This bill updates the precinct plan contained in Section 15-16, D.R.M.C., to establish transitional precinct boundaries for elections occurring before the May 7, 2015, Municipal General Election. The bill updates Section 15-16 by reassigning precinct designations due to reconfigurations of precincts in 2011 in accordance with state law and reconfigurations of council district boundaries 2012 in accordance with Denver Charter. The bill also updates Section 15-17, D.R.M.C., by adding three new precincts and removing one precinct; Precinct 341 will be removed from the precinct plan due to a census block issue that was litigated as part of state redistricting, and Precincts 652, 743, and 744 will be added due to population changes. The Elections Division has prepared new maps to be placed on file with the City Clerk establishing the precincts within the district boundaries for all eleven (11) individual City Council districts.
