ORDINANCE NO.
SERIES OF 2021

COUNCIL BILL NO. CB21-0082
COMMITTEE OF REFERENCE:
Finance & Governance

A BILL

For an ordinance making supplemental appropriations in the General Fund to make a technical correction to restore budgeted furlough savings for elected officials.

WHEREAS, the 2021 General Fund budget is balanced assuming about \$12.8 million in furlough savings for civilian employees; and

WHEREAS, these salary reductions were applied across City departments and funds in the 2021 budget; and

WHEREAS, the Colorado Constitution prohibits elected officials from either increasing or decreasing their salaries while in their current term of office; and

WHEREAS, to comply with this provision, the Denver City Charter establishes a system that requires all elected officials' salaries to be set in ordinance by City Council ahead of the regular municipal election every four years, and therefore salaries for Denver elected officials cannot be formally changed, even during financial challenging times; and

WHEREAS, the mechanism through which furlough savings were applied in the City's budgeted system resulted in the City inadvertently reducing agency appropriations for elected officials' furlough savings; and

WHEREAS, this Ordinance corrects that error by rescinding \$175,438 from General Fund Contingency to add budget in the impacted agency appropriations;

NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF DENVER:

Section 1. From appropriations heretofore made from the General Fund listed or indicated in the following tabulation there is hereby RESCINDED the amount listed or indicated in such tabulation under the heading "Amount Rescinded" and transferred to the General Fund:
