19 (b) Permittee shall be responsible for obtaining all other permits and shall pay all costs
20 that are necessary for installation and construction of items permitted herein.

21 (c) If the Permittee intends to install any underground facilities in or near a public road,
22 street, alley, right-of-way or utility easement, the Permittee shall join the Statewide Notification
23 Association of Owners and Operators of Underground Facilities by contacting the Utility Notification
24 Center of Colorado, 12600 West Colfax Avenue, Suite B-310, Lakewood, Colorado 80215, at 303-

27 (d) Permittee is fully responsible for any and all damages incurred to facilities of the Water
28 Department and/or drainage facilities for water and sewage of the City due to activities authorized
29 by the Permit. Should the relocation or replacement of any drainage facilities for water and sewage
30 of the City become necessary as determined by the City's Executive Director of Public Works
31 ("Executive Director"), in the Executive Director's sole and absolute discretion, Permittee shall pay
32 all cost and expense of the portion of the sewer affected by the permitted structure. The extent of
33 the affected portion to be replaced or relocated by Permittee shall be determined by the Executive
34 Director. Any and all replacement or repair of facilities of the Denver Water and/or drainage facilities

2 indemnify and save the City harmless and to repair or pay for the repair of any and all damages to
3 said sanitary sewer, or those damages resulting from the failure of the sewer to properly function as
4 a result of the permitted structure.

5 (e) Permittee shall comply with all requirements of affected utility companies and pay for
6 all costs of removal, relocation, replacement or rearrangement of utility company facilities. Existing
7 telephone facilities shall not be utilized, obstructed or disturbed.

8 (f) All construction in, under, on or over the Encroachment Area shall be accomplished in
9 accordance with the Building Code of the City. Plans and specifications governing the construction
10 of the Encroachments shall be approved by the Executive Director and the Director of Building

13 (g) The sidewalk and street/alley over the Encroachment Area shall be capable of
14 withstanding an HS-20 loading in accordance with the latest AASHTO Specifications. The

17 be constructed so that it can be removed and replaced without affecting structures within the
18 Encroachment Area.

19 (h) Permittee shall pay all costs of construction and maintenance of the Encroachments.

25 become broken, damaged or unsightly during the course of construction. In the future, Permittee
26 shall also remove, replace or repair any street/alley paving, sidewalks, and curb and gutter that

29 without cost to the City and under the supervision of the City Engineer.

30 (j) The City reserves the right to make an inspection of the Encroachments contained
31 within the Encroachment Area. An annual fee, subject to change, of \$200.00 shall be assessed.

32 (k) This revocable Permit shall not operate or be construed to abridge, limit or restrict the
33 City in exercising its right to make full use of the Encroachment Area and adjacent rights-of-way as

1 public thoroughfares nor shall it operate to restrict the utility companies in exercising their rights to
2 construct, remove, operate and maintain their facilities within the Encroachment Area and adjacent
3 rights-of-way.

4 (l) During the existence of the Encroachments and this Permit, Permittee, its successors
5 and assigns, at its expense, and without cost to the City, shall procure and maintain a single limit
6 comprehensive general liability insurance policy with a limit of not less than \$500,000.00. All
7 coverages are to be arranged on an occurrence basis and include coverage for those hazards
8 normally identified as X.C.U. during construction. The insurance coverage required herein
9 constitutes a minimum requirement and such enumeration shall in no way be deemed to limit or
10 lessen the liability of the Permittee, its successors or assigns, under the terms of this Permit. All
11 insurance coverage required herein shall be written in a form and by a company or companies
12 approved by the Risk Manager of the City and authorized to do business in the State of Colorado.
13 A certified copy of all such insurance policies shall be filed with the Executive Director, and each
14 such policy shall contain a statement therein or endorsement thereon that it will not be canceled or
15 materially changed without written notice, by registered mail, to the Executive Director at least thirty
16 (30) days prior to the effective date of the cancellation or material change. All such insurance policies
17 shall be specifically endorsed to include all liability assumed by the Permittee hereunder and shall
18 name the City as an additional insured.

19 (m) Permittee shall comply with the provisions of Article IV (Prohibition of Discrimination in
20 Employment, Housing and Commercial Space, Public Accommodations, Educational Institutions
21 and Health and Welfare Services) of Chapter 28 (Human Rights) of the Revised Municipal Code of
22 the City and County of Denver. The failure to comply with any such provision shall be a proper basis
23 for revocation of this Permit.

24 (n) The right to revoke this Permit is expressly reserved to the City.

25 (o) Permittee shall agree to indemnify and always save the City harmless from all costs,
26 claims or damages arising, either directly or indirectly, out of the rights and privileges granted by this
27 Permit.

28 **Section 3.** That the Permit hereby granted shall be revocable at any time that the Council
29 of the City and County of Denver shall determine that the public convenience and necessity or the
30 public health, safety or general welfare require such revocation, and the right to revoke the same is
31 hereby expressly reserved to the City; provided however, at a reasonable time prior to City Council
32 action upon such revocation or proposed revocation, opportunity shall be afforded to Permittee, its
33 successors and assigns, to be present at a hearing to be conducted by the City Council upon such

1 matters and thereat to present its views and opinions thereof and to present for consideration action
2 or actions alternative to the revocation of such Permit.
