

Results-driven people and process manager with over 20 years of successful experience in for-profit and not-for profit arenas. Known for inspired, ethical leadership and direction consistent with an organization’s mission. Key convenor of community stakeholders, utilizing diplomatic communication and collaboration methods that deliver.

PROFESSIONAL SUMMARY

Supplier Diversity Program Manager, PCL Construction 2022 - present

Create and implement district-wide strategic plan to include the Colorado and regional Minority/Women and Disadvantaged (small) business community into large construction projects in a way that builds capacity in those companies and equity in our industry and our economy. Incorporate district strategic plan into existing company subcontracting model and systems, including training project and leadership staff on best practices, developing infrastructure to support achievement of plan metrics and milestones, communication strategies to government/public agencies and small businesses. Act as advocate for small businesses on projects, ensure their potential for success.

- Responsible for timely and accurate response to inquiries and reporting to various public agencies to demonstrate compliance with certification legislation and other requirements.
- Work with community groups to dismantle barriers to entry in public sector contracting through training, advocacy, communication and connection.

Senior Director of Partnerships, CareerWise Colorado 2019 - 2021

Direct a team in an innovative national not-for-profit designed to build an ecosystem that bridges the gap between education and employment systems, resulting in equity in our economy, including traditionally underserved student populations. My team’s goal is to engage employers and students to re-imagine the workforce of tomorrow by building and investing in it today.

- Establish strong relationships with Colorado employers to contribute to training their cohorts until they are viable, productive employees.
 - *Grew employer engagement 21% over previous years, despite pandemic slow down.*
 - Improved signed contract rates by 39%, implemented new process for ensuring accurate completion.*
- Lead national and Colorado teams ED&I efforts including understanding and implementing internal policies to lead to greater hiring/promotion of people of color, celebrating ED&I in all its forms.
- Position equity building and diversity strategies (ED&I) for workforce development for Colorado companies, school districts, students and parents through a turnkey model of youth apprenticeship.
 - *Implemented new Equity First strategy to achieve deeper penetration into underserved student communities and to help employers achieve ED&I initiatives.*
- Manage teams to demonstrate progress toward milestones through a thoughtful system of data collection and reporting using Salesforce database and other tools.
 - *Achieved 12% increase in compliance to data protocols.*
 - Built dashboard of key data points to better inform decision making and ensure better compliance to organizational metrics.*
 - *Achieved 0% turnover as compared to 41% organization wide.*
- Work with community and system stakeholder groups to uncover barriers for underserved students to meaningful employment with real career trajectory.
 - *Revived largest school district relationship facilitating better partnership engagement*
- Develop and manage \$1.4M budget annually, including compliance with donor restricted funds mandates.

- Work with counselor and parent groups to identify wrap around supports needed to support students of color to eliminate barriers to success.
- Host community presentations, present at conferences, board meetings and parent/student events to encourage engagement in apprenticeship.
