Following are items that will be placed on Committee consent agendas next week. Routine, non-controversial ordinance requests that do not involve substantive policy changes are placed on Committee agendas as consent items with the approval of Committee chairs. Council members receive advance notice of consent items and may request that an item be scheduled for Committee discussion instead. If no Council member does so by Tuesday at 5:00 pm for Committees that meet on Tuesdays or Wednesdays at 5:00 pm for Committees meeting on Wednesdays, the requests are considered approved by the Committee and are eligible for filing on Thursday of the week after the Committee meetings are held or the consent agendas are approved.
