

Key Contract Terms

Vendor/Contractor Name: Adobe Systems Incorporated

Contract control number: 201417941

City's contract manager: Steve Auberger

Was this contractor selected by competitive process? Yes

Term/Duration of contract/project: 9/1/2014 – 12/31/2019

Renewal terms: None

Purpose: Adobe Systems Inc will provide a SaaS solution for our denvergov.org website. The City has over 100 denvergov.org content editors that maintain 4600 pages that receive over 21 million unique page views per year. This contract covers the SOW for converting denvergov.org's 4600 pages to the Adobe cloud, as well as the maintenance and license costs starting 12/1/2014 expiring 12/31/2019.

Cost/value: \$3,260,000.00

Original Amount Requested:	\$3,260,000.00
NEW Amount Requested:	\$3,260,000.00
Total Amount Requested:	<u>\$3,260,000.00</u>

Source of funds: Technology Services Operating Budget

Benefit: Adobe's SaaS solution provides the city with a scalable, extensible, true content management system that has workflow capabilities, content integration and out-of-the-box social integrations. The new denvergov.org will be completely responsive and accessible from any device (desktop, laptop, tablet or phone). Additionally, the move to the cloud will allow the City to stay current with our web technologies and reduce costs by leveraging Adobe managed services for timely upgrades.

Termination provision for City and for contractor: 30 Days

WBE/MBE/DBE commitments (construction, design, Airport concession contracts): N/A
