

The new Mercy Housing project will require 1541 sq. ft. of R.O.W vacation for their new affordable housing project that includes a medical clinic. The existing ROW is no longer needed due to the fact that a shared street has been approved for Osage St. and 9th Ave. The shared street requires a 52' ROW instead of the 80' ROW that has been established for a portion of 9th Ave.

ROW VACATION INFORMATION:

Describe the status of the ROW:

In the space below, describe the current use of the ROW to be vacated.

Currently the R.O.W. is being used as access to 1325 W 9th Ave and 901 Navajo St.

Are there utilities are in the ROW? Yes No

If yes, list each utility and identify utility owner, utility type, and size (e.g. CCD 8-inch Sanitary Sewer); whether it will remain or be removed, relocated, or abandoned in-place; and, expected schedule. For utilities to remain in-place, the City will reserve a utility easement over the vacated area with the ROW Vacation Ordinance. See [ROW Vacation Application Requirements](#) for standard easement language.

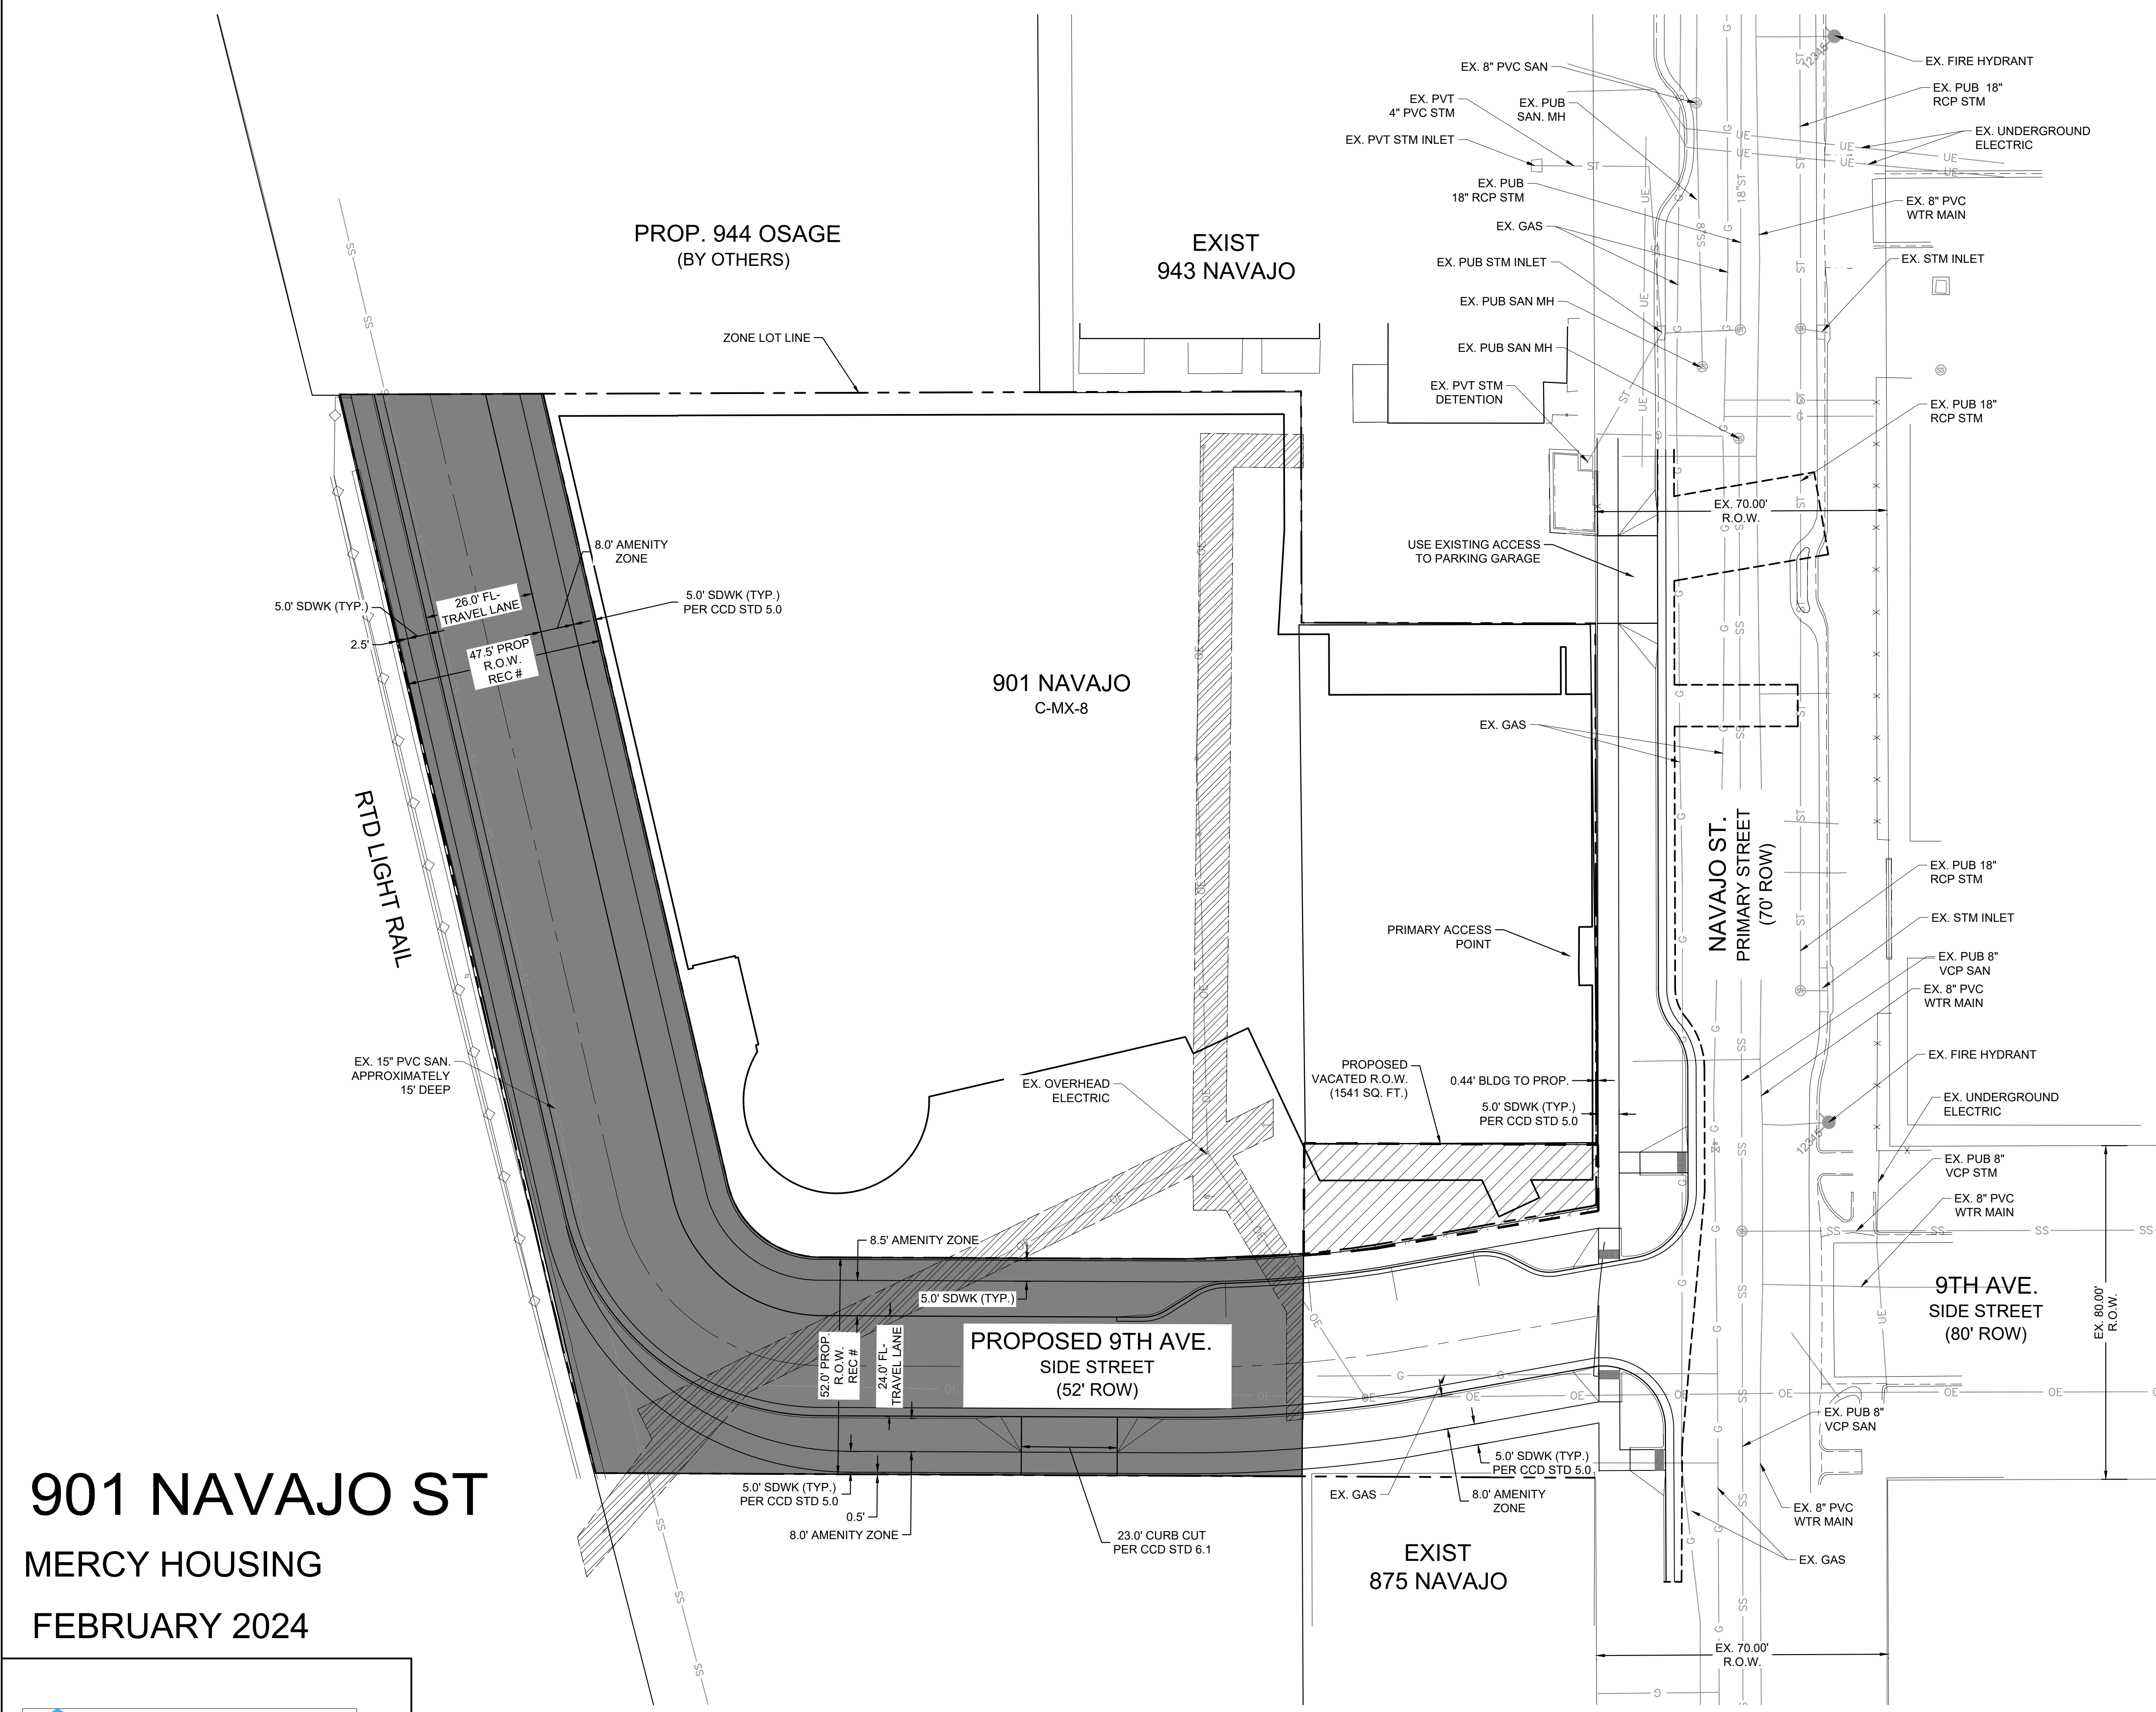

There are no utilities in the portion of ROW to be vacated.
