Review Criteria:

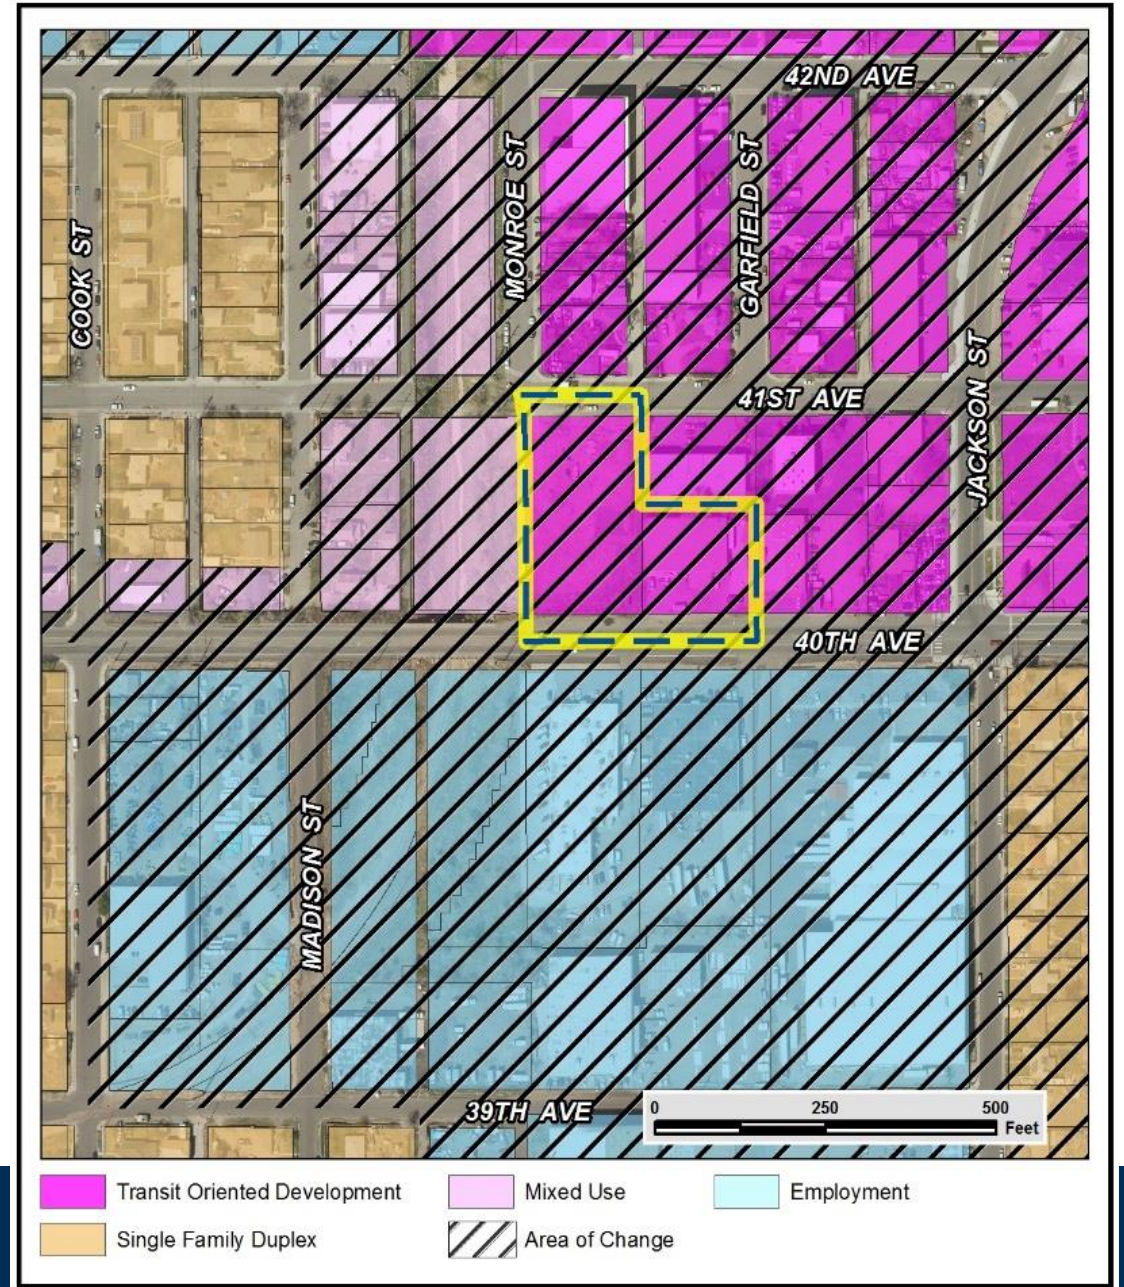

Consistency with Adopted Plans

Comprehensive Plan 2000

- Land Use Strategy 3-B: *Encourage quality infill development that is consistent with the character of the surrounding neighborhood; that offers opportunities for increased density and more amenities; and that broadens the variety of compatible uses. (p 60)*
- Mobility Strategy 4-E: *Continue to promote mixed-use development, which enables people to live near work, retail and services. (p 78)*
- Legacies Strategy 3-A: *Identify areas in which increased density and new uses are desirable and can be accommodated. (p 99)*
- Vision of Success – Congruency of land use and zoning: *Ongoing clarification of the Zoning Ordinance in a process linked to a citywide land-use plan will eventually result in a built environment with greater overall urban design integrity, stronger connections among urban centers, and a richer and more diverse mix of uses within geographically proximate areas. (p 54)*
- Vision of Success – Compact Development: *Development and redevelopment of urban centers present opportunities to concentrate population and land uses within a limited geographic space [and] will improve neighborhood cohesion, reduce urban sprawl and connect residents more directly to services and amenities within their immediate living environment. (p 55)*
