RECITALS

WHEREAS, the qualified and registered voters of the City approved referred question 2B on November 7, 2017, approving the issuance of general obligation bonds (the “**Bonds**”) by the City in the aggregate principal amount of \$116,907,000.00 for the purpose of financing the cost of repairs and improvements to Denver cultural facilities; and

WHEREAS, the DCPA intends to construct new improvements, including renovations of the existing Stage and Ricketson Theatres, backstage infrastructure and support areas, and the City desires to make a part of the proceeds, totaling an amount not to exceed \$19,000,000.00 of the Bonds (the “Proceeds”), available to fund costs associated with the above-stated improvements to the buildings and grounds all as more fully described below (the “**Project**”), in accordance with the terms and conditions of this Agreement; and

WHEREAS, DCPA is willing and has the present capacity to satisfactorily complete and operate the Project for the use and benefit of the citizens of the City, as specified herein; and

WHEREAS, the undertaking of this Project is in accordance with the Lease and Agreement dated February 1999, as particularly amended by the First Amendment to Lease and Agreement dated March 31, 2009 (the “**Lease**”), by which the City has allowed DCPA to renovate the interior of the Bonfils Complex with the permission of the Director of the City’s Arts and Venues Denver division (the “Director”); and

WHEREAS, the City and DCPA desire to specify the conditions upon which these funds, including the Proceeds will be used by DCPA for the purposes of completing the Project.

NOW, THEREFORE, in consideration of the above, and the mutual promises and covenants contained herein, the City and DCPA agree as follows:

1. **The Project**: The “Project,” as used herein, refers to the improvements to be

designed, constructed, and installed by DCPA at the Bonfils Complex as described in **EXHIBIT A**. The Project will be funded by the Proceeds, to the extent such Proceeds are made available hereunder. DCPA will perform or cause to be performed all work items and provide all supplementary funds necessary to satisfactorily complete the Project in accordance with the terms and conditions of this Agreement. DCPA is to notify the "Manager" of any scope or budget revisions to **EXHIBIT A** for review and approval.

2. **Coordination and Liaison:**

A. The City's Program Implementation Manager (the "Manager") is vested with the authority to act on behalf of the City in performing the City's obligations under this Agreement. The Manager may designate someone to act on the Manager's behalf as the authorized representative. The City may change its authorized representative at any time by providing written notice to DCPA of such change.

B. The Chief Executive Officer of DCPA is DCPA's authorized representative under this Agreement and, as such, is responsible for overseeing the satisfactory completion of the Project, in accordance with the terms and conditions of this Agreement. DCPA may change its authorized representative at any time by providing written notice to the City of such change.

3. **City Payment and Related Responsibilities:**

A. As consideration for the performance of DCPA under this Agreement and in order to enhance the ability of DCPA to perform the functions and services set forth in the Lease, the City agrees to pay towards the cost of completing the Project the Proceeds. All other expenditures required to complete the Project or other costs associated with the Project are solely the responsibility of DCPA and shall be paid by DCPA. If the City utilizes on-call City contracts to complete work on the Project, the value of that work shall be deducted from the Proceeds available to reimburse DCPA. The estimated costs of the component parts of the Project are included in **EXHIBIT A**.

Unless otherwise specified herein, the Proceeds shall be made available to DCPA to be expended to pay capital costs incurred in completing the Project including, but not limited to, costs associated with design, construction, Project management, furnishings, and equipment. DCPA may reallocate the Proceeds among the Project components described on **EXHIBIT A** from time to time. DCPA will not utilize the Proceeds for operating or other working capital

expenditures. DCPA shall submit to the “Manager” any use of Proceeds for furniture, fixtures, and equipment for prior review and approval.

B. Upon the City’s receipt of the Proceeds, the City agrees to pay to DCPA the Proceeds from available funds upon notice from DCPA that it is ready to commence the Project and as draws are submitted and approved by the Manager for payment from the Proceeds, as further described in paragraph 5B below.

C. Upon final completion of the Project, DCPA will provide to the City an accounting of all Proceeds and other funds expended on the Project and attaching all required or requested supporting documentation. Such accounting, including supporting documentation, shall be sufficient to demonstrate that the Proceeds have been expended only for actual costs associated with the completion of the Project and in accordance with the terms and conditions of this Agreement. The accounting shall itemize the expenditure of the Proceeds for Project design cost, construction cost, project management cost, furnishing cost, equipment cost, or other administrative cost category and must also provide a total of all expenditures, to date, for each referenced category, regardless of the source of funds.

D. The parties agree that the obligation of the City for all or any part of its payment obligation hereunder, whether direct or indirect, shall extend only to the payment of the Proceeds that are duly and lawfully appropriated by the City Council for the purpose of this Agreement.

4. **Assignment:** Pursuant to the authority granted in Section 2.3.3(A) of the City Charter, the Mayor hereby assigns to DCPA, as agent for the City under the Lease, all matters relating to the design, planning, and construction of the Project, including any demolition, and the qualification, selection and retention of all consultants, architects, and contractors engaged in connection therewith. The Project must be designed, planned, and constructed in accordance with master plans adopted by DCPA and approved by the Director in accordance with the Lease.

5. **DCPA Responsibilities:** Except as otherwise provided in this Agreement, DCPA shall have sole responsibility with respect to undertaking and completing the Project in accordance with this Agreement.

A. Before any phase of the work is commenced, DCPA shall submit design plans and specifications for such work to the Manager and Director for the written approval of said documents. Design review will include a review for safety engineering purposes by City’s

insurance carrier and the City's Risk Management office, which review and recommendation will be reported to the Program Manager of Public Works. The design plans and specifications will be approved or disapproved, in writing, with the reasons for any disapproval being stated, within thirty (30) days of receipt of complete sets of design plans and specifications. Any deficiencies in said plans and specifications shall be remedied by DCPA, to the reasonable satisfaction of the Manager and the Director, prior to the commencement of work.

B. DCPA shall submit quarterly draw requests that anticipate the Proceeds and other funds needed for the coming quarter. With each draw request, the DCPA shall provide (1) a schedule of values; (2) a cash flow and detailed report of anticipated future expenditures for the next quarter and for the full Project, showing projected expenditures compared to the budget for the Project; and (3) a detailed report of the expenditures made in the past on the Project, showing past expenditures compared to the budget for the Project. Failure to provide such documents as requested may result in a delay by City of providing Proceeds requested in the draw request.

C. DCPA shall provide to the Manager a public communication plan for approval and will continue to coordinate its public outreach efforts with the Manager.

D. DCPA shall at all reasonable hours ensure right of entry to any City inspector or other authorized agent of the City to the work site to conduct tests and evaluations to determine that the work performed and materials used are of good quality and in conformance with the approved design plans and specifications. If the City determines that the work is not otherwise being performed in accordance with this Agreement, the Manager may order that DCPA cease to conduct the work until there is satisfactory evidence that the work will be performed in accordance with this Agreement.

E. The City shall not charge DCPA for the City's activities under this paragraph 5, including design plan and specifications review, inspections, material testing, and construction monitoring. Standard building permit fees and other fees mandated by existing ordinance or rule for construction approvals will be paid, from either Proceeds or by DCPA.

F. DCPA shall be solely responsible for assuring that all phases of the Project are properly contracted and performed and that the work done and the materials used are in conformance with all applicable laws (local, state, and federal) that govern the performance of the work, including (to the extent applicable) the requirements of the federal Americans with

Disabilities Act and any other federal or state laws requiring access for the disabled to public accommodations.

G. In addition to compliance with the above-mentioned laws, DCPA shall be governed and controlled by all limitations and provisions that are imposed on the City Department of Public Works by the Charter or ordinances of the City. Specifically, such work shall be performed in compliance with the provisions:

as the same may be amended or re-codified from time to time. **No construction contracts shall be entered until DCPA has established to the City’s reasonable satisfaction that these Charter and ordinance requirements have been fully and appropriately satisfied.**

H. Workforce requirements.

The City values increasing the awareness, outreach, training, and employment opportunities of people in economically disadvantaged areas and populations and addressing shortages in qualified construction workers.
